

The Man-child  
In the Book of Revelation

*And she brought forth a **man child**,  
who was to rule all nations with a rod of iron:  
and her child was caught up to God, and to his throne.  
Revelation 12:5*

September 26, 1989

**And I saw the Lord of the book of Revelation!  
He was standing on a hill waiting on us (the Church) to join Him.**

**He had a sword in His hand with the tip of it in the earth waiting.**

**The Man-child has to do with the Lord's Kingdom on the earth.**

**Christians have been praying using the Lord's prayer for years.**

**“Thy Kingdom come thy will be done on Earth!....”**

**We were chosen to live in the Last Days!**

**Who is going to take part in the Lord's will being done on Earth?**

**The Lord brings up the Man-child on April 5, 2011.**

I was looking at a male toddler, lying on its back in a box. It had on short pants with a bib & shoulder straps, like we sometimes see on that size child. There was liquid in the box with the toddler that seemed to be like vinegar, to keep diseases from attacking it. It was golden brown water, the same color as the child's skin and clothes. (I think it best to describe the color as brown with gold in it, probably half and half symbolically because of what the Man-child is.) Anyway I had the box with the child in it on a table and people were watching. I was adjusting its arms, legs, and torso. The people would remark about what I was doing, questioning every move I made with the child because of what they already believed about the child. The liquid was too high in the box so I took some of it out with a cup. The people remarked that the liquid was now too low, which I already knew. I then put my hand on the bottom end of the box and moved it up, making the box shorter. This bent the legs of the child just a little and made the liquid come to the proper level, which I knew to be half full. (It had to be half and half!) The people were still questioning if what I had done was right when the scene ended. (I came out of the scene knowing it was the Man-child.)

The box was a display box, like we see large dolls in for merchandising. I knew the lid had a clear opening so people could see this Man-child when the lid was put on. I think this child was of the age to start walking - I don't know for sure. The scene revealed that I have the child in my hands, preparing it for display/merchandising. People were going to be able to acquire the child if they wanted to. **(This scene was prophetic.)**

**DP - excerpt - ...Warn My people when they say peace and safety, destruction is nigh thee, be prepared. Glorious birth, Man-child, new day, Day Star rising, (Saw a bright star rise up in air.)**

**Meetings are important  
No Meetiings, no Bride, no Man-child**

**RS - I was shown the mother and the Man-child in a scene revealing that they had on the same type of structured undergarments. I was also shown how much the Man-child had grown, to possibly 7-8 years of age. Both the mother and the Man-child were full of life!**

(Clothing = acts)

**BT - Meetings are important whether you believe it or not. Without meetings there is no 'us.' Without meetings you will not have My agenda. Fellowship with one another is important. Fellowship with Me is paramount. I fellowship with you during our meetings. Do not neglect meetings. No meetings, no Bride, no Man-child. Bring all the pieces together from all the meetings to form a clearer picture. My guidance will manifest in this picture. Together we will move forward. Meetings are extremely important. Treat them as such.**

**The Man-child Must Come Forth - Portrayal**  
The Man-child is a major player in the book of Revelation, being produced through the Bride by Jesus. He is basically half Bride and half Jesus and will rule the nations with a rod of iron. We here at Take His Heart were suddenly faced with doing the portrayal needed to bring the Man-child forth in the earth. So meet Kyle. The Lord sent him here some time back and the Lord had chosen Him to be the main character in the necessary portrayal.

12-11-2013

The Lord said:  
**"Call forth My Called / line by line / bring them in / shoulder to shoulder / united front / truly united / announce the calling / rejoice / rejoice in the deluge / articulate truth / bear"**  
The Lord had Roy and Kyle stand back to back and call forth "the called," from the four corners of the Earth! Are you in the called?

**A Growing  
Picture  
Man-child; half  
Bride, half Jesus.  
Same  
foundational acts  
as His mother!  
No Meetings, no  
Bride, no Man-child.**

**RS** - I was shown the Man-child fully grown. I was in a huge building that was very tall inside and I believe made of stone. The doors opened and I saw the Man-child walk in! A three to four foot wide passageway suddenly split the huge crowd of people that was between me and those dark red doors he had come through. He had on a red robe and a red priest's hat on his head. He was fairly slim in stature - magnificent. His general features remind me of the Shroud. It was not Jesus Christ I was looking at and I knew it. The Man-child said, as he walked towards me speaking to the people, **"I work for the richest man in the world. What would you ask of Him?"**

12-13-2013

**Through an apostle**  
 ... Portrayal of the highest importance. I need all to participate. No hair, like a baby (newborn). This will begin the outpouring of My Spirit. I will send out the call to all four corners of the earth. Time will be given for a response. Then the tribulation will begin. Woe to those who do not heed the call.

**PORTRAYAL COMPLETED**  
 He took the Golden Globe of the earth. The LORD told him to touch the top, bottom and both sides of it with both his left & his right hand. He then held the globe up with his left hand & drank all of the sugar water from the goblet. He put the glass down & kneeled, holding the globe out above his head. Then he stood up with the globe & set it aside. "It is done," says the LORD. "Mark this hour." The Lord told Kyle to tell the group to shout, "It is done!" "All of heaven looks down upon you, never the same." Clapped 7 times. All shouted, "It is done." The Lord said, "You may go."

Truly it boggles the mind -- the **Man-child** produced. **It is another mystery**, but when revealed, no eye has seen, no ear has heard, no flesh has conceived, save for I. Manifold, infinite wisdom. The birthing, luminaries. **Delegates, sent out. To do My works.** Satan fear! Tremble all your armies. Wash away. Tamlyn V - ...In contrast, the **Man-child will minister to the LORD faithfully in His temple** while all the churches of men are falling apart. As prophesied, the tribe of, or seed of Zadok, the sons of Melchizedek (sons of Righteousness,) will approach the Lord in His temple, while here on earth - in the third temple. It will happen in the spiritual realm according to 2 Corinthians 5:1 - in a building of God not made with hands, eternal in the heavens. **They will bring the finest of all offerings - the highest of holy praise....**

I saw and became excited because everything was fitting together!

RS - Write / Tamlyn is correct / understand / **Man-child, Man-child, Man-child** / I asked, "Where is Tamlyn correct ...?" / you will see / thank You, Lord / things are changing / expect / go

RS - I saw an object identified as the **Man-child** on the left of another identical object, except I knew there seemed more to the object on the right. They were the same size and looked generally the same. The color of both was the golden brown God has used before. I kept looking at the left object with the words **Man-child** below it in a specific way. I woke up to go back to see all this over and over a bunch of times. I finally realized they were cubes with some kind of substance emitting from them, or around them. I realized it was the **Man-child** and the **Bride** before I finally woke up for the last time from all the scenes. Awakened, I went to the office to record and suddenly realized the cubes were the same cube the Lord showed me years ago when He said, "All you are is in there," meaning the cube had nothing but clothing inside it, our acts, and it was corporate. I realized God was revealing again for sure what the **Man-child** is!

**RS** - Recompense not / I don't / free yourself from / In a few seconds I saw different people, different places, differing beliefs - actions, etc. I was up and away as if I was separated. It seemed like I could be this same way while I walked among them. / if you do you will be able to function with Me the way I want you to / It has to do with how you look at things / triumphant are we / (Knew it was the Bride) / say amen / amen / triumphant are we / say amen / amen / triumphant are we / amen / go forth **Man-child** / amen / go forth / arise

The Lord revealed Roy is to do a separate Man-child Timeline consisting of the time when the Bride and Man-child were under attack by the enemy of mankind.

It seems obvious that this is the way the Lord wants the Man-child to look at humanity. No judgement - the Lord is the Judge and has the plan!

RS - I did something in the world, an action, like maybe putting something up on the Lord's site. It was dynamic and had to do with doing something (like silence) before the action. Because I had done this I then saw the earth as in the picture of the *Staffs of Silence* picture. I was looking at about 1/4 of the earth and it had some people here and there on it. **In among those people was a group of men (dressed differently) who suddenly moved across the face of the earth a certain distance as a group.** They kept their formation as they did this. The front line of the men was straight as was the sides of the group. They moved a certain distance and stopped. (I awoke from this scene thinking I had seen the Man-child.)

**RS** - HP, after we circled up he usually says "Your Bride adores You; Your Bride embraces You." But this time he added, "Your Bride rejoices." And immediately he saw a man & a woman dancing together, rejoicing & going in circles, in a circle around the room. He didn't see their feet. He said again, "Your Bride embraces You." That's when the woman laid her head on the man's chest in such a way as if they were one. They were both rejoicing. He thinks the LORD is rejoicing with us tonight, possibly because of what we are going to do.

**BN** - In their meeting this morning he had "Dance with Me & rejoice" so they did it.

**DP** - The LORD had him rejoice. He asked HIM to lead him through Praises today & HE had him rejoice with HIS Hosts earlier. As he was Praising he was trying to focus on the Praises & he saw a fiery horse. He was trying to see what was behind it but it just went away that fast.
