

## Lesson 156 I coerce no one

Everyone walks where they choose to walk. I coerce no one. I AM the Lord their God yet I do not want My children to feel obligated to come and seek Me. I want them to come of their own free will, of their own choosing. Clemency is asked for, pardon, their desires are put before Me yet they do not acknowledge Me in their walk. They go their own way with no desires to come to know Me, yet in times of trouble they seek

miracles and answers to their prayer. How is it that man has become so arrogant as to think I AM a genie in a bottle? Relationship is built over time. Seek Me now in the calm, in the peace of your situation. Seek and listen and learn and then maybe if you do this, then just maybe, there will be less need (less dire circumstances in need of repair). My laws teach. My laws protect. My laws were given for a reason. You cannot pick and choose and not expect consequences when you are walking in unrighteousness.

### Introduction

Today's lesson is centered-around the choices we make and how they affect our walk with the Lord. It's about seeking Him, and in the process, walking in His better ways.

You see we all make choices every day, lots of them in fact. We choose what we are going to wear, what we are going to eat, what we are going to do to entertain ourselves. We decide if we are going to stop at that red light or if we are going to try and run through it. Yes, there are just lots and lots of choices that are made each and every day. Some people may choose a life of hurt, a life of crime while others may choose a life of help, a life of volunteerism. Some people may choose to practice the occult and witchcraft while others may choose to follow after the Lord. Basically, everyone chooses how they are going to live. Of this the Lord said,

Everyone walks where they choose to walk. I coerce no one. I AM the Lord their God yet I do not want My children to feel obligated to come and seek Me. I want them to come of their own free will, of their own choosing.

Hence, the Lord wants you to seek Him out all on your own. He wants it to be your decision to choose Him. He said that He did not want to coerce you. Coerce means:

Coerce:

- to compel by force, intimidation or authority
- to bring about through the use of force or other forms of compulsion
- to dominate or control

Therefore, He is saying that He does not want to force the issue. You can't force someone to love you. You can't force someone to get to know you better. Well, I guess you could try, but more than likely, it would not work. It in all probability it would not be a reciprocal type of

relationship. The Lord knows this and that is why He would not move in this way. That is why He gave us free will.

Of free will the Lord has said:

12/04/12 – Free will requires much guidance and instruction from your God Jesus. Fine tuning, your will becomes My will. The will of your God Jesus. Walking in unison with your God Jesus. Stay attentive on course.

02/20/13 - Count the cost. Each individual must make choices, count the cost. Right choices lead to knowledge, wisdom, and understanding. Each must choose wisely for it is a choice. I have given free will. Your desires must be brought into accordance with your God Jesus.

07/03/13 - Receiving the gift of free will, this does not mean that you are free from responsibility. I also have given you your independence, your ability to choose, but you must choose wisely.

What the Lord is saying here is that free will does not mean freedom from responsibility. Free will does not mean freedom from choices nor does it mean that we are completely out on our own either. The Lord is available to you. He still wants to offer you His guidance and instruction. He still wants you to walk in unison with Him. But in order for this to happen, since you do have free will, then it is imperative for you to seek and follow after Him. He even encourages this:

10/16/13 - Listen / all ears must hear / meet Me in My secret place.

10/23/13 - Seek Me.

11/11/13 - My Bride seeks My heart and she has it.

11/12/13 - Spend more time with Me. Seek after My will.

**Deuteronomy 4:29** *But from there you will seek the Lord your God and you will find him, if you search after him with all your heart and with all your soul.*

**Proverbs 8:17** *I love those who love me, and those who seek me diligently find me.*

**Jeremiah 29:12-14** *Then you will call upon me and come and pray to me, and I will hear you. You will seek me and find me, when you seek me with all your heart. I will be found by you, declares the Lord, and I will restore your fortunes and gather you from all the nations and all the places where I have driven you, declares the Lord, and I will bring you back to the place from which I sent you into exile.*

**Matthew 6:33** *“But seek first the kingdom of God and His righteousness, and all these things shall be added to you.”*

**Matthew 7:7** *“Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you.”*

The Lord has given us free will. He does not want to force Himself on anyone but He does want us to seek after Him. It's a choice we should all be willing to make.

## Their Own Way

In the introductory section of today's lesson we talked about free will but what we must realize about free will is that sometimes it enables us to make poor decisions of which we may seek:

Clemency is asked for, pardon, their desires are put before Me yet they do not acknowledge Me in their walk. They go their own way with no desires to come to know Me, yet in times of

trouble they seek miracles and answers to their prayer. How is it that man has become so arrogant as to think I AM a genie in a bottle?

As I was first reading this portion of today's message, I was thinking about the ideas of clemency and pardon. They are defined as follows:

Clemency:

- the quality of being mild or merciful, lenient or compassionate,
- disposition to show forbearance, compassion or forgiveness in judging or punishing;
- leniency, mercy

Pardon:

- kind indulgence, as in forgiveness of an offense, discourtesy, intolerance of a distraction or inconvenience
- a release from the penalty of an offense, a remission of penalty
- the document by which remission is declared
- forgiveness of a serious offense or offender

Consequently, my first thoughts turned to mercy and forgiveness. And certain bible passages came to mind as well like:

Mercy

**Psalm 4:1** *Hear me when I call, O God of my righteousness! You have relieved me in my distress; Have mercy on me, and hear my prayer.*

**Psalm 9:13** *Have mercy on me, O Lord! Consider my trouble...*

**Psalm 25:16** *Turn Yourself to me, and have mercy on me, For I am desolate and afflicted.*

Forgiveness

**Acts 5:31** *Him, God has exalted to His right hand to be Prince and Savior, to give repentance to Israel and forgiveness of sins.*

**Ephesians 1:7** *In Him we have redemption through His blood, the forgiveness of sins, according to the riches of His grace.*

**Colossians 1:14** *in whom we have redemption through His blood, the forgiveness of sins.*

But then as I continued reading and pondering what the Lord was actually saying, I realized, that the focus was not on clemency and pardon but was on commitment instead. What I came to realize is that the Lord was talking about being used. He was talking about people who come to Him in times of trouble, or when they desire a favor, yet they have made no real commitment to Him at all. He referred to this as a **genie in a bottle** type of scenario.

In the February 6<sup>th</sup> God Calling the Lord speaks of this very same type of scenario. He speaks of the time when He was on the earth and large throngs of people followed Him. They all wanted something. They eagerly sought Him out for something they wanted. Yet they lacked commitment to Him.

**February 6<sup>th</sup> God Calling** - To the listening ear I speak, to the waiting heart I come.

Sometimes, I may not speak. I may ask you merely to wait in My Presence, to know that I am with you.

Think of the multitudes who thronged Me when I was on earth all eager for something. Eager to be healed, or taught, or fed. Think as I supplied their many wants, and granted their manifold requests, what it meant to Me, to find amid the crowd, some one or two, who followed Me just to be near Me, just to dwell in My Presence. How some longing of the Eternal Heart was satisfied thereby.

Comfort Me, a while, by letting Me know that you would seek Me just to dwell in My Presence, to be near Me, not even for teaching, not for material gain, not even for a message -- but for Me. The longing of the human heart to be loved for itself is something caught from the Great Divine Heart.

What the Lord sees in the world today is another large throng of people who come to Him eagerly seeking something they desire, yet ignoring Him in their daily walk. They call on Him in times of crises, yet they choose to dwell outside of His Presence. No one likes being used. No one wants to be involved in a one-sided relationship where commitment is lacking. No one wants this, not even the Lord. And of commitment the Lord has said:

07/10/13 - **Commitment, Honor, Respect, Keys to everything.**

07/22/13 - **Kneel before the Lord. Measure, you cannot measure devotion. It is felt. You cannot measure quiet or silence. It is moved into. It is release. It's a letting go of your ideas, your constructs. It's a following after, a doing in Me. Does that sound like an opposite of what you would think, that silence is doing? But it is the what you are doing (that counts). I'm not talking about actions per se. I'm talking about commitment and release and devotion. I'm not even talking about the percentage of time you spend with Me. No, I'm talking about when we are together, when we do meet together, you go deeper in your release of self. You go deeper in your union with Me. This is done in silence, in the quiet moments spent with Me. In those moments, when we are together, all else fades away and it is just you and I, for that moment and nothing else. And that is why I say it cannot be measured, it is felt.**

08/16/13 - **Everlasting to everlasting is My love. My life I gave into your hands to accept or reject. However, the rejection did not stop at the cross for there are many this day who reject Me still. Read, study, teach and mentor. Be an example in your entire walk. Commit it to Me. My power will be seen and walked out on this earth, yet still there will be those who reject Me. But this shall not always be so. Move forward in your love and commitment to Me. Move forward in your acceptance.**

The Lord referred to this **genie in the bottle** mindset of man as **arrogant**. This lack of commitment, this lack of acknowledgement of Him, this hanging onto self, these are all view by Him as being arrogant.

**Isaiah 13:11** *I will punish the world for its evil, and the wicked for their iniquity; I will put an end to the pomp of the arrogant, and lay low the pompous pride of the ruthless.*

Arrogance is not acceptable. It's a bad choice.

## **Relationship**

In the last section we talked about commitment versus being used. What we discovered is that if a relationship is one-sided, if there is a lack of commitment present in one of the parties, then this leads the other party to feel as if they are being used. These feelings come about because the party being used realizes that the other party is not "buying into" their relationship. A feeling of **rejection** grows. However, in the Lord's case He chose to give us free will and choice. He did not want His children to feel **coerced** into a relationship with Him. Therefore,

He does acknowledge that there are large throngs who reject Him, who are not committed to Him. He acknowledged this through words like those above (**rejection did not stop at the cross for there are many this day who reject Me still**). Essentially what the Lord is in the process of saying here, is that this attitude, this focus on self, this is not conducive to relationship.

**Relationship is built over time. Seek Me now in the calm, in the peace of your situation. Seek and listen and learn and then maybe if you do this, then just maybe, there will be less need (less dire circumstances in need of repair).**

Wow, that's a powerful and fairly concise message isn't it? He said, begin building your relationship with Him right now, in the quiet, in the calm. Seek Him out in your daily life, not just when issues arise. Do this and there will probably be fewer moments of crises in your life. Do this and your relationship with Him will grow over time. This in turn reminded me of these words from the Lord:

**07/11/13 - What are you looking for? Are you looking for a master or a genie? I AM the King of Kings and Lord of Lords. The Master of the creations. Bend down before Me. Remember this when you think about our relationship. Remember I AM also your brother and friend. I can also be your husband. This depends on you and your level of commitment. Remember these things as you think about our relationship.**

Okay, so we're not to look at Him as a **genie** but we're to focus on our relationship with Him instead. And again as I pondered the words of His message here, I realized that the essence of what He is saying is that, He does not want to have a one-sided relationship with you. No, He wants you to "buy into" this relationship as well. He wants you to have an interest and a stake in it too!

He wants you to seek Him out. He wants you to be attentive to what He is telling you. In other words He wants you to **Seek and listen and learn**. And in this there is also the implied message of obedience as well. This same message has been delivered at various times of late as well:

**10/14/13 - Follow the instruction of the Lord. Listen to Him. Seek Him out and be obedient unto His direction. Love the Lord your God with all your heart, mind and soul. Allow His spirit to indwell within you.**

**10/20/13 - Seek your God Jesus in all.**

**10/26/13 - Wise ones seek Me.**

**11/02/13 - Important to walk daily with your God Jesus. Doctrines of men are subtle. Focus on your God Jesus will keep you on track. I have much to say to My Beloved. Listening ears are hearing. This requires time effort. Diligence. Time wisely spent with your God Jesus. Traditions of men will keep one from hearing. Walking in step with your God Jesus requires listening ears. I AM found in the quiet by those who seek.**

**11/02/13 - Turn to Me now/ Seek Me while I am still reaching out to you.**

**11/12/13 - Surrender yourself to Me. Put down your desires and seek after My desires. Your desires and My desires must come into alignment. Raise up your eyes and look to heaven. Put your heart and mind on heavenly matters. Come and walk hand in hand with Me.**

Through these passages the Lord instructed us to, walk with Him daily. We are to turn and seek Him, surrendering ourselves to Him, putting away our desires and finally we are to be obedient, following all the instructions of our God Jesus. What we must understand then is,

that relationship will grow through these actions taken on our part, relationship and discipline both will play a part in this transformation:

**July 5<sup>th</sup> God Calling Eventide** - For whosoever shall do the Will of My Father, he is My brother and sister and mother. You see how everything depends on the necessity of doing the Will of My Father. **Here is the intimacy of a new relationship**. The only condition of this is the doing of My Father's Will. Then at once, into the inner Family Circle there is admission. The plain way of the discipline is the way of knowing My Will. That is the first requisite to the doing of it. My Will for each day can only be revealed as each day comes, and until one revelation has been lived out, how can you expect to be made aware of the next? Awareness of My Will is only achieved by obedience to that Will as it is made clear, and when THAT Will has been obeyed the veil, hiding My next desire, is lifted.

We began this section with these words:

Relationship is built over time. Seek Me now in the calm, in the peace of your situation. Seek and listen and learn and then maybe if you do this, then just maybe, there will be less need (less dire circumstances in need of repair).

*John 16:33 I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world."*

### **Walking in Unrighteousness**

In the last section we talked about commitment and relationship, **a genie in the bottle** mindset versus the bond of intimacy but what the Lord brought us round to see is that in a committed relationship listening and learning, a seeking out of the other; this is going to take place. We also learned that there is an implied element of obedience even discipline in a committed relationship with the Lord. Basically what we have learned thus far in regards to relationships is that they are built over time. They are not to be taken for granted. Each party in the relationship should be attentive to the other. Now we already know that the Lord is attentive to man, we can tell that through various messages that He has delivered to us:

**Psalm 139:13-16** *For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth. Your eyes saw my unformed substance; in your book were written, every one of them, the days that were formed for me, when as yet there was none of them.*

**Jeremiah 29:11** *For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope.*

**Luke 12:7** *Why, even the hairs of your head are all numbered. Fear not; you are of more value than many sparrows.*

11/04/12 - I have formed you to be My servant you were created with a purpose.

12/13/12 - See yourself in My hands being formed and crafted into what I would have you to be....I am with you every step of the way.

09/10/13 - Rays of sunshine, shining down upon you, acknowledging My Presence, My work in your lives. Fixation, keep your eyes fixed on your Savior. Keep your eyes fixed on Me.

Understand My Presence in your life. Understand My Wisdom, My works, the very fact that I AM operating, at work in the events, that surround you. For remember the very hairs of your head are counted. In other words I'M into small details. I'm at work shining down upon you. I AM present and with you. Think on this and remember I love you.

Consequently, the Lord is attentive and as such He wants you to understand that He wants the best for you. He is **operating, at work, in the events, that surround you**. He is into the **small details**, however, in order for His plans to come into fruition, then we must be obedient not only to His current Rhema words but unto His laws, commandments and judgments as well. This week the Lord said,

**My laws teach, My laws protect. My laws were given for a reason. You cannot pick and choose and not expect consequences when you are walking in unrighteousness.**

Unrighteous:

-not righteous, not upright or virtuous;

-wicked,

-sinful (disobedience)

-evil

-not in accordance with right or justice;

-unfair or unjust

Hence when we are **walking in unrighteousness** then we are walking in evil, walking in disobedience, essentially this means that we are ignoring the Lord's laws that teach. We are ignoring His laws that protect. We are completely ignoring the fact that His laws were given for a reason. They were given for our good. We are ignoring that He only wants what's best for us:

09/09/13 - **I love you My son and want what's best for you.**

09/14/13 - **I love you My children and desire what's best for you allow Me to lead to peaceful pastures. Grow into greatness prepare for you from the foundation of the world.**

11/06/13 - **Be My vessel in the earth/ Let Me use you in new heights/ Do not limit Me/ I know what's best for you/ Accept My guidance.**

11/11/13 **Move in Me as never before/ Walk by faith knowing I am guiding you. I know what's best for you only follow in obedience to reap the blessings prepared for you.**

Therefore what we are talking about here is the fact that man ignores what God has established for his best. Man ignores the fact that the Lord is His creator. The Lord has laid out the perfect plan for each one of us, however, the human race has become **arrogant**. It seems that we prefer to look upon Him as a **genie in a bottle** as opposed to the Lord our God.

When we initially opened up this section of the lesson we read where the Lord had said, **My laws teach, My laws protect. My laws were given for a reason. You cannot pick and choose and not expect consequences** and this is where we come back full circle to where we were at, at the very beginning of the lesson when we said that today's lesson was centered-around the choices that we make and how they affect our walk with the Lord. We are coming around full-circle because what we are learning here is that when we **choose** to ignore what the Lord has established then we what we are actually doing is we are choosing to **walk in unrighteousness** and we should then **expect** the **consequences** of the same.

In the book of Deuteronomy the Lord spoke of choices when He said,

**Deuteronomy 30:11-20** *"For this commandment that I command you today is not too hard for you, neither is it far off. It is not in heaven, that you should say, 'Who will ascend to heaven for*

us and bring it to us, that we may hear it and do it?' Neither is it beyond the sea, that you should say, 'Who will go over the sea for us and bring it to us, that we may hear it and do it?' But the word is very near you. It is in your mouth and in your heart, so that you can do it.

*"See, I have set before you today life and good, death and evil. If you obey the commandments of the LORD your God that I command you today, by loving the LORD your God, by walking in his ways, and by keeping his commandments and his statutes and his rules, then you shall live and multiply, and the LORD your God will bless you in the land that you are entering to take possession of it.*

*But if your heart turns away, and you will not hear, but are drawn away to worship other gods and serve them, I declare to you today, that you shall surely perish. You shall not live long in the land that you are going over the Jordan to enter and possess.*

*I call heaven and earth to witness against you today, that I have set before you life and death, blessing and curse. Therefore choose life, that you and your offspring may live, loving the LORD your God, obeying his voice and holding fast to him, for he is your life and length of days, that you may dwell in the land that the LORD swore to your fathers, to Abraham, to Isaac, and to Jacob, to give them.*"

And from His Rhema words of today, He has said this in regards to or as it relates to choosing wisely:

10/09/13 - Defeat the enemy and walk in love. Put the Lord first. There is success in this because when you do this, when you walk in this, then, this is when you are actually doing and moving forward in what is best for you not otherwise.

10/21/13 - I have asked you and you have to decided to walk on the path of righteousness.

11/03/13 - Stay focused many distractions are coming your way these are from the enemy avoid at all costs/ he seeks to lead you astray from Me/ Play not with the enemy/ Recognize his tactics/ Play not in his fields this is life or death seriousness/ Continue to fill your mind with My Word/ Absorb all My truths this is cleansing to the mind and soul of man/ Live these truths I have revealed/ There is power in the walk/ Walk boldly for all to see.

11/06/13 - Legalities are important. They are not to be ignored. You can't just do whatever you want in the physical realm neither can you in the spiritual realm. There is a connection there between the two (realms). Therefore, you must be obedient unto the laws I established in the physical to accomplish good in the spiritual. Man does not understand nor comprehend all the reasons why it is so important to be obedient but let me tell you, let me explain it to you. **You are obedient unto the physical because failure to do so has negative consequences not only in your physical realm but in the spiritual realm as well.** Therefore always strive to be your best as the consequences of your actions are long reaching.

When we ignore the **legalities** that the Lord has established, when we do this, then we are calling unto us **negative consequences not only in the physical realm but in the spiritual realm as well.** Therefore the choices we make, they are all important. Any choice that leads us into **walking in unrighteousness**, then this is a poor choice. The Lord established His laws, commandments and judgments to teach and to protect. They were each **given for a reason.** Consequently, we cannot afford to **pick and choose** what we will decide to obey.

01/29/13 - The world goes about getting into everyone's business but My business, thus I can say that the world neglects the Lord. The world neglects My ways. Remind them of My ways in your example. Remind them of My ways by following and observing My commandments. Know that love is at the foundation of each (of all My commandments).

03/03/13 - My commandments are not burdensome.

07/28/13 - Honor, Glory, and Respect are Mine. Honor Me with your obedience. Glorify Me by loving others. Respect Me by keeping My Commandments and Feasts. Cherish the opportunity to be Mine.

10/23/13 - Hour glass, time is running out. Get your house in order and follow Me. Sift the debris out, remove it. Remove all that is not for your good. I AM the Lord your God and I am about what is good and holy, clean and pure. My commandments teach you. My Rhema words lead you. I AM alive and active in this world, right now at this very moment. Prepare yourself for your assignment. Know Me. Study Me. Meditate on Me. My Plan is coming forth. It is so. Now go and work. Labor for your Lord.

The Lord's commandments are not burdensome. This is because love is at the foundation of each one of these. The Lord our God, He is good, clean, pure and holy. His laws teach, His laws protect. His laws were given for a reason. And His current Rhema words will lead you as well. Therefore we cannot pick nor choose which we want to discard because only the Lord knows what's best for you.

**January 29<sup>th</sup> God Calling** - "Never fear, whatever may happen. You are both being led." I am thy shield. Have no fear. You must know that "All is well." I will never let anyone do to you both, other than My Will for you.

I can see the future. I can read men's hearts. I know better than you what you need. Trust me absolutely. You are not at the mercy of Fate, or buffeted about by others. You are being led in a very definite way, and others, who do not serve your purpose, are being moved out of your Path by Me.

Never fear, whatever may happen. You are both being led. Do not try to plan. I have planned. You are the builder, *not* the Architect.

Go very quietly, very gently. All is for the very best for you.

Trust me for all. Your very extremity will ensure My activity for you. And having your foundation on the Rock - Christ, Faith in Him, and "being rooted and grounded in Him," and having belief in My Divinity as your Corner Stone, it is yours to build, knowing all is well.

Literally, you have to depend on Me for everything - everything. It was out of the depths that David cried unto Me, and I heard his voice. All is well.

All the Lord's plans are for our best, therefore it behooves us to choose to walk in them.

## Summation

Today's lesson was centered-around the choices we make and how they affect our walk with the Lord. Today we learned the importance of seeking after Him, and in the process we learned that it is better to walk with Him in His ways than to do otherwise. We came to see that we make choices every day, some to our detriment and some to our betterment, therefore, their importance could not be denied. All the choices come about, however, because the Lord decided that He did not want to **coerce** anyone into a relationship with Him. He did not want anyone to **feel obligated to come and seek** after Him. He wanted them to **come** to Him **of their own free will, of their own choosing.**

In His remarks for the day, the Lord also brought up the human desire for clemency and pardon (the idea of which was tied into today's message because of the human need for these due to the bad choices they had made in the past). Nonetheless as I was thinking about this (about clemency and pardon) as the main point of focus, well what I came to realize is that what the Lord was actually talking about in His message for the day, His message was about being used. He was talking about people who come to Him in times of trouble, or when they desire a favor, yet they have made no commitment to Him at all in their daily lives. He referred to this as **a genie in a bottle** type of scenario. He also said it was **arrogant** of man to be this way.

Hence you could say that we talked about commitment versus being used. What we discovered is that if a relationship is one-sided, if there is a lack of commitment present in one of the parties, then this leads the other party to feel as if they are being used. These feelings come about because the party being used realizes that the other party is not "buying into" their relationship. Therefore, a feeling of **rejection** grows. However as noted above, in the Lord's case He chose to give us free will and choice. He did not want His children to feel **coerced** into a relationship with Him. He wants you to seek Him out of your own volition. He wants you to be attentive to what He is telling you. In other words He wants you to **Seek, listen and learn** to and from Him.

But what we came to realize as well was that there was also an implied message of obedience. We found that the Lord made a connection between obedience and relationship. What we found was that relationships are built over time. They are not to be taken for granted. Each party in the relationship should be attentive to the other. But we also learned that healthy relationships involve wanting the best for the other person. We came to see that the Lord wants the best for each one of us. He has the perfect plan prepared for each one of us. He also knows each one of us intimately, why He even knows the exact number of hairs on each head. He prepared His commandments, His laws, His judgments to teach, to protect, to guide. They **were given for a reason**. Therefore, what we found is that you **cannot pick and choose** and then not expect the negative consequences of **walking in unrighteousness**. This message was delivered through these words:

Everyone walks where they choose to walk. I coerce no one. I AM the Lord their God yet I do not want My children to feel obligated to come and seek Me. I want them to come of their own free will, of their own choosing. Clemency is asked for, pardon, their desires are put before Me yet they do not acknowledge Me in their walk. They go their own way with no desires to come to know Me, yet in times of trouble they seek miracles and answers to their prayer. How is it that man has become so arrogant as to think I AM a genie in a bottle? Relationship is built over time. Seek Me now in the calm, in the peace of your situation. Seek and listen and learn and then maybe if you do this, then just maybe, there will be less need (less dire circumstances in need of repair). My laws teach, My laws protect. My laws were given for a reason. You cannot pick and choose and not expect consequences when you are walking in unrighteousness. That is all for now, go in peace.

And here are some additional words that reinforce today's message:

10/16/13 - I want the determined / you must give Me your all / the time is now / We must move / decide, decide / decide My children, My beloved.

11/08/13 - I want them all to choose My ways but I will not force them/ I desire true worshippers those who choose to worship Me of their own free will.

11/08/13 - Stay focused on Me/ Tune the world out/ It seeks a way in/ Be separated from it.

Today's message is one of relationship. Today's message is one of obedience. Today's message is one of commitment. There are no **genie's in the bottle**. We each must walk out the path the Lord has laid out for us, and if we do do this, then maybe, just maybe there will be **less dire circumstances in need of repair**.

May the Lord Bless you in this,  
Cindy
