Sabbath Judgment Meeting, December 22, 2020 MC (The day has darkened)

Despair not, Child. You shall see what I will do. I will deal with the scoffers. I will deal with their blasphemies. There is an uprising wind that shall bring forth life into many situations for My purposes. Pray for your enemies that they receive this life also. Though the sun shines to light the day in the natural yet it is a dark day spiritually. Many grope in darkness looking for a faithful leading and yet find none.

The day has darkened upon the nations and many see it not. A new standard has arose that has brought blindness. A mounting standard shall come forth that shall cripple many. Look not to the standards of the enemy. A standard of nations shall come forth and be the building block for the enemy's kingdom. It shall surface at first and then quickly be exalted. Those not in darkness shall see. It shall be matched with My standard of Holiness, but who will listen? This standard shall creep into every household with compromise as it's driving force to seduce My people.

Be strong ye men of valor and those who have suffered persecution. Be strong ye Children of light who have been given eyes to see and ears to hear. Be strong ye

babes of My fold and strengthen and fortify yourselves in Me, for I will not forsake you. Let not My words trouble you but absorb them that ye be not caught unawares. The times of testing the nations has begun. This could no longer be individualized. For My Day declares these testings must come forth. This will grow and increase as We move forward....

Let not the sign that occurred in the sky last night pass you by. Understand. Are there any coincidences, Child? Let it not pass you by. Many, many, many do not see what I am doing. Their traditions have blinded them. I have spared you from these veils that you may be a mouthpiece to others in all diligence and humility. Understanding will be given. Adjourn the meeting.

The Lord has made known that a sign occurred in the heavens on **December 21, 2020**. The Lord does not want us to be ignorant in recognizing His signs, but I can tell you the enemy does! I have learned this from experience.

Matthew 2: 1-3

Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, 2 Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him. 3 When Herod the king had heard these things, he was troubled, and all Jerusalem with him.

We see here three wise men (the Magi) were the only few who saw the sign of the star and knew the purpose for its appearing, which was a sign that surrounded the birth of the Messiah. Neither king Herod, nor all Jerusalem realized what had just taken place. It is the foolish things God uses to confound the wise. Why couldn't they see it? Because it takes faith to see it! The same it is today in all that God is bringing forth and declaring in the heavens and in the earth. Kingdom Government

Kingdom Government Meeting 12-23-2020 (Clearly, Clearly)

HP - TPHR / tender mercies / I flood this place with My Tender Mercies / totally immersed, encased in them / absorb, absorb, (many times) / be not just encased outwardly but absorb into your innermost parts of your inner beings / receive Power from My Mercies / yes, they are most Powerful / allow their Power to enter your beings / no closed circle tonight for you are already enclosed together in spirit with one another / hands straight on up / grasp all \I have for you this night /

HH - Oh, My Children, My Children, My Children / stalwart, stalwart, you each must be stalwart / stalwart and faithful to complete the task I have for you / I must have your

- let it not be burdensome, but see the results of the efforts you put forth
- My Children, you are capable now of tending to the kind of details Legality requires
- now, stay focused and be certain to keep absolutely all matters Legal

Sabbath Judgment Meeting, December 29, 2020 (the Media, The Media)

I will give the media over to their own vices. Their reports shall become their own calamities. Their platform is corrupted and they have tried altering the future with lying reports as bait to hook the faith of My people. The enemy has to contort the law of faith to bring forth substance just as I have to use the law of faith to establish things in the earth through mankind. You know this. I will plow through the media with one blow and ruin their channels of deception. They have corrupted the minds of people for far too long. They will try and replace the media with artificial intelligence but this will come to its ruin also.

The dictators of the media sources I will judge. Some of them are more corrupt than others but I will begin exposing until My one blow. A mighty wind shall topple and destroy all the works of the enemy that the renewing of minds may fully begin. The media has been a persistent arrogance against this spiritual principle for My people. I will batter against their arrogance with My mighty blow. Their wisdom shall be brought to confusion and I will confound them by what is weak. No form of arrogance can function through what is weak, meek and lowly. My grace covers the simple. I have already orchestrated the doom of the media and it's falling. This will also spill over into the Christian stations who have sided with what is evil.

There will be exposing - even those who have taken money for gain to side with the kings of the earth. I will expose you who have done these things that you be humbled and turn to Me lest you be condemned. I hate false witnesses. You are filled with all forms of corruption. I say "you" because I see all these sources of information as one. The records are being pulled. The days of accountability have come to a greater degree. For much has been given to many and they have trampled. I will require justice (I saw the wooden gavel) Adjourn the meeting by hitting the sounding block seven times. This is for the spiritual lines of delineation to become more noticeable that My people perish not. Adjourn the meeting.

I adjourned the meeting and hit the sounding block seven times as the Lord commanded me.
