## TRAIN / FORTRESS

8-15-20

30 minutes: (After a bit, I realized I was seeing a Red Train starting to slowly move to the north.)

L) Fortress moving forth; Fortress on the move

10-13-20

HP) SIS; hold the fort, hold the fort; yes, Child, I have set you, My Core, as a Mighty Fortress going forth; shy not away, but stand strong, sure, and secure in what I have taught you and called you to do; you know the enemy lurks looking for the slightest of access; keep standing strong, strong, strong in My Might against them; Halleluyah
