

## Lesson 48 – The Unfettered Path

Clusters of people; here a few, there a few; that are seeking after the Lord. Numbers are rising. People are looking for what they are missing in themselves. Minds are getting straight. They are looking for the clear, unfettered path. Moving towards simplicity. Getting away from the traditions of man mentality. Everyone doesn't have to be entertained (or kept busy) every minute of every day. These activities are just distractions. Keeping my children from having a relationship with me. People will start to see all of these things as distractions from relationship.

Go back and see what I established. Practice what I set forth. This is the message I want understood (from holy days to the golden rule). It's not difficult just unfamiliar. Familiarize yourselves with my ways: love, faith, and obedience. Love grows faith, faith leads to obedience and obedience to brideship. Dull tools are poor instruments of utility. Stay sharp.

I decided to focus on the unfettered path today but what is the unfettered path? I guess to understand the unfettered path we need to make sure we understand the definition of the root word fetter or fettered. **Fettered – Definition: Restrained from motion, action or progress.** Thus when looking at the unfettered path we will be looking at a path of progress and action. It is a path of motion and most importantly it is a path that is not restrained. Remember the Lord said, Clusters of people; here a few, there a few; that are seeking after the Lord. Numbers are rising. People are looking for what they are missing in themselves. Minds are getting straight. **They are looking for the clear, unfettered path.** Moving towards simplicity.

Those two thoughts almost seem opposed to each other don't they. I mean unrestrained and simplicity. When you think of unrestrained if you are like me you think anything goes. But actually the Lord is talking about a life that follows after Him and his ways; a life that is not restrained by the traditions of men. The Lord's ways are not difficult to follow after. And amazingly see the message below that the Lord is having Roy work on this week.

FLOW CHART -

To follow after the "things of the Spirit" is the Highway!

**Isaiah 35:8**

**And a highway shall be there, and a way, and it shall be called The way of holiness; the unclean shall not pass over it; but it shall be for those: the wayfaring men, though fools, shall not err therein.**

The Lord said,

*I have a road for My holy people to follow. This is a path that is plain and uncluttered. Seek My Face. Call upon My Name. I will lead you in the way. For I am the Way.*

## FLOW CHART

- A river that allows God to get you to the place of His choice!

### **Isaiah 35:1**

**The wilderness and the solitary place shall be glad for them; and the desert shall rejoice, and blossom as the rose.**

The Lord said,

*My River leads to a place called destiny. Do you know it? Do you see it? In yourself and on your own, you cannot see My purposes, My vision for your life. But in My River, you will see and know My purposes. My River is a place of definition. Be defined, in Me. Then, allow Me to move you from My River into the place of My choice. My River is not the destination, but a place of revealing My destination for you. Come to that place. Run to that place. Be drawn to that place in Me. Seek My Face. Call upon My Name. Be an accurate expression of Christ in the earth.*

The Lord spoke to us about the unfettered path and now we see that at the same time He was also talking to Roy about the uncluttered path. I believe the Lord is telling us to clean out all that blocks our relationship with Him.

### **2 Corinthians 11:1-3**

*Oh, that you would bear with me in a little folly—and indeed you do bear with me. For I am jealous for you with godly jealousy. For I have betrothed you to one husband, that I may present you as a chaste virgin to Christ. But I fear, lest somehow, as the serpent deceived Eve by his craftiness, so your minds may be corrupted from the simplicity that is in Christ.*

We've talked a lot recently about being careful to not open doors to the enemy. But I think we haven't realized the subtle ways the enemy uses to draw us away from the Lord. What did the Lord say: *Everyone doesn't have to be entertained (or kept busy) every minute of every day. These activities are just distractions. Keeping my children from having a relationship with me.* People are so busy today and it is really a self-imposed involvedness. We have cell phones, land lines, computers, myspace, facebook, twitter and more. And then don't let us forget all the activities we allow to distract us. But the Lord is telling us a change is coming. He said, *Clusters of people; here a few, there a few; that are seeking after the Lord. Numbers are rising. People are looking for what they are missing in themselves. And, People will start to see all of these things as distractions from relationship.*

The Lord tells us that people will begin seeking after the Lord. So we need to make sure we are knowledgeable of His ways. *Go back and see what I established. Practice what I set forth. This is the message I want understood (from holy days to the golden rule). It's not difficult just unfamiliar. Familiarize yourselves with my ways: love, faith, and obedience. Love grows faith, faith leads to obedience and obedience to brideship.* The Lord is going to use you. Your example will be seen. Just as you learned of living water and flow charts, holy days and silence; others will learn as well. They will be seeking after a deeper relationship with the Lord. And He will use us as teachers not because we are more intelligent, not because we are of the elect but because we started on this path a little ahead of them. We can teach what we have learned. We can teach of listening for the Lord's voice.

### **Acts 20:28**

*Therefore take heed to yourselves and to all the flock, among which the Holy Spirit has made you overseers, to shepherd the church of God which He purchased with His own blood.*

And the Lord said, Dull tools are poor instruments of utility. Stay sharp.

Amen!
