(There was time span between each of these below.)

When we first circled up HE said, “shore up defenses / be like minded.” “I declare the Bride very much alive and well, functioning.

- HE told her to turn her hands so the palms were up & HE wrote on them.
- My judgements
- HE told her to join her hands; HE said, sealed (with her palms together and fingers interlocked she found herself squeezing.)
- physical & spiritual joined (After a bit she could no longer feel each hand & they were as if one.)
- Her heart rate was sped up & towards the end it sped up more.
- She knew HE'd written judgements on her hands - she knew He was dealing with her eyes but she didn't put her hands on her eyes.
- My eyes - must see My judgements

- My heart - must endure
- My Bride learning Patience
- Something happened to her ears, HE was dealing with a part of them - felt her ears were enlarging & thought they would burst, to hear the cacophony thrown at My Bride counter it - counter, counter, counter, counter, counter, .... rapidly, multiple times
- Her heart beat became really rapid - running rate
- Bride must yield to Me (Whatever part anyone is, is to yield to Him.)
- Her heart beat slowed.
- He said to pull her hands apart; it was like they were stuck. (RS heard them pop.)
- tell them, then enjoin circled as one

We circled up, enjoined. HE said, shore up defenses / be like minded / I declare the Bride very much alive and well - functioning.
