

Sabbath Judgment Meeting, February 11, 2021 - MC

It is true, My word must be fulfilled concerning the future martyrs. Glimpses of this fulfillment have already been seen but the full measure has not come in yet. The enemy has stored up great wrath and it shall befall the nations. Those who have been condemned to die martyrs shall stand and strengthen others with their last breath. A joyful noise follows those who die martyrs for My name's sake. Many betrayals, many abandonments, many great swelling words shall be spoken but the strong shall stand and waver not. They shall smile at the face of death and rejoice in perfected love, for I will spare them from the edge of the sword and from the sting of death.

The blood of the martyrs shall witness and testify in the earth. It shall speak from ground to ground over all nations. This witness shall summon My wrath against the ungodly. I say again, if you die for My cause, let your light shine bright and flicker for the last time. The great company of My martyrs and their voices shall not be silenced. Their cries shall pierce every walk of life. Those who stand against the kingdom of the beast shall face great opposition yet I will be with you. Though this opposition bring forth adversity, it shall also bring forth great humility. Righteous blood will be split and the days shortened yet I will have the last say in all things.

Here are the things of the Spirit revealed to me about the “future martyrs.” I was given this on **February 10, 2021** leading up to my Sabbath Judgment Meeting on the 11th.

Word, I was lying in bed and the Lord began to deal with me about future martyrs. I was caught a little off guard by this. The Lord spoke a word to me about it, these future martyrs. I didn't get it all down but I did get some of it. The Lord said, “**If you be destroyed for My cause, burn brightly and flicker for the last time.**” I knew this represented person(s) being a light for the Lord and flicker the last time and die a martyr for His names sake. After receiving this I knew the Lord was going to deal with me and speak to me about martyrs in my next Sabbath Judgment Meeting.

I fell asleep and had the next few scenes.

Scene, I was sharing with my mother, my sister and some others about what God spoke to me and revealed to me about martyrs. I told them He would deal with me about this topic in my Sabbath Judgment Meeting.

Scene, I was explaining to people how we always rejoice when people are born and mourn when they die. I explained how this is backwards in what we do.

That it should be the opposite. When people are born we should mourn and when people die we should rejoice, meaning for those who died in the Lord. This is because birth is the beginning of death and we all come out of the womb to see labor and sorrow. After I explained this, a woman sitting nearby immediately agreed with me how this was the truth.

Word, after waking up and recording the scenes above, the Lord continued to deal with me about the future martyrs. I remember hearing, “**The door of the Martyrs shall soon be opened and be fulfilled.**” I knew this connected with what is prophesied in Revelation chapter 6 concerning the souls under the altar.

Revelation 6:9-11

And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held:

***10** And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?*

***11** And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until their fellow servants also and their brethren, that should be killed as they were, should be fulfilled.*

These people the Apostle John saw were martyrs for Christ. There is a time when the fullness of those who should die martyrs for Christ will be fulfilled in the earth. After this fulfillment will come the wrath of God upon the ungodly for the righteous blood that was shed from all walks of life and throughout all nations.
