

## *The Old Must be Done Away With!* *Prophetic Insights - Spring Feasts*

The Lord has revealed that His Bride no longer has to observe the Spring Feasts by doing portrayals. Instead, we are to rest in them as the Bridegroom has already fulfilled these Spring Feast days! I will share the chain of events that brought this revelation through the Holy Spirit.

**On March 17, 2019** after talking about the Lord's calendar with the whole group, Roy and I were sitting down resting. Roy brought up the judgment question answers concerning if we were to celebrate first fruits or not. One of the answers dealt with "resisting the program." It suddenly struck me and I asked Roy, "What if we no longer have to celebrate first fruits because Yahushua fulfilled first fruits when HE was raised from the dead, along with the other Spring Feasts...."

The Spring Feasts are Passover, Unleavened Bread, First Fruits, and Pentecost (Feast of weeks, Shavuot). It sounded simple and would be "resisting the program" as people still honor and celebrate these spring feasts by doing portrayals, even though Yahushua has already fulfilled them. **Why would we as His Bride need to keep portraying something that was already fulfilled?** We only portray "what hasn't been fulfilled" to bring that certain portrayal into manifestation in the earth.

Since Yahushua has already fulfilled the spring feasts, we no longer need to keep them, but only keep the fall feasts using portrayals now. Why? Because they are still yet to be fulfilled by Yahushua in these last days. The Fall Feasts include Feast of Trumpets (Rosh HaShana), Day of Atonement (Yom Kippur), and Feast of Tabernacles (Succot). Honoring the fall feasts by portraying them with the correct acts would be "a release of our faith" in looking towards HIS coming and a loosening in a sense, in expectation of these events that HE will fulfill these feast days also in their proper times. Christ is the chief cornerstone.

I will share two dreams given by the Holy Spirit in the same night that confirmed the simplicity of this message.

### **March 18, 2019 - RS**

I was looking at a single pilot fighter jet. It had a woman pilot and one large bomb that was purple. (I think I first saw it as a popsicle.) This jet also had an arsenal of smaller weapons on board. I kept seeing this jet and at one point I was talking to someone about the smaller weaponry on board the plane. I was going through the weaponry and discarding the old weaponry, replacing it with new weaponry. I was saying, "We don't do this way any more, we do it this way," as I was presenting the new weaponry. The weaponry was all made of wood and the old I was throwing away was so old it had rotted. (*The new way is presented at the end of this writing.*)

### **Scene, March 18, 2019 - KE**

I was working in an office with a few other engineers. We were looking at a drawing I was holding. I saw this drawing had three pads built on top of each other, with the bottom pad underneath being the largest. I didn't see the whole drawing but only these pads, and I was looking at them on the drawing at the top left hand corner of all three pads. The bottom pad was a foundational pad made of concrete with the other two I saw built on top of this pad, each pad smaller in size as it went up. I pointed out something on the drawing pads to the engineers as we were talking and it seemed one of these pads was going to be removed, but not the foundational pad. This was related to a change in this pad's corner. As we talked, it seemed the pad on top of the foundation pad could be removed, but this depended on if a change happened in the top left corner, which I believe was the top left corner to the pad we were discussing to be removed. I understood the change I discussed with the engineers and walked back over to sit down at my desk to work. The change was simple.

The message from both dreams:

The woman in the fighter jet is the Bride. The purple bomb is the new revelation that has the Lord's "seal of approval on it (seeing the color purple signifies His seal of approval). The old weaponry that was rotted wood that was to be discarded is the Mechanics of what we have done in observing Spring Feasts. This weaponry is not used in the same way anymore and was being replaced or "removed." Wood represents ministry.

The pads in the second dream were all at the top left hand corners (representing the physical). The bottom pad was the foundation (Christ - the Rock - the Cornerstone) which cannot be changed. But that Cornerstone changes things in heaven and in the earth! The pad that would be removed because of a change in its corner are the spring feasts that have already been fulfilled by Yahushua. Why? Because the Cornerstone directly affected them and fulfilled them, thus changing the way we observe them. Here is the order of the three pads - the bottom concrete/foundation pad being Christ the Rock. The pad on top of it represents the spring feasts, and the pad on top of that one represents the fall feasts. Why this order? Because Yahweh does things orderly. Each is orderly laid, fulfilled, and are built on top of one another according to their fulfillments. Christ was before any feast day was ever given to mankind. The spring feasts come before the fall feasts. What Yahushua has done for us (the Cornerstone) has changed the way we, as His Bride, observe feast days. Here is what was given in our meetings that morning with the Lord.

### **Meeting 3/18/19 - RS**

Wash - *Shudder not / look to My purposes*

HP - *Don't keep My Kingdom from coming forth*

HH - *The old must be done away with / circumvent not this fact / take a deep breath and move forward - time - The Bride is responsible to Me and Me alone / are we not one?*

### **Meeting, March 18, 2019 - KE**

L - *Move with Me in My depths unafraid.*

HH - *Prophetic revelation. Accept it. It is as I say it is. Fear not rejection nor trouble from men. For I am your Redeemer. Move with Me in My depths, for much yet awaits. You are blessed, My Child, you are blessed. The three of you are blessed. Rock solid blessings. Blessings to many. My prophetic insights are blessings. Wear them as clothes over your body. I am lightening your burden, which the world has tried to give you. Rejoice, rejoice.*

### **More insight by the Holy Spirit in resting in Yahushua's finished work:**

**First** I will share a meeting where the Lord brought up how He is a finisher in all things.

### **Meeting, January 4, 2019 - KE**

HH - *....Everything I do is for good, meaning it is a finished product of My will. Understand. When I created creation, it was finished. When I laid the foundations, they were finished. When I died on the cross I said, "It is finished." I finish and complete.*

John 19:30, *When Jesus therefore had received the vinegar, he said, It is finished: and he bowed his head, and gave up the ghost.*

**If someone rests from their works, that is the indicator that the product that was designed or built is finished!** We see Yahweh did this very thing after He created creation,

*Genesis 2: 1-2, Thus the heavens and the earth were finished, and all the host of them. And on the seventh day God ended His work which He had made; and he rested on the seventh day from all his work which he had made."*

We, as His Children and born again by His Spirit, do enter His rest always, **signifying the finished work of HIS hands and the finished product of His will**. Yahushua has paid for us on the cross. It is an act of our faith mixed with hope that we enter into Yahweh's finished work that has already been eternally completed and finished by His own will. The Apostle Paul also wrote on this matter in *Hebrews 4: 2-4, 2. For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it. 3. For we which have believed do enter into rest, as he said, As I have sworn in my wrath, if*

*they shall enter into my rest: although the works were finished from the foundation of the world.  
4. For he spake in a certain place of the seventh day on this wise, And God did rest the seventh day from all his works.*

For something to be built, a foundation has to be laid for that certain work to be built upon. That foundation is Yahushua who is the foundation of all things. We also now enter into His (Yahushua's) rest in the completed work He accomplished in fulfilling the spring feasts.

**Note:** In RS' dream it was revealed ..... "I was saying, "We don't do this way any more, we do it this way," as I was presenting the new weaponry. **For "Feast days"** we have used the same meeting format as we use for celebrating Sabbaths. Sabbath meetings have 30 minutes of silence, the sending forth of the single cup, all warfare for the Lord and the Lord is in charge!

Example of a Sabbath Meeting
