HH- Cherish, cherish, cherish the revelations I am bringing forth. Cherish them and hold them tightly to your heart. For My revelations come forth from My heartbeat to give life to all who will receive them. My revelations cannot be stopped, neither can they perish. They will speak and reveal themselves as they are to be manifested. My revelations uphold. They uphold all who believe and trust in them. Receive not the revelations of the world. They produce sickness. They produce death. What may appear and sound good doesn't mean it come from Me or was generated by My Spirit. The enemy is constantly generating, conspiring, conjuring delusions, deceptions and  lies. Perverted justice and judgment shall not stand. The  perverted revelations of the enemy shall not stand. Only what is of Me  shall stand, even in the last day. Amen. I shall go forth and judgment  shall be girded upon the loins of My prophets. Righteous judgment to divide and conquer as righteous vessels. My prophets' words shall shake the spiritual things and this shaking shall rattle into the physical realm. An apocalyptic judgment for the Glory of My Kingdom and for the restitution of My people. Their feet shall stand unmoved by circumstances. My prophets will waver not. I have planted them as mighty oaks and their roots are fed from Me, the Tree of Life. Their tongues have touched My coals and I have prepared their soundings. Go forth My stalwart prophets and glean and speak forth My judgment as I tell you. My chariots of fire will aid you. Peace be unto you. Shalom.

Almighty Yahweh, I legally AAI all of these words, instructions and agenda You have given this day with the legal authority of Your name Yahushua. That these Your words Almighty Yahweh are now put forth into motion according to Your will, plans, timing and purposes on all levels. Halleluyah!
