

Sabbath Judgment Meeting, October 16, 2020 MC

I will visit the island places in different parts of the world. I will visit the islands located within Indonesia with purpose and great gain. I have called Indonesia to be a sanctuary for My Holiness. They shall know the knowledge of the truth through My Spirit. I have called Indonesia to tabernacle with Me to receive vital revelations. I have called Indonesia to be a major building block in what I am bringing forth. The repulsions and vomit of the enemy shall be scattered and all the mouths who use their tongues to work wickedness. I will bring a spiritual shaking in Indonesia that shall attract the attention of surrounding continents. The captivity of Indonesia shall begin to be turned and this will alarm the surrounding walks of life. I will bury the past idolatries in Indonesia and raise up the islands within Indonesia to be beacons of light. They shall be as shining jewels that shall sparkle and twinkle in the midst of the raging seas. I will touch each of them as dew drops and the Power of My Spirit shall go forth to conquer in battle, in trial, in sickness, in disease, in dismay and in all the delusions and corruptions the enemy has tried to place. These captivates and strongholds shall be overturned, for I will visit as I have spoken.

I am overturning the teeter-tottering  between two masters through many areas. How can one serve a master who has been judged? I am judging the masters My people have been serving, including those outside the spiritual walls of My Kingdom. For there shall be no master exalted above My throne-ship. Mammon is only one master, My Children. There are those who have over a 100 masters. The masters of My people and those outside will come to judgment. See the vanity in serving more than one master. Hold not your peace nor clinch to the words of false Rabbi's. For I say unto you, Child, there are many false Rabbi's. Search yourselves, My Children, and divide asunder all the reins of every master you have allowed over you. For their reins are not unto life but unto death. Dethrone all the masters that I have full reign and place in the seat of your hearts. Cast down the spiritual thrones of worship that you have given homage to, My Children, whose source is not of Me. I will judge the masters of worship that have captivated My people and led them astray. These are My words unto My people this day. Heed them. I am long-suffering, yet despise not My words and let your hearts not be hardened. My words are Spirit and they are life. Receive them. Adjourn the meeting, Child.

rein | rān |

noun (usually reins)

a long, narrow strap attached at one end to a horse's bit, typically used in pairs to guide or check a horse while riding or driving.

- the power to direct and control: *management is criticized for its unwillingness to let go of the reins of an organization and delegate routine tasks.*

verb [with object and adverbial]

- check or guide (a horse) by pulling on its reins: *he reined in his horse and waited for her.* keep under control; restrain: with an effort, she **reined back** her impatience | critics noted the failure of the administration to **rein in** public spending.

No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

John 8:34

Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant (or slave) of sin.

Notes: The scriptures above reveal a person can be a slave to more than one master to whom that person serves. We must judge ourselves. I believe a greater judgment is coming spiritually and physically against all the masters God's people have served. For instance, if those who served money as one of their masters, but then judgment came against the US dollar (or some other currency) and it collapsed, how would that person feel to see their master judged? Would they not want to quit serving it seeing it is futile and mere vanity? I believe God's judgment will manifest in many different ways against all the masters God's people, and those outside the spiritual walls of the Lord's Kingdom, have allowed to rein in their lives. The spiritual and the physical are being brought into judgment.
