

Sabbath Judgment Meeting, November 30, 2020 MC

I am bringing My judgment to the equator. Strange signs shall begin to happen at the belt of the equator. You shall know when these signs take place in their seasons. These signs shall go forth to wake up the nations, including My Church. It shall be a marker. These signs shall be a marker. I will also show signs in the caps of the earth - both in the North and South Pole. The magnetic field of the earth shall begin to oscillate, which shall in turn affect weather patterns. The birth pangs will grow more visible. Science shall try to deny My moves but do not listen.

Child, you are correct about the shortening of days I have revealed. Tell My people. Tell them that they may know. I will shake the foundations of the earth. I will touch the axis of the earth also. I will bring mankind into great tribulation that they might be saved. Fear not whirlwinds of judgment My Children, for they are not appointed unto you. It shall be a time of rejoicing for you, My Children, for your redemption draws nigh. Fear not the things coming upon the earth nor in the heavens, for I will overshadow My people. From the least of them even to the greatest. Speak and prophesy what I give to you, Child, with confidence. Be not dismayed. Be not embarrassed for I shall sustain you. My chariots of fire upon My Holy Mountain are soon to be released in the earth. They are sent out for My prophets. They shall aid, they shall aid and accommodate as I have commanded. That is all, Child. Adjourn the meeting.

2 Kings 2:11

And it came to pass, as they still went on, and talked, that, behold there appeared a chariot of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven.

2 Kings 6:17

And Elisha prayed, and said, Lord, I pray thee, open his eyes, that he may see. And the Lord opened the eyes of the young man; and he saw: and behold, the mountain was full of horses and chariots of fire round about Elisha.

I don't find it coincidence that the "chariots of fire" mentioned in the Bible always surrounded the lives of God's prophets. The chariots of fire will be sent into the earth for the Lord's prophets and aid and accommodate them as Almighty Yahweh has commanded them! Also, I will bring together what the Lord had revealed to me about the shortening of days in the end-times. It is very simple and is another picture of how God does everything legally. Also, touching the axis of the earth the Lord spoke to me about today - I have felt the axis of the earth shift in a prophetic dream the Lord gave me a year or so ago. I do believe this will also come to pass according to the Lord's will, plans and perfect timing.

Those Days shall be Shortened MC

Genesis 1:14

And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

Jesus said in Matthew 24:22, "And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened."

What is Jesus actually telling us here? He is saying the days "have to be" shortened because if they remained the same length of hours as they have been since creation, no flesh would be saved. But for the elect's sake (a chosen group of people

predestinated and ordained) they are shortened for them. God bends time for His people as needs be. This is very interesting to think about because this wouldn't be the first time God has done something like this in the heavens for His Chosen people. We see something similar happened for all of Israel when Joshua filled the office of Moses after he died.

Joshua 10: 12-14

Then spake Joshua to the Lord in the day when the Lord delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the valley of Ajalon.

13 And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. Is not this written in the book of Jasher? So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.

14 And there was no day like that before it or after it, that the Lord hearkened unto the voice of a man: for the Lord fought for Israel.

The "*shortening of days*" has to happen legally, just as everything that has happened since the beginning of creation God has done legally. If this were not so then why would faith be based upon as a law itself? Even sin and death is a law. So where in scripture would this legally fulfill the shortening of days as Jesus spoke of? It's been right under our noses in the Book of Revelation.

Revelation 8:12

And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.

According to the way time works, which has substance in accordance with the the heavenly bodies, the prophecy written in Revelation here would be shortening the days legally so that a third part of them were no longer as they used to be. This judgment would legally shorten the hours of how days actually function. Jesus said in John chapter 11 verse 9, "Are there not twelve hours in the day? If any man walk in the day, he stumbleth not, because he seeth the light of this world."

If you take a third part of the hours in a day away, after the sounding of the angel in Revelation chapter 8, you are only left with 8 hours in a day because a third of it (4 hours) was smitten in judgment. The same applies for the night as well. So a whole day, which is 24 hours is now cut down to 16 hours because a third of it has been taken away in judgment. This means time actually speeds up and the days are shorter, thus speeding the passing of time legally and fulfilling what Jesus spoke. This is not only to benefit the elect of God and those who would be saved, but to also bring judgment upon the world for their unrighteousness.
