Looking forward past a miracle, an incident on the Golden, Narrow Path

God said we must learn to look past a miracle and keep pressing on down the Narrow Path. Jesus did it this way and the disciples did it this way.

The Lord took us through a simple exercise as a corporate body.

Everyone must move! It's a corporate body focusing on each step. Demonstration of this -

The Lord dealt with me in the night about the Judgement questions. From this I realized what I have just presented to you.

Victoria is in Uganda! The Lord seems to be revealing it is a part of, or has to do with, the "What's God doing - **Concerning Apostles**" prophetic vision given in the year 2000 on the site under *Prophetic Words*.

More later.

RS - Oh glorious day / I am pleased / more to come / flow over and over and over / skip no steps / enjoy Me but move on to the finish line unless I instruct differently / see how self can hinder My purposes? / yes, Lord / a lesson learned / necessary / see the necessity / onward we march / go

Revealed how "self" can hinder the Lord's purposes
A necessary lesson to keep us from doing it again!
