

Right before 30 minutes (May 19, 2020) MC

After my meeting, I went and stood to prepare for giving my 30 minutes of silence. As I stood, I immediately saw a large elephant coming right towards me in the close distance. Then the Lord said to me, **“The Republican Party will prevail over the Democrats.”** I wrote down what I saw and heard. The Lord continued on and said to me, **“I have heard the prayers of My people and I will answer. I am just, I am righteous, I am Holy. I have seen what the Democratic Party has done in secret, and their hidden motives - even in their personal homes. My hand will move against them and they shall not prevail against My anointed. Donald J. Trump who I have chosen to be My beacon of light shall witness against the evil doers and prevail against them. For I am with him says the Lord, because he has put his trust in Me in the secret place. I have seen him and behold, he poureth out his tears for Me and for My people, that justice would take hold. For I say unto you, Child, My justice is in My hands and I have seen the scales of injustice. I will break the scales of injustice as a potters vessel is broken. For there shall be another outcry from the evil doers because their plans have come to naught. I am stretching forth My hand even now, and My justice is in it. I am the Holy One of Israel. My olive branch of holiness shall be shaken over the nations that its oil may rest upon them. I have spoken. Let these My words fall upon all who will hear, that I redeem the broken and contrite spirit, and take no sides with the wicked. My judgment is just and it shall not fail.”**
