3:10 Entered into silence

3:12 (I saw a whirling coil like is used to represent a hurricane. It was grayish in color and the last of the coil went up on the right side of it.)

3:16 (My vision was all red. What looked like might have been a couple of buildings were a darker red and the rest of my vision was a lighter red.) **Flames of truth, you were seeing flames of truth**

3:19 (My vision was red again with the left side looking like the buildings were beginning to slide out of their former shapes.)

3:21 (I saw the same scene with the darker part looking like it may be crumbling.) **molten, molten, molten**

3:23 (My eyes did the “eye thing” for what seemed to be maybe a couple of minutes.) **houses of evil crumbling, houses of evil crumbling making way for My truth; My truth shall stand in Washington D.C.**

3:26 **the lighter red on the right showed My commitment usurping the evil houses; Halleluyah**

3:28 **be assured, be assured, be assured, My Children**

after the 30 minutes: I read through what He gave and when I read, **“My truth shall stand in Washington D.C.”** I closed my eyes and red flooded down from the top of my vision to the bottom. **complete**
