SWS means - **said, written, spoken**. In Golden Meetings you write down what the Lord said. Then in your after meeting you should read out loud what the Lord spoke. Do actions if possible. It is a legal thing, establishing, etc. It helps get what He said into you.

If it is a group then one person reads the words prayerfully in the after meeting and everyone does actions if possible while agreeing with what the Lord said.

Here is an example from Kingdom meeting **8-16-2017**: **Bride, worry not, set your focus upon Me** / So the person reading would say something like, "Father, You said for the Bride to set Her focus on You; please help us to do that." As we are hearing this, as an action, we would be putting our hands up over or beside our eyes as if to be focusing on Him. This is our act of faith establishing our intent to do what He says. **It is actually a mini portrayal** which allows something to actually happen in our lives. It is a legal issue in the spirit realm, a "Way" of the Lord. Doing it this way allows the Lord to legally do it in us.
