Power

- My Children, you must become fully aware of Power, its usage, and its effects
- I have provided you Power to effectively operate in the positions I have given you
- I have given you the Power to overcome the enemy
- I have given you the Power to stand strong
- these are good, but I now encourage you to also consider the great Power your words have
- I adjure you to become hyper-aware of the words you speak
- I adjure you to become hyper-aware of the words you hear
- yes, you must, must be aware of both the words you speak and the ones you hear and the effects they have
- I adjure you to be aware of the fact that the enemy most certainly has been aware of all the words you have spoken
- incorrect word choices whether intentional or not gives the enemy the Power to use these choices to their advantage and against you and others
- it is dire for you to listen to the words as you speak so you become aware of any miss spoken ones and immediately legally cancel and correct them rendering them powerless
- so, My Children, I encourage you each to think, think, think carefully before you speak
