

Lesson 171 Child's of God

Every person walks a unique path. No two paths are alike. No two journeys are the same. Be understanding, therefore of your brethren, for only I know their heart and what they have gone through to get them to where they are right now. Do not judge according to appearance but make righteous judgments instead. Be not critical, but be honest, delivering the truth in love. Walk in love and righteousness. Follow My example, I did not condemn the adulterous woman, I simply instructed her to go and sin no more; therefore, do not condemn your fellow man. Be an encourager. Be an up-lifter. Let them know they were created with a purpose. Let them know that they are a child of God. Walk in this and I will be well pleased. That is all for now, go in peace.

Introduction

Today's lesson is about following the example of Christ by recognizing your fellow man as a child of God. What this does is teach you to place value in others. It teaches you to follow the example of Christ by walking in love and righteousness. And it teaches you that we are all His. Through the bible we have been taught:

John 13:34-35 *"A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another. By this all people will know that you are my disciples, if you have love for one another."*

1 John 4:8 *Anyone who does not love does not know God, because God is love.*

What the above verses teach us is to place value on others. They teach us to move forward in love as His disciple because God is love. And through the Rhema word He continues delivering this message:

01/06/14 - Relinquish your will to Me. Do it voluntarily and from your whole heart. Follow after Me and My will. Be ye therefore transformed into the person I would have you be. Be ye holy as I am holy. Be ye perfected. Follow after truth, justice, mercy and sacrifice but most importantly love. In other words be righteous, walk in righteousness. Live My example. This is how it should be for you.

03/25/14 - Humble be with all/ Show My love through you, let it be felt/ Always speak My truth even when it offends/ The spoken truth is love.

03/26/14 - Walk in beauty. Beautiful fragrance be. Give hope be kind. The love of your God Jesus spread abroad.

03/29/14 - Give peace and love. In this I will be well pleased.

03/30/14 - Come to Me My son/ Seek Me for more/ I have need of you (saw people reaching out with their arms) Reach them My child/ Reach them with My gospel, My truth, My true message.

04/01/14 - Remember to love and serve.

His instruction is clear. We are to love one another. And we are to give peace of mind. Hence, we will move forward in today's word delving deeper into the elements of this message.

A Unique Path

Through the introduction section of the lesson we learned that we are to reach out to others and share the love of the Lord with them. In this section we will be examining the Lord's opening statement for this message where He said:

Every person walks a unique path. No two paths are alike. No two journeys are the same. Be understanding, therefore of your brethren, for only I know their heart and what they have gone through to get them to where they are right now.

What these words tell us is that no two of us are alike. We all walk on our own unique path but the Lord knows each one of us.

04/07/14 - Like I know the stars in the sky...I know you, My plan for you is perfect...specially designed for you, Walk the path I have set before you.

04/08/14 - Have faith in the path that I have set you on, Be righteous...righteous acts and decisions, Trust in My heart and My love for you, all will be well, Have a blessed day, Go in peace.

What, I believe, that the Lord is teaching us here is that we all have had varying degrees of success and failure and individual experiences that have molded us into the persons we are today. Only the Lord knows how each person has been affected by the road they have traveled. Only the Lord knows, what has occurred in their lives **to get them to where they are right now.** And only the Lord can know what's in each heart. We

cannot, therefore, we are not to assume or jump to any conclusions about others. And we are to realize that:

01/07/14 - Some may have started their journey earlier...or later...but each will end up in the same place through obedience to Me, How long they have been obedient is not important, What is important is whether they are obedient to Me now.

So no matter where they are on their journey at this moment in time, we are to be understanding, helpful, and we are to:

02/23/14 - Soothe with My balm; cherish each of My children; show them My Ways.

Basically, we are to let them know that each has a:

03/27/14 - Chosen purpose. I have ordained each for purpose. Attributes are clearly seen. Follow path chosen.

I think what the Lord would like for us to take from this section is that each one of us is unique. All of our life experiences have helped to shape us into becoming who we are today. They have helped to get us to where we are right now. Only the Lord can know what's in each heart. He knows this now, just as He knew you then, before you were formed.

Psalm 139:13-14 *For you formed my inward parts; you covered me in my mother's womb. I will praise you for I am fearfully and wonderfully made; marvelous are Your works and that my soul knows very well.*

And since we cannot fully know what's in another's heart or what they have experienced in the past; since we cannot know this, then we are to cut them some slack so to speak, in other words we should be just as understanding of others as you would like for them to be understanding of you. We are all unique and special. We are all a creation of the Lord. Each has a purpose and each is to be valued.

Righteous Judgments

What this lesson is teaching us is how to treat others. And the lesson continues through this:

Do not judge according to appearance but make righteous judgments instead. Be not critical, but be honest, delivering the truth in love.

The Lord has taught us about righteous judgments on the Take His Heart website as noted below:

So many times we judge by the appearance without the truth revealed by the Spirit of God. Jesus spoke about this when he said,

John 7:24

Judge not according to the appearance, but judge righteous judgment.

We must realize that a righteous judgment comes only when God has revealed the truth of the situation or when we have **all the information** concerning a situation. Without the Spirit of God we usually judge by present or past appearances. That's just the way it is. Actually, without being trained by God we can judge no one, because **we don't know what has happened in their lives to make them the way they are**. Some people judge by the color of skin or by the nationality just because of a bad experience with one of that color or nationality. This is judging by appearance, exactly what Jesus said not to do.

So what the Lord is telling us is that we are not to jump to conclusions. We are to allow the Lord to guide us, appreciating the fact that the other person we are dealing with, they are a creation of the Lord. We are to be honest and truthful but not critical, delivering His message in love of which He added :

01/08/14 - In due time, in due season, it will come to pass, all that you can envision, but for now, there is work to do. Endeavor to persevere. Keep at it. You will touch the lives of many. There are still souls to be won. There are still hearts to be thawed and then warmed. Therefore, be the person I created you to be, give rest, touch them with your love, compassion and understanding, never critical but honest all the same.

03/04/14 - Love and truth are positive not negative and they are connected to one another. Correction is not critical, it is merely truth. It, therefore, is a positive act of love. Do not become disheartened. I AM with you. I will help you even in this and yes, you may make more mistakes of this same kind, but growth must be walked out each day for improvement to occur. If you don't step out in faith (faith of My help and faith of your growth) then you stagnate. Therefore, step out in faith knowing that I AM with you to help you even in this.

04/07/14 - Besmirch not.

And from the two listeners:

March 31st God Calling - I am your Lord, gracious and loving. Rest in My Love, walk in My ways. Each week is a week of progress, steady progress upward. You may not see it,

but I do. I judge not by outward appearances, I judge the heart, and I see in both your hearts one single desire, to do My Will.

The Lord our God, He said,

03/29/14 - I AM not a critical God. I AM a God of truth.

His truth will:

04/01/14 - Truth will set captives free. Always speak the truth of your God Jesus. My ways are not mans ways. Spiritual focus.

Remember, today's lesson is about following the example of Christ by recognizing your fellow man as a child of God. It's about recognizing each as a unique individual, created by God with a purpose. We are to walk in righteous judgment delivering His truth in love.

Follow My Example

In the last section of the lesson we learned about applying righteous judgment and delivering the truth through love. The next element we will talk about in today's lesson comes in this:

Walk in love and righteousness. Follow My example, I did not condemn the adulterous woman, I simply instructed her to go and sin no more; therefore, do not condemn your fellow man.

From this passage you can see the direction that the Lord is stirring us towards here today. He is encouraging us to follow His example by walking in love and righteousness, thereby eliminating any sense of condemnation we might have from our walk. I think this was the point of His making sure that we are aware of each person's uniqueness and of their individual walks.

What He is teaching us here is that He did not condemn and neither should we. Only He knows their heart and what they have gone through to get them to where they are right now. To the two listeners He said,

April 13th God Calling - Be gentle with all. Try to see the heart I see, to know the pain and difficulty of the other life, that I know. Try, before you interview anyone, or speak to anyone, to ask Me to act as interpreter between you two.

Ask the Lord to help you be understanding and to touch others with love. And remember He does not want you to have any condemnation within yourself:

11/13/13 - Watch how you walk. Every step you take has a reward or a judgment. Every word you speak can bring condemnation, love, confusion or bewilderment. Your tone, your look, your acts – everything hinges on Me.

12/05/13 - Shine brightly, No condemnation from Me...so no condemnation from you.

02/12/14 - Speak the truth with much boldness, much assurance knowing you got it from Me/ Argue not present truth and move on/ Truth is in love, inseparable/ To speak My truth is to show love/ Condemn not, do all things orderly.

04/01/14 - The word of the Lord is powerful. There is life in it. You should never underestimate the value of it. Study all that He gives. Read the word. Hold it dear in your heart. All His words are for your life, for health, and growth, for education and enlightenment. They give you knowledge and wisdom. They create because they have power. Likewise, the words you choose, these have power too. They create. They breathe life into others or a sense of defeat. Therefore, you must choose your words wisely.

04/07/14 - Help each other.

04/09/14 - Love thy neighbor as yourself/ Love will not injure, hurt, criticize, endanger another/ Walk in perfected love.

Therefore, our exchanges with others should be helpful, our words should be chosen wisely, our tones, our facial expressions, all should be full of love:

April 16th God Calling - Love, love, love. Tender Love is the secret. Love those you are training, love those who work with you, love those who serve you.

Dwell on that thought -- God is Love. Link it up with My "I and my Father are one." Dwell on My actions on earth. See in them Love in operation.

If it was God who so acted, then it was Love, Perfect Love, performed those actions, those wonders. Then you, too, must put Love (God) into action in your lives. Perfect Love means perfect forgiveness. Lo, my children, you see that where God is there can be no lack of forgiveness, for that is really lack of love.

God is Love . . . no judging.

God is Love . . . no resentment.

God is Love . . . all patience.

God is Love . . . all power.

God is Love . . . all supply.

All you need to have is love to God and man. Love to God ensures obedience to every wish, every command. Love is the fulfilling of all law. Pray much for love.

04/02/14 - Learn My ways, walk in them. Make the conscious decision to be mine in all that you do. Follow My example.

04/03/14 - Lovers of self will abound. Materialism. Do not member among them. Walk in Me. Stay with Me, in My shadow.

04/06/14 - Spread My love, give people understanding of the walk I would have them take. Care for others, put thought into your actions. Never forget that you are My Representatives on earth. Therefore, be holy, be pure, be loving. Walk the fine line into perfection.

04/08/14 - Be filled with life, My life. Look at each day as a new day, a fresh start, an opportunity to serve Me. Love and serve each other. There is no greater command, save Love your Father, who is in heaven, with all your heart, all your mind, and all your soul. Walk these out and all will be well with you. Take My peace and go.

What the Lord is teaching us here is that we are to walk in the Lord's ways and that is, we are to walk in love, with no condemnation but instead are to replace it with a true genuine care for others and their success with Him.

A Child of God

In the last section of the lesson we learned about walking in love and caring for others by following the Lord's example. Our next element comes through these words:

Be an encourager. Be an up-lifter.

So what He is saying here is don't condemn, encourage. Don't condemn, up-lift.

02/22/14 - Encourage others to continue forward... Instruct your family of My ways this will change their lives if they will listen/ I am moving as never before and desire all who would follow Me/ I will in no way reject any who come to Me.

03/17/14 - Uplifting words of encouragement should be spoken often.

03/19/14 - Encouragers will be encouraged.

03/21/14 - Always be there ... to encourage.

04/04/14 - Minister and Bless; Minister and Bless.

04/06/14 - encourage one another.

04/06/14 - Prepare them for My coming; give them hope.

What these words are telling us to do is be a help to others; boost them, restore them, inspire them. To the two listeners the Lord said,

October 15th God Calling Eventide - Always before My coming into a life there must be a time of preparation. This is the work of those who already know Me.

The preparation may differ in each individual case. The Baptist came with his thunder-note of repentance!

In many cases a loving hand of help may be needed before the ground is ready for Me, The Sower.

Prepare My Way -- by loving intercourse, by Spirit-led example, by tender help, by unflinching adherence to Truth and Justice, by ready self-sacrifice, and by much prayer. Prepare ye the Way of the Lord.

Did you see how so many of today's elements were brought together in this God Calling Eventide devotional when He spoke of truth, love, and helping others? Basically, He said that we were to help prepare them but the preparation may differ for each as every person is an individual. And next He said that we then are to:

Let them know they were created with a purpose. Let them know that they are a child of God. Walk in this and I will be well pleased.

Therefore He is calling you to:

03/16/14 - Come to Me My son/ Seek Me for more/ I have need of you (saw people reaching out with their arms) Reach them My child/ Reach them with My gospel, My truth, My true message.

And let them know that:

04/01/14 - You have been selected for this time; the purpose of this time;

04/04/14 - Fitly nit together in your God Jesus. Each function has purpose. United together one in your God Jesus. I have ordained each. Time of fulfillment is now. Each to walk in your calling. Attributes see understand. Clearly seen clearly written. It is as it shall be.

04/05/14 - I AM guiding and directing. Chosen path for each.

04/05/14 - I have chosen ones / I have always had chosen ones / look in your Bibles / each with a particular job / particular position / I have given everyone authority in their position / recognize / recognize.

Each one of us is unique and special. We have all been affected by the course of our lives. Some have had pain and tragedy, and some have had success, while others have had failures but we are all God's children. We have all been chosen. We each have a purpose. No matter where we are on our road, we still need to be ready to **Be an encourager** and to **Be an up-lifter**, this is the Lord instruction for us.

Summation

Today's message was delivered through these words:

Every person walks a unique path. No two paths are alike. No two journeys are the same. Be understanding, therefore of your brethren, for only I know their heart and what they have gone through to get them to where they are right now. Do not judge according to appearance but make righteous judgments instead. Be not critical, but be honest, delivering the truth in love. Walk in love and righteousness. Follow My example, I did not condemn the adulterous woman, I simply instructed her to go and sin no more; therefore, do not condemn your fellow man. Be an encourager. Be an up-lifter. Let them know they were created with a purpose. Let them know that they are a child of God. Walk in this and I will be well pleased. That is all for now, go in peace.

Today's message was clear and straight-forward. It is to be applied to our lives. We are to follow the Lord's example, not condemning but up-lifting, encouraging through love letting each person know that they are a unique creation of the Lord made with purpose. The Lord added to this message through this:

01/23/14 - I am not being critical / I speak truth / learn, My people! / it is a must / walk in My ways / walk with Me / I am calling / it is bootcamp / step into My ways / I am waiting.

03/17/14 - Watch Me work in each of you. Yield yourselves to Me. Let My Will prevail. My Bride will manifest in the Earth. She is coming forth now. She will grow into full stature and take Her place with Me. She is mine, stay yielded to Me, keep self out, there is no self in silence. (I Saw a bright light coming forth into a dark earth. I knew it was the Bride coming into the world.) She is Mine. She is beautiful. All of heaven rejoices at the manifestation. Let My peace be with you. Move forward on the path I have chosen for you. Know that I have planned every step and victory awaits you at the end of My path. Stay yielded to Me. Stay on your path. Look to Me always. I will keep you on your path, rest assured.

04/04/14 - I AM unbiased. I don't make comparisons. You don't need to either. Don't try to measure (compare) yourself to others. They are on a different path from you, therefore, I lead them in different areas, different directions from you. Remember the bible verse that teaches you that there is no respect of persons (Romans 2:11 For there is no respect of persons with God), that means that I don't show partiality. I love you all the same. You are My children. All you need to do is seek My guidance for each day and

then move forward in that. Meet with Me, that we may move forward together, of one accord. In this I will be well pleased. That is all for now, go in peace.

May the Lord Bless you in this,

Cindy
