

Woe To Those With Fat Lips...

On **October 31, 2010**, I awoke thinking about some unsolicited e-mails sent to me by some people who are generally predicting when events are going to happen and that the Lord is coming. Suddenly in a vision I saw the distorted head of a man who was very distraught, in anguish, with himself. His mouth was overly wide and his lips fat from much flesh. Inside his mouth was darkness and he had no teeth. I saw no tongue. He was saying, "I thought I had it figured out. I thought I knew the way."

I then heard the Lord saying, "**Woe to those with wide mouths and fat lips, who speak darkness to My people. Drink of My wine and learn My ways, for I am the Way. Then you will have lips that are fine and narrow mouths full of light.**"

The Lord reminded me of the following part of *Uncharted Waters*:

"...Can you hear? Am I not God? I say, 'Come.' I call you to My ways and My calendar of events. The church in the world has its calendar and I have Mine. Some have made their calendar from My Word, yet they err. Even those whom I have gifted have their own calendar but I am the Lord and I have Mine. I reveal My calendar step by step. Those who learn My ways, and find My calendar, shall ride the wings of a bird in flight into victory with Me. I have designed the Way. It is Me, it is Truth, it is Love, it is My pattern, it has My purpose. Know, My calendar stands. Time is short. 'Come forth, Bride!'..."

After this experience the Lord let me know that He wanted me to expound on the situation. First of all we need to recognize that the Lord is upset at well meaning people who speak darkness to His people. "**Woe to those with wide mouths and fat lips, who speak darkness to My people.**" The Lord then gives the remedy, "**Drink of My wine and learn My ways, for I am the Way.**" The Lord then brings up a portion of *Uncharted Waters* for further clarification.

The Bible warns of false prophets among true prophets. It also warns of prophets who follow after their own spirits:

Ezekiel 13:3

Thus said the Lord GOD; Woe to the foolish prophets, that follow their own spirit, and have seen nothing!

To prophesy is to predict and we have people predicting through study without seeing anything. We certainly have a picture of all of this being produced in this day in the church. We also have a situation much like what surrounded Y2K. We had prophets, some well-known, telling people what to do, and they missed it. Afterwards, they usually came up with some lame excuse. Part of this problem comes from not knowing God's ways. "**Drink of My wine and learn My ways...**"

(Concerning Y2K, we had people calling us asking us if the Lord had revealed anything to us. I told them He had said to just keep our eyes on Him. This turned out to be correct.)

Yes, the Lord is coming. He has told us here at *Take His Heart* He is coming and **to announce it.** He has revealed it is the season of His coming. He has not told us when he is coming, but there are still people who are trying to figure it all out and missing what God wants. The vision that triggered this article is an example of that situation. The question I have for these people is this, "Why do you think you could figure out something that Jesus Christ doesn't know Himself." The following scriptures talk about the Lord's coming and the catching away:

Mark 13: 21 - 37

And then if any man shall say to you, See, here is Christ; or, see, he is there; believe him not: For false Christs and false prophets shall rise, and shall show signs and wonders, to seduce, if it were possible, even the elect. But take you heed: behold, I have foretold you all things. But in those days, after that tribulation, the sun shall be darkened, and the moon shall not give her light, And the stars of heaven shall fall, and the powers that are in heaven shall be shaken. And then shall they see the Son of man coming in the clouds with great power and glory. And then shall he send his angels, and shall gather

together his elect from the four winds, from the uttermost part of the earth to the uttermost part of heaven. (the catching away) Now learn a parable of the fig tree; When her branch is yet tender, and puts forth leaves, you know that summer (the season) is near: So you in like manner, when you shall see these things come to pass, know that it is near, even at the doors. Truly I say to you, that this generation shall not pass, till all these things be done. Heaven and earth shall pass away: but my words shall not pass away. But of that day and that hour knows no man, no, not the angels which are in heaven, neither the Son, but the Father. (What I have underlined is not about heaven and earth passing away, but about what the Lord is speaking about His coming.) Take you heed, watch and pray: for you know not when the time is. For the Son of Man is as a man taking a far journey, who left his house, and gave authority to his servants, and to every man his work, (Read what the Lord revealed about being focused on the rapture being wrong to understand “every man his work,”) and commanded the porter (true watchman, true prophets) to watch. Watch you therefore: for you know not when the master of the house comes, at even, or at midnight, or at the cock-crowing, or in the morning: Lest coming suddenly he find you sleeping. And what I say to you I say to all, Watch.

There are those who claim to be watchmen who are not watchmen! The Lord has not commanded them to watch. There are those who are watchmen, but have not learned the Lords ways so they fall into error. In what the Lord established for this article we see what a watchman in error must do. The Lord said, “Drink of My wine and learn My ways, for I am the Way.”

If the Lord has told you that you are a watchman, has He revealed what kind of watchman you are? Are you a watchman for a prayer group, for a church, or for the world?

A watchman on a wall reports what he sees and only what the Lord tells him to say. Nothing more. There are many watchmen who are affected by the Python spirit, unknown to them! Some visions are from Python! Some people have actually seen or heard from God, but Python interprets through them rather than letting God reveal interpretations and what to say, if anything. (We must remember that His thoughts are not our thoughts, so how could we put things together correctly with our minds without His direction and help?) Python loves to tell people what to do. Sometimes we must wait on God. It's just, "The vision will speak for itself:"

Habakkuk 2:3

For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.

There are a few people trying to establish God's calendar through study. We need to look at what God said in Uncharted Waters:

“...Some have made their calendar from My Word, yet they err. Even those whom I have gifted have their own calendar but I am the Lord and I have Mine. I reveal My calendar step by step. Those who learn My ways,....”

The Lord has always revealed His calendar step-by-step, read the Bible! The battle of Jericho is a good example. We need to understand that the spotless bride will know what is really going on more than anyone else because she has learned the Lord's ways and found His calendar.

“...Those who learn My ways, and find My calendar, shall ride the wings of a bird in flight into victory with Me. I have designed the Way. It is Me, it is Truth, it is Love, it is My pattern, it has My purpose. Know, My calendar stands. Time is short. 'Come forth, Bride!'....”

The Lord says, “come forth Bride!”.... The Lord says He reveals His calendar step-by-step, a parallel picture to how the Holy Spirit teaches and guides, here little and there a little. As an example, recently the Lord revealed to us that there's going to be a catastrophe in the USA, that we were to prepare for it! Sometime before that the Lord had revealed things are going to get tough! Do these “things of the Spirit” mean we need to gather food? What are we to do? Does it mean we are to prepare the site for a great influx of visitors? Could be!

Shortly after this information was given to us the Lord showed me that **the church is not ready to take in a harvest**. Putting what the Lord showed me together with a great catastrophe gives a different picture of greater value and purpose than just saving up food.

Does the church understand that in these *End Time* calamities the Lord wants to take in a harvest? I was shown in the scene the church in the world doesn't have the **correct mechanics of how to take in a harvest!** Are you ready to fly on the wings of a bird with the Lord into victory, as He revealed? The church in the world in its present condition is going to miss its calling unless it finds the Lord's calendar and comes to understand His ways. (If your focus is on rapture, [read](#) *God Deals With Rapture Doctrines* to help get your focus right.)

The church needs to bring itself into order with the help of the Lord and stop Python in its midst ([Boot Camp](#)). It needs to muzzle false watchmen so it can function correctly, according to the Lord's plan. Do you understand that these false watchmen who have broad lips and darkness in their mouths **are actually hindering the Lord**? In a recent meeting the Lord was correcting some of what we were doing in a *Golden Meeting* and He said, "**Don't hinder Me!**" It is the Lord's battle and plan. We must follow as children into that battle with His plan.

If we are focused on figuring out timings or when something might happen, we cannot be focused on what the Lord is doing. If we don't know what He is specifically doing then we are in danger of hindering Him and His plans! A false prediction brings confusion and destroys faith in the body of Christ, especially in baby Christians, when it doesn't come to pass! So we can see why the Lord says to those who are generally predicting when events are going to happen and that the Lord is coming during a specific window of time, "**Woe to those with wide mouths and fat lips, who speak darkness to My people. Drink of My wine and learn My ways, for I am the Way. Then you will have lips that are fine and narrow mouths full of light.**"

I hope everyone can hear:

"...Can you hear? Am I not God? I say, 'Come.' I call you to My ways and My calendar of events. The church in the world has its calendar and I have Mine. Some have made their calendar from My Word, yet they err. Even those whom I have gifted have their own calendar but I am the Lord and I have Mine. I reveal My calendar step by step. Those who learn My ways, and find My calendar, shall ride the wings of a bird in flight into victory with Me. I have designed the Way. It is Me, it is Truth, it is Love, it is My pattern, it has My purpose. Know, My calendar stands. Time is short. 'Come forth, Bride!'...."

I also hope everyone can hear: "**Woe to those with wide mouths....**"
