The Lord instructed me to include this information from two private meetings concerning silence on His *Leading Edge*. The Lord wants us to understand the importance of doing 30 minutes of silence for Him every day.

(KE is the person the Lord chose to do the Man-child portrayal as reported on the site.)

**Meeting, October 2, 2017 KE**

L- Do you not know that the silence conceives things? Things pertaining to My kingdom. Conception takes place every time My chosen get silent. A continually birthing and bringing forth of power. Be steadfast.

HP- If this were not so, then how come silence and intimacy with My Bride has produced you. Obedience in the silence, conceiving, producing, and bringing forth.

HH- Know that the Spirit is bringing forth many things. Be ready.

**Meeting, November 1, 2017 KE**

L- Adhere, adhere. Adhere to My protocols. Adhere to what I have given My body. 30 minutes. Do 30 minutes of silence. Did I not tell you the silence begets and conceives? Yes, Lord, you did. Understand. Allow My work.

HP- Do not teeter-totter with the enemy. Refuse, refuse. Refuse now. I spoke and refused to teeter-totter with the enemy in any way and denied the enemy access with ANJ. Good.

HH- Dwell in My peace. How Lord? Be still.... Long period of silence.... My peace I give you. That is all child. Rest in My peace.
