

## Lesson 139 Prepare Daily

06/14/13 CT – Much to do today. Keep focused on the tasks at hand. You can accomplish all that needs to be done. Think of Me throughout your day. Pause and think of Me. Allow Me to guide you in this daily walk. For you don't need to be working on tomorrow's tasks today. Remember I am even in the small daily steps. I Am with you even in these. This is because I never leave you. We are always together. Think on this as you move through your day. That is all for now, go in peace.

When I received these words I realized that the Lord has spoken a lot lately about our daily walk. Here He says that we are to allow Him to guide us in this day's journey, maintaining our focus on today not tomorrow.

**Proverbs 8:32-36** *"Now therefore, listen to me, my children, for blessed are those who keep My ways. Hear instruction and be wise, and do not disdain it, blessed is the man who listens to me, watching daily at my gates, waiting at the posts of my doors. For whoever finds me finds life, and obtains favor from the LORD; but he who sins against me wrongs his own soul; all those who hate me love death.*

Thus you can see through all these words that the Lord is delivering a powerful message that actually centers around life and death and yet it is a message that directly relates to our daily walk as well. But having said this, we can't forget that in it we also find a message of hope. I say that it is a message of hope, because through it, He reminds us of His daily presence. Yes, He chose to close the words above by reminding us that He is always with us, in the small steps, as well as in the large. Therefore, as we move through this lesson we will explore the elements of each day's journey.

### Preparation

Let me start this section off by noting that the Lord began on a positive note when He said, Much to do today. Keep focused on the tasks at hand. You can accomplish all that needs to be done. This sounded pretty positive in and of itself, but as I was thinking about it, I realized, that He was talking about being prepared for the day.

Therefore I decided to entitle this first section as Preparation, because according to the Lord, it's all about getting ready for the day by maintaining our **focus on the tasks at hand**. Basically the Lord will be teaching us about not getting ahead of ourselves. He will be teaching us about moving forward, one day at a time in Him.

04/28/13 DP - **Preparation must continually be ongoing. Prepare daily.**

05/22/13 DP – **Focus, much transpiring all around you, last days events taking place daily, much coming to fulfillment. Do not be alarmed but be aware much more to come rapidly. Prepare for your role in end time events, take not lightly.**

05/23/13 DP - **Stay focused, be listening. No time for doubts, only faith and obedience. Be diligent, prepare daily. Not a one time thing.**

05/29/13 DP - **I have My Army training, preparing daily for the tasks that lie ahead. Train profusely. Take this serious. Much to be done in future/short time. I need My Bride prepared for her last days work. The time is soon.**

Through this we can see that daily preparation is a must. And it is vital.

May 3<sup>rd</sup> God Calling Eventide - Preparation time is so neglected by My followers. Consequently there is lack of power in work for Me. To alter the laws of a country is no real remedy for ill. Men's hearts must be altered by contact with Me. Remember the lessons I have taught you about useless activity. When most work cries out to be done, then it is truly the time -- not to rush, but to Commune with Me and My Father.

Never feel strong in yourself. Know that only in My Strength can you accomplish all. No mountain of difficulty can then be insurmountable or immovable.

**Preparation time, then, must be centered around our relationship with the Lord.** This message was similarly noted in the words above, when the Lord said, **Remember I am even in the small daily steps. I AM with you even in these. This is because I never leave you. We are always together. Think on this as you move through your day.** Consequently, as we proceed we will dissect how we **move through** each day's journey with the help of the Lord. We will analyze each step as illuminated by Him. Thus we prepare by:

- being focused on the Lord (Seek/Think of Me)
- allowing Him to lead (Guidance)
- discovering His plan (Agenda)
- following through with His plan (Obedient)

And as we analyze each step, we will begin to understand that the following through of, essentially, the implementation of each step, this is what will lead us to the spiritual actualization of, **We are always together.**

## Seek/Think of Me

The central message of a daily walk with Christ was introduced in the preceding sections of this lesson. We learned that preparation in Him is a must. And this understanding then leads us to the focal point of this second section where we will explore the thoughts behind: **Think of Me throughout your day. Pause and think of Me.**

What is thinking? Thinking is remembering. It is knowing. It is the mental re-establishing of a connection, therefore, one could say it involves relationship. Thus the “thinking of Him” compliments, Men's hearts must be altered by contact with Me, for this too involves relationship. Both of these sentiments are about maintaining His presence in our lives. Our hearts are altered through our awareness of His presence in our lives (relationship). Our connection is re-established through our thinking of Him (relationship). Hence, we prepare (throughout our day) by being focused on the Lord, by Seeking and thinking of Him. This sounds like an important step that could affect the outcome of the day doesn't it! And it is a step He continues to encourage:

04/25/13 MVA - **Much taking place. I AM the God of all. Seek Me daily, seek Me often in the quiet. You God Jesus purpose in all. I AM bringing about My perfect will for each. Obedience to all guidance and instruction of your God Jesus will accomplish. Goals to achieve. Each of great importance.**

05/15/13 CT - **I walk through your daily life, all the moments with you. I never depart from you. I am always there with you. I am the still small voice you hear. I am in the urges to move forward, to progress in Him. Count your many blessings for the path you travel is narrow yet you are here. Walk it with us (the Father, Son and the Holy Ghost), garner happiness and satisfaction from this.**

06/05/13 CT - **Preparation a must. Knowledge a must. Obedience to My laws a must. Obey from your heart. Respond to the Trinity in affirmations. Listen, hear and obey. This is good. That is all for now but **remember the walk with Me, it is a daily walk, an hour by hour, minute by minute, walk with your God Jesus.****

Yes, this most assuredly seems to be a step that could affect the outcome of our day. This is because thinking is about remembering. It's about knowing. It's about the mental re-establishing of a connection. **Thus our hearts and our walk are altered through our awareness of His presence in our lives and this is why the joining with Him is so important.**

**March 3rd God Calling** – Think of Me. Look at Me often, and unconsciously you will grow like Me.

And as a matter of fact, when Jesus spoke of our daily walk with Him, He not only wanted to assure us of His love and His attention as expressed through the story of the birds of the air and the lillies of the field, but I believe the most important fact He wanted to impress upon us is that of maintaining a daily walk with Him, as noted in this:

**Matthew 6:33** *“But seek first the kingdom of God and His righteousness, and all these things shall be added to you.*

And James said it like this:

**James 4:8** *Draw near to God and He will draw near to you.*

**Therefore one of the most important aspect of preparing for this day’s journey is that of walking with the Lord, seeking Him, thinking of Him and putting Him first. Through this (through the seeking after His kingdom) through this, His guidance will come!**

**John 7:37-38** *On the last day, that great day of the feast, Jesus stood and cried out, saying, “If anyone thirsts, let him come to Me and drink. He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water.”*

04/27/13 BN - Come before Me as a student to a teacher, Take notes, Learn so that you may teach others, Class is almost over, Revelations and insight coming daily, Let Me do the work.

## **Guidance**

In the lesson thus far we have spoken of our daily walk with the Lord. We have talked about preparation and the seeking after a relationship with Him. We have also talked about not getting ahead of ourselves by keeping focused on the tasks at hand. And now we will look at the next element of our preparation and that is of guidance. In regards to this topic the Lord said,

*Allow Me to guide you in this daily walk.*

And He has added this,

04/17/13 CT - Quieten your mind and hear Me. I AM all around you, guiding, leading, and reassuring. Listen to My voice as it flows. There is a river of life in it. Listen and heed. **Seek My guidance daily.** Seek My will and none other.

05/10/13 SN - **You are guided daily**, These things I say unto you I say to all.

05/22/13 DP - Hear with your mind. I speak in Spirit. Let not your ears hinder you. I can be heard in the midst of a crowd when one knows My voice and listens for it. Listen often I have much to say. **I am constantly guiding and instructing.** You must pay attention, total awareness of your surroundings is necessary. Much going on daily.

06/14/13 MVA - **I AM guiding and directing all who are listening.** Each has been shown steps. Steps taken lead to walking with your God Jesus. Do

everything to completion. Let what has been shown be done to completion.  
Purpose fulfilled in each.

06/14/13 SN - Come...for now is the time, Guidance ongoing

**March 26<sup>th</sup> God Calling** – I am with you to guide you and help you.

**April 12<sup>th</sup> God Calling** – I am your guide, strength and help will come to you, just trust Me wholly.

**January 17<sup>th</sup> God Calling Eventide** – I am here, realize My presence. You are truly being guided though not until you are content to be led as little children do you really live fully in the Kingdom of Heaven.

Jesus previously explained that we are to seek the Kingdom on God and His righteousness and what we have learned thus far is that this involves a daily walk with Him. Here He added that we cannot fully live in this until we follow His lead, His guiding. Hence, we can say that we will not be prepared for this day's journey in His Kingdom until we learn to follow His daily guidance.

**Psalm 32:8** *I will instruct you and teach you in the way you should go; I will guide you with My eye.*

**Psalm 73:24** *You will guide me with Your counsel.*

**Isaiah 30:21** *Your ears shall hear a word behind you, saying, "This is the way, walk in it," Whenever you turn to the right hand Or whenever you turn to the left.*

Yes, the Lord's guidance is ongoing. He will leads us each step of the way. It is a daily walk as we learn to **Listen to His voice as it flows**. This is important because **There is a river of life in it**. Therefore, we **Listen and heed** and we **Seek His guidance daily**.

**Isaiah 55:2-3** *...Listen carefully to Me, and eat what is good, and let your soul delight itself in abundance. Incline your ear, and come to Me. Hear, and your soul shall live; and I will make an everlasting covenant with you.*

**January 17<sup>th</sup> God Calling** – Silence. Be silent before Me. Seek to know, and then to do My will in all things.

As you can see, layer upon layer has been laid out for you. Consequently, what we have learned is that we prepare by maintaining our relationship. We seek Him and He guides.

## **Agenda**

In this lesson the Lord is teaching us about our daily walk. He has taught us the value of relationship and preparation and we have learned to allow Him to lead. In this section we will delve more deeply into the idea of not burdening ourselves with tomorrow's issues when today's tasks are sufficient unto themselves. You

may remember that earlier in this lesson we briefly mentioned the story of the birds of the air and the lillies of the field. We noted that the central theme of this story was about maintaining a daily walk with Him. The final verse states:

**Matthew 6:34** *Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble.*

What we can surmise then from this, is that it is confirmation of the Lord's words as noted below.

For you don't need to be working on tomorrow's tasks today.

Hence, we help to maintain our daily walk with Him by not getting ahead of ourselves. We stay on this day's path as today's tasks are sufficient on their own.

**January 4 God Calling** - All is well. Wonderful things are happening. Do not limit God at all. He cares and provides. Uproot self - the channel blocker. Do not plan ahead, the way will unfold step by step. Leave tomorrow's burden. Christ is the Great Burden-bearer. You cannot bear His load and He only expects you to carry a little day-share.

Basically from this I think we can see the Lord teaching us not to move on to the next task before completing the steps He has for today.

04/17/13 MVA - **Continue to seek daily agenda of your God Jesus.** Each day anew. Keep priorities correct. Think Spiritual not physical.

04/19/13 CT - Live each day to its fullest, in other words, live each day in Me. Think of Me. Long for Me. Be one with Me. **Follow the daily path I have set out for you.** Keep in tune to Me. Practice My loving kindness but at the same time do not allow the enemy to steal your time away at which point nothing is accomplished for your Lord, in His Kingdom purposes. Therefore, use your time wisely.

06/14/13 MVA - **Your God Jesus agenda on stage. Each step must be done to completion** to move forward in your God Jesus. Full compliance to each.

**November 27<sup>th</sup> God Calling Eventide** - The path has been tried, every step has been planned with a view to your progress. Never test your work by what others can accomplish, or by what they leave undone. Yours to master the task I have set you. Go forward in My Strength and in the Spirit of Adventure.

The Lord has an agenda for each one of us, individually and corporately. Each step must be done. We are not to move ahead or get behind either for that matter. We are to stay on point remembering the words of King David when he said,

**Psalm 16:11** *You will show me the path of life.*

And as a final note on the Lord's agenda, just today He said,

06/26/13 MVA - **Doing well. Show what is shown. Your God Jesus agenda on stage.** Each piece important. Assembly required. Important message being given. Do not suppose. **I will instruct one step at a time.** Obedience to all that is shown victory. Melding as one. My Beloved on stage. Each brings important piece. Stumble not follow all guidance and instruction precisely. I AM leading you to victory. Stay focused. **Stay walking with your God Jesus hand in hand step by step.** Leading edge flow chart study important. I Love you. Meeting over.

What became particularly apparent after receiving these words is that this message is not only about our individual daily walk with the Lord but it is also a message about our corporate walk with Him as well. Yes, as I began working on this lesson I was thinking of it from a purely individual standpoint but as I moved through it, I came to realize that this message could be applied to our corporate walk as well. Therefore, let's read it once again but this time let's view it from a corporate standpoint.

06/14/13 CT – **Much to do today. Keep focused on the tasks at hand. You can accomplish all that needs to be done. Think of Me throughout your day. Pause and think of Me. Allow Me to guide you in this daily walk. For you don't need to be working on tomorrow's tasks today. Remember I am even in the small daily steps. I Am with you even in these. This is because I never leave you. We are always together. Think on this as you move through your day.**

It seems pretty clear to me now. Our corporate walk and His agenda for that walk are just as important as that for our individual walk. We must move through our day walking, hand in hand, step by step with our God Jesus, keeping our focus on this day's tasks, allowing Him to guide us all along the way.

## **Oedience**

Focus, relationship, guidance, agenda, steps, and now obedience.

June 11th God Calling Eventide - You are Mine, pledged to serve Me. Every want of yours has been anticipated. Look back and see how each failure has been due to your not having obeyed implicitly the instructions I gave you in preparation for that task or trial.

Listening to My Voice implies obedience. I am a tender Lord of Love, but I am a Captain with whose words there must be no trifling. You are a volunteer, not conscript, but if you expect the privileges of My Service you must render Me the obedience of that service.

The way of obedience may seem hard and dreary, but the security of My ordered life the untrained soul can never know. March in step with your Captain.

Of which the Lord said, **Remember I am even in the small daily steps.**

Therefore, we march in step with our Captain, our King realizing that He is even in the small daily steps. But the steps, the agenda will be of no value whatsoever if they are neglected. Let me explain, in the words above the Lord mentioned failure. He noted that if you would take the time to examine your failures then you would see that disobedience was at the root. He wants each one of us to understand that obedience is one of the key elements to accomplishing what needs to be done today. And it is today's tasks we are to be focused on. Hence, it is today's task we are to accomplish, one day at a time, step by step in your God Jesus as evidence in this:

04/27/13 DP - **Honor Me daily through your obedience.**

06/13/13 DP - **Continue to grow greater through your obedience to My guidelines. I am using you to set forth new guidelines. Protocols coming forth. You are to obey everything simplistically, do not complicate. You are to listen silently until next instruction. Carry out immediately, do not hesitate. Victory is in the action.**

06/13/13 BN - **Work with Me today, Let us be a team, together we are powerful and productive. By yourself you are weak and easily swayed. Focus on Me and all else will fall into place. You must do what I ask when I ask.**

We have spoken often of obedience and the key role it plays in our walk with the Lord. But what we must come to understand is that it is the step by step walk we are to move in daily. It is to be accomplished both individually and corporately. It is the walk we work through with Him. And it is the walk that leads to the Kingdom of God.

**June 19th God Calling – Follow the path of obedience, it leads to the Throne of God.**

**Deuteronomy 30:15-16** *"See, I have set before you today life and good, death and evil, in that I command you today to love the Lord your God, to walk in His ways, and to keep His commandments, His statutes, and His judgments, that you may live and multiply; and the Lord your God will bless you in the land which you go to possess."*

Consequently, obedience is the fourth element of preparation we are to walk in our daily walk with the Lord.

## Service

Through this lesson we have learned that we move through each day with the help of the Lord. You may remember that in the last section we referenced the June 11th God Calling Eventide, a portion of which I would like to review right now. It said, Listening to My Voice implies obedience. I am a tender Lord of Love, but I am a Captain with whose words there must be no trifling. You are a volunteer, not conscript, but if you expect the privileges of My Service you must render Me the obedience of that service.

The way of obedience may seem hard and dreary, but the security of My ordered life the untrained soul can never know. March in step with your Captain.

Thus service will be last element of our daily walk that we will review. But what does service mean. In the dictionary it is defined as an act of helpful activity, aid, or the supplying of something required. You could also say that service means to serve.

Jesus had this to say about service,

**Matthew 20:25-28** *But Jesus called them to Himself and said, "You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant. And whoever desires to be first among you, let him be your slave-- just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many."*

Service then is to our "call" or our daily walk in Him. It is a connection that we share. It was in fact mentioned just recently when the Lord said,

0/14/13 BT -*With every day comes a new opportunity to serve Me. If you call Me Lord then serve Me. Your service is rewarded. Listen and hear, watch and see. Be on the lookout for My instruction step by step. I will not fail to lead you. Put your trust in Me. Believe it will happen and watch Me work with your faith.*

Can you see the connection? Let me explain, we serve the Lord and through our service we walk out the step by step instructions of our God Jesus. We follow His Agenda, we

move through it in relationship with Him. This occurs both individually and corporately. **We serve Him as He serves us. He guides. He directs. We obey. We serve.** That's what I call a relationship of service come full circle. And it's amazing.

In the Lord's closing words He said, **I Am with you even in these** (the small daily steps). **This is because I never leave you. We are always together. Think on this as you move through your day.** Think on this as you serve Him, accomplishing all that needs to be done, each day, step by step, in your God Jesus. And here are some additional words on service and serving.

02/10/13 DP - **Know you serve with a purpose for this you were created. Follow the leading and the guidance given you from above, I lead you to a path of peace come to dwell in this place of safety, where I am there may you be also.**

02/27/13 BT - **Come before Me. My people will come before Me. My people know Me and My ways. You must know Me and My ways to be counted as My people. To know My ways is to walk in them. Count the cost. Know what it means to walk in My ways and what it means not to. Know the difference between the one that serves Me and the one who does not.**

03/01/13 DP - **Chief executive, Is there more about chief executive? I AM, I must lead. Follow My voice. I lead to safety. Take pleasure in serving Me. Serve with all your being you must give it all.**

## **Summation**

Today's lesson revolves around our daily walk with Christ. What we grew to understand is the seriousness of this message. Through it the Lord taught us about getting ready for the day, by maintaining our **focus on the tasks at hand**. He taught us to not get ahead of ourselves but to instead move forward one day at a time in and through Him. We learned that He will direct us step by step in and through this process. Basically, it's about being prepared for each day in Him. And finally, four elements we can prepare by were outlined. They were:

- being focused on the Lord (Seek/Think of Me)
- allowing Him to lead (Guidance)
- discovering His plan (Agenda)
- following through with His plan (Obedience)

We learned that this is a lesson that can be applied to both our individual and our corporate walk in Him. And finally, the lesson closed by connecting our walk to service.

What we learned is that we serve Him as He serves us. He guides. He directs. We obey. We serve. We could see our day coming around full circle in Him, a day when tasks are completed, when all that needs to be accomplished has been done. Today's lesson began with this:

06/14/13 CT – Much to do today. Keep focused on the tasks at hand. You can accomplish all that needs to be done. Think of Me throughout your day. Pause and think of Me. Allow Me to guide you in this daily walk. For you don't need to be working on tomorrow's tasks today. Remember I am even in the small daily steps. I Am with you even in these. This is because I never leave you. We are always together. Think on this as you move through your day. That is all for now, go in peace.

**And here is a new element to think on:**

**November 28th God Calling Eventide** - Walk very carefully in life. It is a wonderful thing to be known as one who loves Me and seeks to follow Me, but it is also a very great responsibility.

So much that you may do, in which you are not guided by Me, may be condemned as unworthy, and a slur be cast upon My followers and My Church. There are no moments in your life from now on which you can be free from great responsibility. Never forget this. My soldiers are ever on active service.

Yes, the seriousness of this lesson is evident. Therefore, as I was working on this lesson I came to understand the importance of this daily walk with Christ. Jesus, in fact, taught us of the importance of our daily walk through passages like these:

**Matthew 6:11** *"Give us this day our daily bread."*

**Mark 14:49** *"I was daily with you in the temple teaching..."*

**Luke 9:23** *Then He said to them all, "If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me."*

And when the high priest told the apostles to no longer teach of Jesus, the apostles' answer to this was:

**Acts 5:42** *And daily in the temple, and in every house, they did not cease teaching and preaching Jesus as the Christ.*

Therefore our daily walk is important and it must be focused on Christ. Here are a few additional words that speak of this.

06/05/13 CT MEETING – Praise the Lord, Praise His Holy Name (Praised the Father, Son and the Holy Spirit) Rejoice in Jesus' name. Seasons changing. Laying out the ground work for many plans. All in due season. Preparation a must. Knowledge a must. Obedience to My laws a must. Obey from your heart. Respond to the Trinity in affirmations. Listen, hear and obey. This is good. That is all for now but remember the

walk with Me, **it is a daily walk, an hour by hour, minute by minute, walk with your God Jesus.** Stay on course and go in peace.

06/13/13 MVA - **New day dawning. Each day a new day.** Fresh starts light and hope in your God Jesus. I AM communicating to each a purpose in time. One must first seek to find. **Each step taken important.** Many things are about to happen. **Continue to focus on your God Jesus through all.** I AM leading My Beloved to My place of protection. Each must fully obey to find.

06/14/13 BN - **I will be with you today and I will take care of everything. No big plans needed...I supply those.**

06/14/13 DP - **Know I am with you every step of the journey I will never leave nor forsake you,** be strong be courageous the victory is ours. Take action, follow instruction be instantly obedient. Much I have for you to do.

06/25/13 CT - **It is a daily walk, a moving through one day at a time walk.** It's about seeking out My will for that day, for that time. It's about turning it all over to Me. Completely trusting in My guidance, care, love and direction. A bride does not seek out her husband yet but once a week or twice a week or even three times a week. No, a bride seeks out her husband daily in the small and large things of life. And that is what it is all about isn't it! It's about the sharing of two lives together, mine and yours. Don't limit the ties of our relationship, instead embrace them by walking daily with Me.

May the Lord guide you in your daily walk with Him.

Blessings,  
Cindy
