ALL PRAISE BELONGS TO YOU 1993

Break the chains that bind our soul

That we may praise Your Name;

Unashamed & boldly, amongst Your people.

You are the only one who is worthy of praise.

All praise belongs to You, Almighty God.

Father God, You have instructed us

To praise Your Name amongst Your people;

For there is power when in unity we praise Your Name.

Jehovah, Jesus, Holy Ghost, You are most high.

All praise belongs to You,

That's why we sing this song.

AN OVER COMER - 8/13/1991

An over comer is what we are.

An over comer is what we are.

Because Your power, O' God,

Is the greatest of all

And You live within us.

ASCEND OUT OF THE DEPTH 5-4-2006

Lord, help us to ascend, ascend out of the depth,

The depth of Your mysteries,

The depth of Your truth

And what was meant by what You said.

To walk in Your truth with expectancy;

With the joy in which only You can give.

There is much peace in walking totally,

All the time, in You.

You have given us ears to hear Your voice;

Teach us to hear each word.

May Your revelation, Your understanding,

Your truth be imbedded and established in our lives.

Almighty Jehovah! You bought and paid the price by
Your precious blood.**

**Because of You, we are. We are a conqueror, an over
comer. You fought and won the war through Calvary.**

3. Oh, Jesus, You are our healer, our deliverer.

**Because of You, we are. We are a slave set free, with
authority; O'er the enemy, in Your mighty name.**

You are our everything, You are our love, our "All in All."

THE BRINK OF A MIRACLE 7/19/2002

One that has never been told.
Jesus, You said many years ago,
"Greater things than this shall ye do."
'God's revelation of His protection;'
We are about to see it unfold.**

**We shout, we shout, "Victory is ours!"
Vic-to-ry is ours – 'Cause Lord,
You are on our side.**

**We shout, we shout, "Victory is ours!"
Vic-to-ry is ours – 'Cause Lord,
You are on our side.**

Let the cords of love bind us together.

For You are love and there is no other.

Your love is stronger than any strength known to man;

Even stronger than we can comprehend.

That's bound with Your love.

No greater unity on earth can be found

When bound together with Your love.

2. Our families are coming forth

With Your strength and might.

All in one accord,

Marching together in Your mighty army.

HEARTSTRINGS

I was attending the church in Mulvane when I received this song. I was praying and heard flute notes and went to the piano and played what I heard. A prophetic word came from Sandy Hobbs, and in that word it was said "You have just played MY heart strings." I didn't understand, but felt the anointing. I mentioned it to Bro. Crane and he wept, because he knew what GOD meant. He told me then that I was never to change direction, to keep following GOD and continue in the music as GOD was leading me. Doris

Fills it with love, that flows from God's throne above.

Holy Spirit, we welcome You.

We love You, appreciate You.

We thank You for teaching us the truth.

We yield our vessel to You

IT AMAZES ME

7/3/2000

1. It amazes me, Lord, how You can change a scrooge into beauty. When You come into his life, his cold, cold heart begins to flow with the flame of Your love.

CHORUS

You give him new life, put a fresh countenance that glows from within. Take him from rags unto riches; from a pauper to a king. Oh, I'm amazed, I'm truly amazed.

2. It amazes me how that one is adopted into royalty, obtaining new riches, with an inheritance far greater than man can ever comprehend.

3. It amazes me how I once was this scrooge, lost and lonely, without hope; had no love to give until Jesus, You came into my life.

2nd CHORUS

You gave me new life, put a fresh countenance that glows from within. Took me from rags unto riches, from a pauper to a king. Oh, I'm amazed, I'm truly amazed.

12/120

IT IS ALL ABOUT YOU

11-18-2005, 8-2006

We come into Your presence, Lord Jesus.

It is all about You and who You are.

It is what You are about and what You are doing.

You are Majestic, mighty in power;

Miraculous one, militant one.

.....

Lord You are so good. In the time of trouble

You are the one, the one we hold onto.

You are our strength, You are our victor,

You are our peace. It is all in You.

.....

Lord, You are so good, even in the good times.

You are the One, the One we rejoice with.

There are many blessings; times of jubilation;

Times of progression; it is all in You.

IT IS TIME TO GET EXCITED 3-14-07

It's time to get excited,

Lord, intensify the fire within us.

It's time to get excited,

Lord, we want to be consumed by Your fire.

Put a dance in our song,

A clap in the rhythm,

A smile on our face

And a laugh in our heart.

21/130

IT'S IN YOU

1/19/2001 & 3/16/2001

We have so much to be thankful for,

You are an awesome God.

You are Jehovah, God Almighty,

Our faithful and loving Father.

Your love is pure and eternal;

We have no need to fear.

For You have been faithful;

Have never forsaken us and

You will never turn Your back on us.

CHORUS

Contentment and joy give us peace of mind.

Confidence is found in this heart of ours.

Sorrow left behind, You're forever so kind.

There's never been a time that You were not there.

You're the giver of new wine and it tastes so fine.

All of this and even more. In You, it's in You;

The fullness of Your goodness we find.

23/130

LORD, LET US FEEL YOUR HEARTBEAT

Verse 1 & 2, 1997 Brian Smith;

**1. Let Your Spirit erupt in us, like a volcano in our soul.
Let Your presence overflow our being, like love does
its spout. All of creation shows forth Your presence
But we long for Your presence
To flow more instant in us than in nature.**

**2. Willing are we to be used as a vessel
To pour Your love to the world,
Like the rain pours on the earth;
So that Your love will be shed on the harvest,
Like the rain on the crop.**

Verse 3, 7/31/1998 Doris Smith

**3. Lord, let us feel Your heart beat,
Let it vibrate every fiber of our being.
Let us feel Your tears, let us feel Your love,
Let us hear Your cry.**

CHORUS **Let the sound of Your heartbeat consume us;**3/13/2001 **Let it burn in our soul.**

**Though the field is so wide and laborers so few,
Give us Your strength and wisdom, Lord,
On how to follow You.
Awake us, oh Lord, to the call
That You have placed in our life.**

LORD, LIFT US UP - Robert Lee, 1986

**Lord, lift us up to higher ground,
Lord, where You are, let us be found.
For where You are, we pray to be.
Your precious face we long to see.**

**2. No higher place is there on earth,
To be adopted in Christian birth.
Alive in You, is our desire.
In You, alone, we are lifted higher.**

**3. We thank You for Your love for us;
Most precious friend, we have found in You.
You are the One who stands the test,
And in Your love, we find our rest.**

That are foolproof; immaculate design are they.

So with joy, with joy we go forth!

THESE FEET ARE MADE FOR WALKING 6/16/98, revised 3/13/2001

- 1. Satan has an access road; it's parallel to Your path. And on this road Satan has authority to defeat the child of God. On this road of familiarity is disobedience. We don't know at what we stumble, for the road is dimly lit.**

- 2. Lord, You said, Satan always comes as the angel of light, who's trying to duplicate ministers of righteousness. But these feet were made for walking on the path that You have lit; so that when the enemy comes our way, we just stomp & pivot our foot.**

- 3. For Satan cannot stand on the path that's paved with righteousness; for he has to submit to the righteous man. Upon Your path of righteousness is sheer obedience. There is no darkness, for Your Word is the lamp and it shines so bright and clear.**

- 4. Not only are these feet made for walking but running and dancing too. "Run to the call" and "Dance the victory," for God You are seeing us through.**

2/140

THINGS HAVE CHANGED 7/21/2000

- 1. Things have changed because of the new thing
You are doing in our lives.
You sought us out, gave us direction,
Called us to obedience.**

CHORUS

**You alone are God and You alone have called us.
And because of You "The Place" is coming forth.**

- 2. Your work is not based on the principles of men,
Doesn't have this world's standards,
Nor is it judged by them.**
- 3. It's because of You; You have called it into being.
You have said it is spirit, it is love, it is You.**

03/130

THROUGH YOUR GATES 5/19/2000

Through Your gates, we enter.

Our heart is filled with gratefulness;

You have walked with us another day.

You have given us a fresh word.

You have touched our life and gave us a song.

We sing unto You, Our Lord;

Praises and thanksgiving,

For what You are doing in our life,

And for ~ who ~ You are.

52/70

TO FEEL YOUR PRESENCE 3/3/2000

To feel Your presence [uh,uh]

Is our heart's desire. [oh,oh]

We love You Lord; You are our love.

You see all our faults and yet You love us.

You keep drawing us to know You more.

So our hunger grows for more, more of You.

**TO LIFT YOUR NAME HIGHER**

Raining in this place.**

**Victory has come to the one in the valley,
Feeling left out and forsaken.**

**The anointed cloth of the Holy Ghost is moving,
Moving in our midst.**

.....
**Victory has come to the one on the mountaintop,
Excited and expecting a miracle.**

**The lightning of the Holy Ghost is striking,
Striking in this place.**

.....
Boldness, truth, healing and deliverance;

**The anointing of the Holy Ghost is moving,
Moving in our midst.**

Freedom and shouting is reigning in our midst.

THE VISION OF YOUR FIELD

1/26/2001

**While man is working to make himself a better life,
Your field that You have given him goes unworked.
Open our eyes, Lord, to the vision of the field.
Help us see the work that needs to be done;
Increase our desire to be faithful with
That which You have called us to do.**

CHORUS

**Complacency, you have no place in us.
Father, stir our heart with Your Fire.
Burn the chaff, we plea.
There are lost souls that need to be found,
Hurting people that need to be healed,
Captive ones that need to be set free,
A Bride that needs to come forth.**

WE ARE SO BLESSED 7-29-2003 [prophetic] (updated 11-06)

We are so blessed to be a part of Your kingdom,

We are so blessed.

So blessed to be called to deliver Your gospel to the nations;

To be on Your side gives us the assurance

That over comers we will always be.

You tore down the roadblocks, You have cleared the way.

.....

With Your power we are conquering the hurdles;

You have stretched our faith to completely trust in You.

With Your power You've broken down walls

That have kept us from going forth.

So we arise and we're going forth, in the Name of our Lord.

.....

In the corners of our heart Your light is revealing

All those things that have yet to be yielded to You.

We can feel Your anointing flowing in our midst.

As Your Holy Spirit moves we yield our vessel to You.

With Your power the pieces of Your plan are coming;

Are fitly joined together.

With your power our vision is becoming

More clear to the purpose

Of why we were created and what is to come.

WE STILL KNOW YOU ARE THERE

4/25/2003

**When we look into the night sky
And see the wondrous stars shining bright;
We enjoy the wonders,
The wonders of the beauty.
There are times when the storm clouds come
And hide the view,
Yet we still know they (the stars) are there.**

**Just in life the same thing,
Many words of encouragement;
Promises You have given, ours to hold onto.
Then the storms of life come our way
And try to rob our faith.
Yet we still know You are there.**

CHORUS

**We have no fear, for You, the creator,
Have spoken and Your word is true.
Your word is faithful;
Your word is powerful.
Your word is victorious;
Your word is forever.
Jehovah, our Father, You are our all.**

WE WAIT UPON YOU, LORD 04/20/2001

We wait upon You, Lord.

You are our strength and song;

Refreshing as a new rain. (repeat)

.....

We mount up with wings and soar like eagles

Above the storm, courageously.

.....

As the winds of Your Holy Spirit

Blow within our midst;

We spread our wings and fly,

Lifted high with Your power.

.....

As the winds of the Holy Spirit

Blow across this land; (RS, 9/16/01)

We search the heavens and seek Your face. (MM, 9/30/01)

There is no other power greater than You.
When in Your presence, Your light dispels the darkness.
Your wondrous love, it floods our soul.**

**1. You increase our faith;
Your healing flows through our veins.
Our trust in You is renewed,
Our confidence grows and grows and grows.
There's not a mountain too high, valley too low, river too wide,
Obstacle too big; for with You the victory is already won.**

**2. Your mercy & grace is ever present;
Forgiveness reigns, our strength is renewed.
Our love for You grows and grows;
There's not a problem You cannot solve.
To all the questions You have the answers
For with You the victory is already won.**

WHO IS MY JESUS?

La Ronda Powell, 2-19-2006;
DS, music, 3-4-2006

You ask, Who is my Jesus?

Lord, You are the one that I love;

The one my soul is full of.

You brought me out of anger, hatred and despair;

You set my feet on the heavenly stair.

I love to be in Your presence and see Your face.

What a lovely place.

.....

You ask, Who is our Jesus?

Lord, You are the one that we love;

You are the one our soul is full of.

You brought us out of anger, hatred and despair,

And set our feet on the heavenly stair.

We love to be in Your presence and see Your face.

What a lovely place.

THE WIND OF YOUR BREATH

12-16-2005

Lord, as we breathe in Your words,

Let us feel the wind of Your breath

Down deep within our soul.

For You are the answer for this body;

Above You there is no other.

Lord, as we seek Your face, 9-13-2006

Your glory shines and is so bright,

Its glow is so radiant.

Your eyes are the windows of Your heart.

They reveal a love like no other.

WINDS OF YOUR HOLY SPIRIT 6/23/2000

- 1. We call forth Your south wind,
Let it purify our very utmost part.
Every corner of our heart,
So our garden will bear fruit in its season.**

CHORUS

**You have called us for a purpose.
We ask that, "that work" be complete.
That it comes to pass, Your will and not our own.**

- 2. Let Your north wind blow upon us,
Let us breathe in Your Word.
The winds of Your treasure,
You cause the waters to flow.**

2nd CHORUS

**Send the winds of Your Holy Spirit.
Let them blow upon all of our souls.
Just like the day of Pentecost,
When they blew power from on high.
And they still blow power from on high.**

YOU ARE BRINGING US THROUGH 3/3/2001, 1st verse 3/9/2001

When You breathed into our life,

You knew what would happen.

You knew all the battles that we would fight on this earth.

You had a plan when Jesus came to earth on

"How to win this race."

Jesus, without sin, achieved this task; He fulfilled this plan.

CHORUS

You know all, You are God, You are mighty and true.

You are faithful, You are God, You are bringing us through.

2. God You are in our midst, with You we can make it.

Through our weakness You give us strength to carry on.

We don't want to take a step without You, Lord, by our side.

You are the one with the answers to "How to win this race."

When Satan comes against us,
To try and steal from us,
We will not budge.**

And we're not moved at what we see.
Our faith is in You, Jehovah Jireh.
You have given us the victory.**

- 2. When calamity comes our way
And tries to obscure our view,
We still trust in You.
We have the vision before us, that You have given us;
We are going forth.**

"You are our Lord, You are our Lord!"

YOU ARE THE LORD GOD OF HOSTS

Cassie Robinson, 1984

You are the Lord God of Hosts,

Mighty and true.

You are the Lamb of God,

Sacrificed for us.

We worship Your Majesty.

You set our spirit free.

YOUR GOLDEN WORDS

6-25-2004

It's Your anointing that convicts the heart of sin

And breaks the chains of bondage

And opens our heart to You.

Our ears are opened to hear the words

Spoken by Your precious Holy Spirit.

Those Golden words;

Most valuable, most precious, life giving words;

Your Golden Words.

Help us to take in, receive them, for they are;

Life giving, transforming, loving, giving us -

Wisdom, understanding and power to overcome.

It's Your anointing that prepares our heart to receive.

YOUR PEACE

5-4-07

Lord, You give peace in the midst of the battle.

It brings calmness when the sea is raging.

Your peace passes all understanding.

For Your peace soothes the troubled soul.

CHORUS

When Your peace floods our soul, our faith,

It is renewed and hope begins to grow.

09/80

YOUR RIVER

9/13/2000

**Down, down, down, from Your throne flows a river,
So fresh and full of life. We face the current,
Go to the source, of Your life giving water.**

...

**Help us hear the rumble of the waves,
Feel the strength of the current, and
See the magnificent power that flows from Your throne.**

...

**We come to Your River, Lord.
Fill our cup to overflowing with Your Holiness,
Your righteousness and Your purity,
That flows from Your throne.**

...

**We shout, "Great is the Holy One of Israel
Who is within our midst,
You're our refuge from the storm,
The shadow from the heat, the supplier of the water
That satisfies the thirst in our soul."**

YOUR SECRET PLACE 08/03/2005

**Almighty God, the Most High;
We desire to continually abide in
Your Secret Place,
Under Your shadow.
We declare You are our refuge,
You are our strength,
You are our joy, You are our hope,
You are our God.**

But they're pure and undefiled.
Oh, to know and to walk in them is our heart's desire.**

Your Word, oh Lord, is right.
And by it were the heavens made.
All Your works are done in truth.**

All Your ways are judgment.**

YOU'RE LIFTING US HIGHER

12-5-2003

CHORUS

Great and wonderful Savior, lover of our soul.

You have given us so much love & peace;

We love You so.

You have been (always been)

So good to us (exceptionally good);

You are lifting us higher than we have ever been.

We are so excited to be walking with You.

Our vision is becoming more clear to see

The path that we must travel.

Your light is so bright

And your truth is setting us free.

We rejoice, we rejoice, we rejoice and give You praise.

12/120

YOUR LIGHT IS SO BRIGHT

9-8-2007

Lord, Your light is so bright,

We are trying to see what man cannot see.

Put our hands above our eyes;

Focusing and looking beyond what man sees,

To what You have planned; seeing it come to pass.

Our heart is overwhelmed, excitement welling up.

There's never been anything so spectacular.

Your handywork - seeing it come together.

16/120

YOU'RE THE GIVER OF PEACE.... 11/24/2000

Though the storm rages all around us;

Turmoil, strife, on every hand.

We can walk on water,

If we keep our eyes focused on You.

CHORUS

You continue to never fail. Your arm is not short.

You make a way when there seems no way.

You're the giver of peace in the midst of the storm.

2. You reveal the mysteries of Your kingdom;

With Your wisdom, give the understanding.

You make it plain and straight.

To walk with You is to walk the high road.

3. You're equipping us to succeed in battle.

How to recognize Satan's devices.

We are taking ground, There's victory in our camp.

ZION

2/4/2000

There is a place, we choose to be;

For Lord it's Your dwelling place

And where You are we long to be.

Within the gates is so much light,

And truth does prevail; and our strength is renewed.

So let the rain fall, let it pour on us.

Holy Spirit, do the work that needs to be;

Send the fire and purify our soul,

Purge ev'ry sin and make us whole.

For within our heart, we want there to be

"Zion,"

Your place of truth and light.
