Presentation of the Red Words from the Lord:

Time / Timing

- My Children, you MUST pay attention to My Timing
- it is so very much more vital than you are aware
- grasp the fact that absolutely all things are affected by Time, My Time
- My Children, you must make allowances for the Time factor in all you think, say ,and do
- you must be aware of how vitally important Timing is in these matters
- you must also be aware the enemy has timing, ill-timing in their plans toward Us
- a major part of their plans is to skew Our Plans by skewing Our Time
- this We must not allow, but first you must be aware of their plans to skew Our Time
- they consider it a victory if they can throw Our Time off by only mere seconds
- My Children, watch Our Time for things must be done on Time, not early nor late
- comprehend that close is NOT good enough
- thinking that good enough is acceptable is enemy thinking, not Mine
- My Children, it is Time you be specific with all Our Timing
- you can, you can, you can, know you can for I know you can and are most able
- Halleluyah
