... Then I heard, “There was a time you cared deeply about the United States.” I said in my mind, “Yes, Lord.” **Hold the flag tight against your chest and count to one hundred.** (did, emotional again.) **Wipe your tears on the flag.** (did) Time passed and I looked down at the flag and knew it needed to be tied with two white ribbons with bows on two white stripes. I saw where they went. I also was told to put the flag on the shelves behind the **Lamp-stands**. Time passed, still having tears - was now waiting for the thirty minutes to be finished. I looked at the time with about two minutes left. **Wipe your tears on the flag and leave it between the Lamp-stands.** I knew we had to leave for a while. Thirty minutes was up. I then stood, turned around and placed the Flag of the United States on the love seat between the **Lamp-stands**. We both left the room. (The flag now rests in the shelves behind the **Lamp-stands** as the Lord instructed.)

Meeting 8-21-2017

When I went into the HP I heard, "**By faith, well done.**" (I had gone back to the Laver to do something I had forgotten to do, something I had been struggling on how to do.)

HH - I was looking at the **Lamp-stands** and heard, "**Bring the Lamp-stands together for ignition.**" Then I saw them tilted together until the top corners of the Lamp shades met. I made a picture for Faith so she would understand what we were to do. (Proceeded)

Lord, we bring together Your Lamp-stands according to Your will / With the authority that is in the Name Jesus we allow the ignition the Lord Jesus desires to ignite according to His plan / sat down to record what had happened, heard, "Be it so, be it so." Meeting 9-14-2017

HH, standing - **Look at the Lamp-stands** / I wondered what the LORD was going to have us do. My focus came to be on the light inside the shades and how intense it was. Time passed and we finally sat down for me to become focused on the intense light inside the shades in the bottom. I had never thought about us being able to see into the shades from the top when standing and from the bottom when sitting. **Wither not / stay focused on Me / be like the Lamp-stands** / the light of truth is always on in you / go forward with vigor as you have instructed the High Praises to do, as you have instructed the Hosts to do, as you have instructed the Angels to do / be an example / remember, eyes on Me and My purposes / you may go

Meeting 9-29-2017

HP - **the Lamp-stands** / **dance before them / rejoice** We danced and rejoiced with joy, declaring and praying in the Spirit quite a bit because I had no real instructions as to what to be saying as we did this I began wondering when to quit when out of my mouth came / **Your plan Father / there is none other** / It was amazing that at the end of saying this we both turned, coming to a stop, both facing the **Lamp-stands**. The timing was impeccable, the stoping at the end of the word "**other**" being spoken. We stood in silence until I heard, "**It is enough.**"

Wrote it out for Faith / Proclamation - *Great is our mighty GOD, Emmanuel, King of Kings, who rules the world!* 3X) We finished, but I remembered the LORD had instructed us to declare with Joy, that there was power in it. I told Faith I didn't think we did that. We stood, I raised my right hand and said with joy while turning a little, "*Hallelujah, Great is our mighty GOD / Emmanuel, King of Kings, who rules the world.*" I doubled over in very hard Travail, hardly able to motion to Faith to keep declaring. The Travail finally quit and I stood back up. I was weakened and sat down. I soon began uncontrollable weeping, tears flowing I could not stop. The weeping finally subsided but wasn't completely gone. **My prophet, My Prophet, My prophet / all is well / trust, listen / trust, listen, trust / Teary eyed, my eyes started burning, it was the tears burning, burning, burning. You have seen much / proclaim / expose / bring forth / a path is made / believe it / rest assured / prophetic, yes / prophetic tones / strongly said - 'I change not' / mankind doesn't know / My church doesn't know / let the sounds begin / I began weeping again to have it subside. Mercy Seat**30 minutes of silence, April 25, 2019 -KE**

I say unto you, **this is a mercy seat**. Understand what I am telling you and the significance of what I have just said....

Roy, Faith, and I have always done our 30 minutes of silence on the loveseat that is positioned between the two Lamp-stands in their living room. When the Lord said this to me it made so much sense. I began to think back on how the Lord calling this loveseat a mercy seat between these two Lamp-stands is similar to the mercy seat built and placed in the old tabernacle that had two cherubim on each side. I thought about how the Lord told me back in 2017 to come to Kansas and abide between the **Lamp-stands** for six days, before I ever moved back here. The Lord has recently dealt with me a lot about His mercy, and this word He gave just opened up a lot bigger picture and significance! King Yahushua/Jesus, help me to absorb, understand, and realize the significance of what You have said to me concerning the loveseat between the two **Lamp-stands** being a mercy seat!

God establishes His symbolic Mercy Seat!

Meeting 6-5-2018

30 minutes towards the end - my eyes became fixed on the SHOFAR. **Blow the SHOFAR twelve times / My government** (I knew it was from between the **Lamp-stands**, blowing out - did)

12 is the number of **government**.

Sabbath Meeting 6-11-2019

Meeting 8-30-2019

HH - I started hearing the Star Bangled Banner. Basically all of it until it came to "**the flag was still there.**" It ended. / **it's time / take the flag and place it between the Lamp-stands for 30 minutes / go about your day / replace it to the shelves / soberly do these things.**

I was sitting waiting for Kyle to finish and remembered the Lord had told me in a past meeting to take my wife's hand. I reached to my left and took her hand. As soon as we were holding hands, instantly I started hearing, "**call forth youth, call forth youth, call for youth, call forth youth, youth, youth, youth, call forth youth....**" over and over "**Sit between the Lamp-stands for five minutes.**" did / ILAA&I with A of Y(J)N what just happened.
