

RED WORDS 2009 (second)

1-2-09 Oasis

"Come Forth, Bride!" On WE STILL KNOW YOU ARE THERE, saw a folded clock. It was large, round & had a blue boarder with a black background. There was a bright light coming through the numbers & moving through space towards us. During communion, "It's YOUR time, LORD." It was like they were holding something that wasn't visible but knew it was there, 24x24x12-18." "Challenges coming." Freedom & Victory are bursting forth - into our very soul. The three meetings being together = the length.

1-4-09 Church/Ministry Meeting

Oh to walk in YOUR Spirit, never to waver again.. (LORD, INFILL US WITH YOUR HOLY SPIRIT) LORD, YOU ARE HOLY; RIVER OF LIFE & Spring up O well.. (There's A River of Life) Glory hallelujah.. (ONCE AGAIN WE RETURN) "compatible" "be ye compatible" Prayed; anything else? "chart, chart, chart" Anything else? "Whining must stop. I am tired of it." Anything else? "over comers you will be" Prayed; anything else? "Jiffy" What about jiffy? "sooner than you think" What are YOUR instructions? "counterattack" Anything else about counterattack? "do it" Repented of the whining. Being fitly joined - one in purpose, thought, & deed & headed to the same goal. It is our responsibility to come to the River (FC). We come with a submissive & broken heart. Saw a bright light on a wood laminate floor & saw table legs. In the middle of that bright light was a puzzle piece, upside down. While whining was prayed about saw the same scene flash quickly & the puzzle piece was right side up. Today a counter attack on Python.

Port Corban PA - Keep our eyes on the FC all of the time. GOD can't fix rebellion; HE fixes mistakes.

1-7-09 Prayer

"joy." "unashamed" Anything else? "magnanimous" HE showed, "It must be true." "multifaceted" saw a big ball-like thing. "Look into the purity." HE showed it beginning to

diminish. If we don't operate & understand the joy of it, "that our joy may be full." We keep it full with the true purity of it. Saw "many," many words about joy tonight. Yes, FATHER, we thank YOU that YOUR joy is our strength. HE said, "There is no sadness in MY joy." FATHER, we look deep into YOUR gem of joy to see the purity of it. HE said, "You'll be aghast at the amount." WE need to lift this gem to YOU. The joy is pouring off of it for all who'll partake. This body partakes. HE says, "It contains showers of blessings." Yes, LORD, YOUR truth. Sees, "high praise." We return what is YOURS, so it can speak. Oh yes, FATHER, the full purity. HE said, "Absorb it, the truth & purity of your joy." FATHER, in the Name of JESUS, we are willing & I gladly take YOUR joy deep into our spirit man, and corporately we take YOUR joy deep within the spirit man of this body. All agreed. HE said, "It's so we will come to understand fully the term of 'over joyed.'" Thank YOU, FATHER, we are the over joyed ones. Keeps hearing the song, "We bring sacrifice of praise.." While we were singing they saw us linked together (in a tight circle) with our arms connected on each other's shoulders, moving left. Did so. HE said, "Beauty in unity; that's one of the facets." Help us, FATHER, to receive each & every one of them. Sees them glowing red. Thank YOU, FATHER, for the joy! Each facet was clear but it was rimmed in this beautiful red, radiating glow. HE said, "Truth is beauty." HE said, "Come, MY little ones, I will lead you in." Sees, "wisdom." HE said, "One of the facets is wisdom. No one has comprehended what wisdom truly is." HE said, "You must operate in the fullness of it." Yes, LORD, be it as YOU deem. HE said, "It's as a garment." What HE's doing is HE's taking each facet & pulling it out. As we examine it we can put it on us & walk in it. It's the fullness of joy. HE said, "Don't take it lightly & don't assume." FATHER, we ask as YOU desire, as YOU deem & absolutely no other way. Yes, according to YOUR will alone. HE said, "It's MY will for you to have it." Sees, "cherish." FATHER we ask to comprehend the fullness of what it means to

cherish. Yes, LORD, that we not "abuse" (saw this?) it in any way.

FATHER, I ask YOU to embed that in our memory in such a way that it can't be removed. Other's agreed. Anything else? Go forth in the surety of joy. JOY IS A FLAG FLOWN HIGH from the castles of our heart.. We're to sing it but not fast. HE says, "It's a serious thing & MY people have taken it too lightly." HE said, "We touched just on a small portion of this gem & there's more coming." The second Word was, "beam." "MY beam" "MY pathway" At times they could see this bright light at the middle of a path. HE says, "If you'll step in I'll show you the way." HE says, "I love you all so." LORD, we love YOU. HE said, "MY light is not hard to see." FATHER, I thank YOU YOUR beam is wide enough that this body can walk on it together. HE's calling us a unit. HE said, "You can do all things through CHRIST JESUS." Yes, because HE is the ONE who strengthens us & FATHER, we return that light back to YOU, that it will reflect back to YOU. HE said, "Reap the benefits." HE said, "There are benefits every step of the way." Sees us growing stronger, as a result. HE said, "Age is not a factor." Yes, FATHER, we accept that we are, "YOUR strong ones." Sees, "overcomers." Saw, "as we are on HIS pathway, with HIS light, each one of us can shed HIS light & draw others to it." There were many beams going out from it, bringing others into it. FATHER, again be it as YOUR will. HE said, "This is bringing in the lost (2x)." HE said, "Let MY light shine through you, individually & corporately." HE said, "It's more than a light. Remember, it's a beam." FATHER, help us to grasp the fullness of this, that we not be misled in any way, all the ins & outs, precisely when to show that beam & not ever one mini-second early or late. HE said, "I call for perfection." HE said, "If you couldn't would I have called it that way?" FATHER, we know we can do it precisely, not within ourselves but in YOU. HE said, "You can beam as you follow MY beam." HE said, "Let it burn within you." Remember not too long ago they saw this (light) going forth from their fingers (10-3-2008)? This is part of it. Don't limit HIM. It's not like little kids sing, 'I'll be a sunbeam for HIM. A super nova for HIM. LORD, help us all to understand the depth of the beam! I call you to

BEAM!!! Rise up MY people & BEAM! Yes, LORD, let it reverberate within us. HE said, **"No turning back."** FATHER, there's no turning back with YOU. Yes, FATHER, it's always forward with YOU. HE said, **"It is done!"** HE reminded them, **"If you do this I'll do that."** Thought: 'we've accomplished much tonight.' HE said, **"When you allow it we do."** Sees, **"ever so close."** When HE said that they could sense it was just 'there.' Then the song came, *even yet more vile..* To be that determined to finish it off, we'll be yet more vile if that's what it takes. HE said, **"You now have stomping grounds."** Sees the stomping in the awesome power of GOD manifesting. HE said, **"Sure footed."** And FATHER, we return it to YOU, like YOU said, for YOUR multiplication. Everything GOD brought up tonight was part of the facets of joy, RIVER OF LIFE, & the word, **"jubilant."** Ephesians 4:16.

Grapeland TX, Don't go along with the crowd, have independent thoughts. For group in KS, **"Messiah's mansion;"** What about Messiah's mansion? **Building. Song (?)** For All: **"Praise God through your actions."** **"no old ties."** **Remember, as you do for them; you do for ME. Sing**

1-11-09 Church/Ministry Meeting

Oh to walk in YOUR presence.. (LORD, INFILL US WITH YOUR HOLY SPIRIT) *We work for YOU, LORD..* (LORD, YOU ARE MIGHTY) LORD, help us to ascend, out of the depth.. (ASCEND OUT OF THE DEPTH) **MORE THAN ANYTHING** (from Hosanna) What say YOU? **"conjugate"** [To join together. Adj. coupled, connected, or related, in particular. Asked for instructions, corrections or encouragement. **"You've started."** Asked for HIS guidance on how to go about it, joining together. **"MY peace I give"** Prayed; anything else for this morning? **"sheep's clothing"** (Goats in sheep's clothing?) Anything else about that? **"lulled"** Keep us vigilant in all things. **"to come"** *No FC, No Government.* It's best to let go of things & then let GOD bring it/them back. (Re: Oasis?) Thank YOU, FATHER, for the unity YOU are bringing us into. **"blessings of unity"** (later) sees, **"rejoin."** FATHER, we thank YOU for rejoining joints that were joined. HE said, **"Rejoined in unity."** FATHER, we call it power, in JESUS' Name, by the power & might YOU have in JESUS' Name. Yes, FATHER, to be truly **"incorporated."** (Red Word?)

Keeps seeing, **"listen to MY joint."** HE said, **"to tune your ears."** HE said, **"listen, record; listen, record; listen, record; listen, record."**

1-14-09 Prayer

What say YOU? **"harp"** HE said, **"Did you forget to pluck the strings?"** HE said, **"There is no harmony with just one string."** What HE was showing was, **"Many strings but one accord."** There was a string coming out of our heads, individual strings. The question is "Are we willing to let HIM tune our chords?" so when they are plucked we do make beautiful harmony. HE said, **"Sound the musical alarm."** HE was playing us, **"HIS harp."** Saw, we're one huge harp & we were horizontal so the sound HE made (as HE played us) went up & out to the world & down to the earth, world wide - it was beautiful. The harmony was perfect. We submit to it. Every note that YOU wish, for YOUR purposes. Anything else? **"MY precious ones, I love you."** Anything else about the harp? Could see the music going down & up. HE said, **"every eye, every ear."** Remembered what was talked about this morning (Advertising.) HE said, **"Remember what harmony does; sour turns away, harmony brings in."** **Harmony:** A fitting together; agreement. The just adaptation of parts to each other in any system or combination of things intended to form a connected whole, as the harmony of the universe. Agreement in views, good correspondence, peace & friendship. HE's being able to play us now in harmony. It's **"a prelude to"** the next thing, **"Dine with ME"** HE said, **"Eat of MY Spirit."** **"Dance with ME."** HE said, **"Every morsel."** HE said, **"You will need to drink as you eat."** Thank YOU for supplying the cups as well. Yes, LORD, we lift the cup & we drink it. Had the Words, **"I supply."** Finally wrote it, not wanting to interrupt HIM/anything, & saw, **"vast."** HE said, **"Wonder not."** Their hands were hot. It was as if they were loaded down & they couldn't hold it all. It kept spilling out. Saw, **"bountiful."** Reported all they experienced. Started to say we return it to HIM & then saw, **"portion."** So said they returned the portion to HIM, thanked HIM for allowing us to dine with HIM. Saw a long table with a white tablecloth on it & covered with food. Saw the Word, **"feast."**

Heard the song phrase, *in the time of trouble, HE will.. Uphold & sustain you. Rejoice for the steps, of a righteous man, they are ordered of God..* Asked if there was *anything else about HIS agenda?* **"diligent"** *Anything else about that?* **"diligent & vigilant"** Yes, LORD, we must be both. HE said, **"even in the small things."** LORD, we ask that our eyes & ears not miss even the small things, every detail. Yes, LORD, for the glory of YOUR purposes. tongues Yes, LORD, clear to the very bottom of the list. Asked, LORD, any details about tonight we need to be diligent about? HE said, **"Stay in tune."** Anything else? HE said, **"Set a guard."** FATHER, we ask YOU how we do this? We're willing but how do we do this? It has something to do with LC. FATHER, we ask YOU to set him as a guard, as YOU'd have him to be. LORD, ask YOU to equip his hands. Yes, LORD, that he be NOT lacking in any tool. Yes, every thought, word, deed. Anything else? **"It is done."** **"That your stance be firm,"** in JESUS' Name. A guard has a place of authority.

Grapeland TX, Romans 5:19, What are we protected from? **"Physical things of this world."** **"Be prepared."** For What Lord? **"For what's ahead. (Felt calamity.) Serious times are coming. Follow my plans, not yours."** (Felt HE was almost amused by our plans because we have no idea of what's coming.) **"That's all – sing."** Think of your mind as a holy place. Do not expect the Lord to talk to you like man does. The Lord has HIS own ways of communicating. HE can communicate with your soul directly."

1-16-09 Oasis

HONORED the LORD in the blowing of the SHOFAR. HE prepares us a table, in the presence of our enemy. After communion asked if HE had anything HE wanted to say to us. Saw, **"Go to the gate"** Asked what HE meant? **"Enter in at the gate."** HE's dealing with the heart when HE says to go to the Gate. Thanksgiving in the heart can't get beyond the Gate, unless the heart is thankful & grateful. It's how we enter. We enter into HIS presence with thanksgiving. **The Gate is HIS arms.**

The first for the agenda tonight, “timely.” What say YOU about timely? “off the shelf” What do YOU mean by that? HE said “Search the net.” (How they bring computer programs together.) Saw, “connections.” Then saw three lines that were lit. What connections? HE said, “Rich - tie them together.” HE said there’s “Much to do.” HE showed the word, “rich.” Then, “delve in.” Just now, “hallelujah.” Yes, FATHER, THY will be done. Saw the word, “massive.” FATHER, we know all YOUR work is massive; YOUR will is massive. HE said, “It will be done.” HE said, “We don’t realize how massive the hallelujah’s are - just to return it to HIM!” Yes, LORD, that the hallelujahs do what YOU wish them to do. Lifting up hallelujahs! Yes, LORD for every wave of them; they continue, wave after wave. Yes, LORD, praises to YOU. HE said, “Cease not MY praises.” Heard the song, “Hallelujah.” Sang it. HE told her, “Shhhh!” A few seconds of silence - sweet savor. Reminded of the Quonset scene. Weren’t getting anything more & had asked about many things; finally asked if there was something about *the Hill*. HE gave the word, “clutter.” What about it? Showed, “mind sets.” Clean out the clutter, LORD. What about mind sets? HE said, “Give them up.” Yes, LORD, we clean them out. Clutter, you go! FATHER, we give them to YOU. We give them up. We will not listen to your harassment, in the Name of JESUS! Asked if there was any other agenda. “rejuvenate” FATHER, in the Name of JESUS, we give ourselves & the corporate body for rejuvenation. Yes, LORD, we receive that power in JESUS’ Name. HE says, “MY power I give.” Yes, LORD, I receive that charge, in JESUS’ Name. We are the strong! Yes, LORD, together we are YOUR strong. HE says, “Lack in nothing.” Yes, LORD, we lack in nothing. HE says, “You have the where-with-all.” Loud clapping.. HE said, “Accomplish much,” still clapping.. Travail. HE said, “You came weak & tired but you’re not leaving that way.” Thank YOU, FATHER. We are YOUR strength; we are YOUR strong; we can do all things through JESUS. HE said, “MY strength does not give out.” Thank YOU, FATHER, for the rejuvenation, as only YOU can do! Had the line to the song, *nothing can stop us now*. Sang, *EXCITEMENT IS WELLING UP*. FATHER, the credit is all YOURS. HE said, “You have much credit with ME.” HE just said, “Forge on.” HE said, “Do what I have taught you. There is much to come.” “You have entered.” HE said, “You’ve entered into MY presence.” HE said, “Stomp out the last of the enemy’s efforts.” Did so. Your efforts are stomped out! HE said, “I’ve given you strength & power. Now build a fortress to keep the enemy out.” FATHER, in the Name of JESUS, we do, we set YOUR posts of truth all around. The things that go across there are HIS daily Word, HIS daily Word. HE said, “It’s not automatic.” “In seeking ME, daily,” is what HE said. HE said, “That’s your daily bread.” Could see the daily bread; bread gets dry. HE said, “It’s ok to be drunk with MY Spirit.” FATHER,

we thank YOU, for YOUR daily bread & we thank YOU for YOUR SPIRIT that we can drink it in. *Drunk in YOUR SPIRIT* is at the end of one of the songs. Sang it. LORD, INFILL US WITH YOUR HOLY SPIRIT. *Oh, to walk in Your Spirit, never to waver again..* HALLELUJAH, Praise ye the LORD, hallelujah;.. Sang it. Hearing, *Praise, praise. We lift up praise to YOU..* Sang it. RIVER OF LIFE Sang it. There were waves of praise as they were coming in; they were to catch them before they leveled out & return them to each one. Yes, FATHER, that this body come to live in JESUS, the life that YOU .. for. Thank YOU, FATHER. HE said, "It is time for this body to rise up." Every time we've ever prayed anything about this body at all she's seen it lying on the floor. Now it's huge, way above the roof - they couldn't even say how huge it was but it was not lying

down anymore! We need to sing, **WE ARE GOING FORTH**. Did so 2x.. They saw both hands up so raised them both. As they did this they saw, "yielded." We all need to do it with both hands if we're yielded. All did so & sang it again. Anything else? HE said, "Finished."

JESUS is here in a different form (since the WHITE HORSE). HE will have perfection - HOLY of HOLIES. We are in the time of the Bride; not one person, it's corporate. GOD said that **what comes out of their mouth shapes their future. When something enters our heart (from our mind, when it is false) is when Python enters.**

2-18-09 Prayer

First Word, "crossroads." > Prayed; saw, "lock horns." In a little bit, "accomplish." What? As soon as it was reported & we prayed again saw, "MY presence." FATHER, we do, we take in the essence of YOUR presence. (quiet) In light of all the Words HE's given asked what HE was getting at. "submit" During the quiet told HIM, 'Here am I; here are we (as a body).' Saw, "battle scars." What do we do about them? HE said, "Give them to ME." HE just put us through a healing process. Put their back to the center to heal it & held up their hands to heal anything under there. HE said, "Done." "Go on." What would YOU have us to do? "contemplate" > Told HIM they gave HIM their mind to contemplate what HE'd have them to do. HE said, "Relax." HE wants to join hands with us. Did so. We turn our eyes upon YOU, LORD.. Sang it, with a few different words. FEW THERE BE, *LORD, I seek YOUR face..* Saw, "pity." Shortly after saw what looked like green slime, running & poking through.. LORD, we want it off & gone.. FATHER, we want to celebrate the way YOU want us to for YOUR purposes. Yes, JESUS, YOU are our celebration. Thank YOU, FATHER; thank YOU, LORD. Keeps seeing, "sweet essence." Seeing, like a circle of light glowing through this green mist. The light got a little brighter & then saw 3-4 tall trees with leaves at the top. They reminded them of Aspen leaves, being somewhat rounded. Their trunks were really tall with the leaves just at the top. What does this mean? HE said, "Coming to life." Remember the first commandment – Have no other gods before ME.** Are we in end times? **Yes, but you don't need to know any dates. Keep your eyes, your focus on ME. What has the world really to offer you; will it make you happy or bring you joy? Discover the answer and you will be closer to ME. You are MY children whether you care to acknowledge it or not. I always have a plan. Your best interest is always MY plan. Focus, focus, focus. Template. What about template? You are MY template for the future (groups?). Don't forget to study. 2-20--9 Oasis

There was this oozy stuff that was intertwined in their fingers & falling down between the fingers of one hand (pity). During **RHYTHM OF THE VICTORY DANCE** JESUS was dancing with us, out in the middle. "We're in unity to dance YOUR victory." When it started they held out their hands through several songs. Felt pressure on them & knew they were clean with HIS blood over them. Then, "**Now!**" It was a window of time; an urgent 'now.' Saw, "**sanctify.**" It changed to "**sanctified forever more.**"

Saw, over & over, "**crush.**" Asked what it meant & knew they were to crush the cup. HE said, "**That no lips ever touch it again.**" They knew HE was here & HE was supping with us. Sometime during the songs it was like HE was going to come through (the midst of us) & they were to move over to the side when it happened, into the 'cubby hole' there.

HE said, "**Follow after the things of the Spirit.**" **PRAISE YOUR NAME** We all sang it. How does bread tie into all of this? HE said, "**I am the bread of life.**" HE said to go on. "Watch ME manipulate them." HE's the only one! Saw a silhouette of a lion's head. **Fourteen** must be a base word. It had a few numbers following it that were from it. Two people in the Bible had the #14, King David & JESUS. Looked it up on the computer.

HE said, **"Truth has not been parallel before."** HE reminded them this morning about on track & parallel -the wooden ties (tithes) running across the rails (law) support the truth of the ties (tithes). That's part of why the curses don't stick, we know the truth.(Dirt [soul] + water [HS] = mud.) HE said, **"We are HIS constituents, appointed for this time."** Told HIM our heart's desire is to listen carefully to HIM & complete HIS Work. HE said, **"That's what it's all about."** **"That's what I want to hear."** FATHER, we gladly receive YOUR truths. Grapeland TX, Destructive path; set apart nonbelievers; life without the FATHER. (Felt like the FATHER was talking about the destructive path of being separated from the LORD; nonbelievers will be set apart; just as Cain was punished; the punishment is life without the FATHER.) **Destroy self: eliminate your will. Requisition, heart, faith and strength from ME. Divided self still has self. I AM the Author, I AM the Fulfiller. Clapping, make a joyful noise. Seek Joy in The Lord. Prayer platform; say (prayers) out loud; there is power in spoken prayer. Jamaica - disciples coming from . Orchards, fruit ready to be picked. Umbrella, rain coming. Green, envy & jealousy equals evil; Satan is always working; don't let your guard down. Follow Jesus' pattern. Continue reading the Gospels.** **3-6-2009, Alpharetta GA** Quiet. **"Raise you hands."** Felt the Lord direct them to just bind spirits because of a situation this a.m. there.
