9-15-2019 First Day of Tabernacles - Convocation/Fellowship Meeting

Convocation:

All - Halleluyahs!

RS, KE - Sound the SHOFAR. ~ ~ ~

RS - Declaration of Purpose

KE - Ignites the LORD's Fires at the Laver.

RS - Sends forth the Single Cup with fire.

FS - Single cup preparation into individual cups (actions)

Leads in entering into silence. (words)

Circle up & silently wash at the Laver. Circle tight, becoming one, silently.

RS - Single Cup Communion (in silence).

Listening silence:

RS, KE - Sound the SHOFAR to close the meeting.

KE - This week begins the consummation of what I will begin to do. A new dwelling with Me by My Spirit. A dwelling you have not known before. Choose to come deeper with Me. There is much hidden Manna; hidden to those who only dwell at the surface of My waters. Choose this night to go deeper with Me and dwell with Me. I have prepared, I have prepared, but you must choose. I say come....

CP - Revelation 2:17 To him who overcomes I will give some of the hidden manna to eat. And I will give him a white stone, and on the stone a new name written which no one knows except him who receives it. This was spoken to the church of Pergamos. The Bride individually chose to go deeper and to dwell with Him,.

9-18-2019 TABERNACLES/BAPTISM of the MANCHILD at Clark's house.

LC - When LC saw the pomegranates, he'd seen them at the hem line (bottom) of the garments.

6:30 PM NS set up cameras in the pool area and one for the big screen so those watching on the internet Go To Meeting would be able to see it all. N & JP also helped NS with the filming and running the cameras.

RS set up his computer.

NS put the clock on the wall above the pool so RS could count the time correctly during the Baptism.

6:40PM tables were set up on the cement to work on the garments & attach the pomegranates to them. They were covered with plastic to protect them from any stains.

Also put some of the white towels around.

6:45 PM some started working on putting the pomegranates on the garments. N & JP, NS and others helped with this process. N & JP also helped NS with the filming with the cameras. We spent some time getting the pomegranates ready to hang on the bottom of the garments so the guys were ready to enter the pool. Two long square nails were pushed into the pomegranates, crossing in them and forming a cross like structure within the pomegranates. Then fishing line was attached to the nails & up to a large safety pin to attach them to the garments at the bottom of the hem. There were 5 put on the back and 5 put on the front. Then the pomegranates were squeezed to let some of the juice run out on the garments.

Then after all that was done, KE & RS Stood on a ladder and a bench and others helped them put on the garments. Then we all went up the stairs and into the pool area at Clark's.

BAPTISM of the MANCHILD

RS - Opening.

Ten minutes of silence:

AP - During the 10 minutes of silence AP heard what he was to do (to bless the water).

KE - During this 10 minutes KE saw RS dunk him backwards then pull him up and throw him forwards in the water. He was floating face down. He never said anything to anyone about this because of "self."

After the silence was done, AP put his hands in the water and said something like: "By the legal authority of King Yahushua and by the power of HIS Kingship, I declare these waters blessed and suitable for the baptism of HIS ManChild."

KE got in the pool, followed by RS getting into the pool. I might note here that the ceiling over the pool is made of cedar. They both walked to the east end of the pool, RS facing south and KE facing east as the LORD had said to.

AP - Read the prophecy KE had received from the LORD. August 21, 2019 Prophecy for KE that AP was to read, 9-18.

"And they shall see the sign of the coming of the Son of man in the heavens with power and great glory, even as they shall see the sign of the Man-child in the earth with power and great authority. For this authority has been given to him from above from the One who has begotten him."

RS - "I baptize you in the Name of Yahweh, Yahushua, and Rauch Ha Kodesh." (As instructed by the Lord)

KE went backwards for two times and was unable to stay down the 13 seconds the LORD required. Then RS brought KE down forwards and KE was able to complete the 13 seconds under water without any trouble.

Plenty of white hand towels were available to assist in drying, etc. These had been saved from when *the Church* went to Ok City with the last Apostle's Gathering, in 1999, & the Foot Washing then.

The next morning KE LAAI the prophecy AP spoke over him before the Baptism happened because we hadn't thought to do that after the Baptism.
