

## ***“A unique seed planted”***

By Kyle Eatherly

As I walk with the Lord, I am beginning to learn more and more, that His windows of time are always done precisely and in order. This builds upon the picture He has started within mankind, even in an individual to whom the Lord has shown great things and dealt with on a personal level. The Lord confirms, adds to, and builds upon the mural He has started to complete within us individually and corporately to bring into fruition His covenant promises. The Lord is the author and finisher of our faith. It is the seed of faith that I want to explain in more depth, concerning what the Lord revealed to me this afternoon, **January 15, 2017**. It concerns a *unique seed of faith* planted by the Lord Himself for His purposes in the earth and in heaven.

### **“A little background about myself”**

For those who don't know, since not many know about my full testimony, the Lord sent me to Kansas back in October of 2013 to begin to establish His will for me in the earth. The Lord had already dealt with me about several things that I accepted and allowed the Lord to do in my life before my move to Kansas. One of the things was the double portion of God's Spirit operating within my life. The Lord dealt with me in the night about these things and He would give me scripture to read upon awakening. This was before I knew about having meetings with the Lord. Little did I know what was ahead of me, since I was only being obedient to the Lord by faith. These things soon came to pass as the Lord had me portray the loosing of His Man-child here on earth for the truth to be loosed in heaven. So in the Lord's timing, the true manifestation of the Man-child will come into full manifestation here on earth to fulfill the Lord's purposes. This portrayal also involved the loosing of a double portion of God's Spirit across the world to the four corners. God was bringing to pass what He had already dealt with me about, though at the time He revealed this to me I did not know how God would bring this into manifestation; or that this move even involved needing to be portrayed as was later shown had to be done. I knew nothing about portrayals before my move to Kansas. I wasn't going to assume either! This portrayal, along with being led by the Holy Spirit, was done in believing that God is and by faith with obedience having no doubt within myself or the corporate body that was present. This portrayal involves something that has never been done in the earth, and the Lord had to choose somebody because the Lord has to legally use man in the earth to fulfill His purposes. The first fruit is holy unto the Lord and always will be. I once heard from a wise man that the Lord will demonstrate the major moves and points that God did in the Bible, and in this case, the double portion of God's

Spirit coming into manifestation again. Under the old covenant this happened with Elijah after he was taken up into heaven and Elisha asked that a double portion of Elijah's spirit be upon him. The spirit that was on Elijah was not his own spirit but the Holy Spirit. This was translated over unto Elisha and came into fruition as we read the historical events recorded in the Bible. But we need to understand that the double portion of God's Spirit under the new covenant **has not been demonstrated yet**. The Lord spoke to me concerning this and said, **"A double portion under the new covenant is different because it is working through a covenant that ratified the whole world...."** God will always demonstrate His truth to us.

### **"Making the connection concerning the unique seed of faith"**

First, what does the word "unique" mean? The word unique means being the only one of its kind; unlike anything else. Just as God from the beginning said for the things of the earth to yield seed after their kind, and that seed remains in itself, so does the seed of faith which God plants into His own vessel(s) for His purposes. It is evident that the seed of faith planted in each human being that is born into the kingdom of God yields ultimately to its kind, that being the kingdom of God, though their task and calls be different. The enemy also has seed which they, those against the truth, bear fruit and yield seed after their kind. What do I mean by these sayings? It is the seed planted, that being the seed of faith, which will yield fruit according to its kind, whether it be for the Lord's Bride, the Man-child, or any other ministry or position of authority within God's kingdom here on earth. Each will yield and bring forth in the measure of their increases, some on a smaller scale and some on a larger scale. All are needed, and each need the other to bring the whole together. But know this, no man calls himself unto these things, but it is God who calls. It is God who anoints, and who gives mantles and positions with each having their own purpose to fill. When God moved into my life and started to deal with me supernaturally, it wasn't something I had asked for or specifically had been praying for. I didn't even know who I was in the Lord! I had been told many things I was not! I just knew things were happening to me that had never before happened and the Lord was dealing with me because the fullness of time had come for His plan in my life to truly begin. It was a culmination of many things in one, which began to happen to me in the year 2011.

On **January 15, 2017**, as I was driving to the gym to work out, I was praying to the Lord that He help me understand and help me do what He has called me and created me to do. I was somewhat frustrated how things had been moving along at this point in time. I asked the Lord for the power to come forth and that it break through every pore. I then brought up to the Lord the translucent pill I was shown in the dream the

Lord gave me concerning portraying His Man-child to be loosed in the earth. I knew I would never be the same again but would be changed, and that I would never be the same Kyle in the earth. Then it suddenly struck me and the Lord spoke to me and said, **“That pill was My power. That pill was that seed.”** I knew exactly what seed the Lord was speaking about as the Lord had already spoken to me about this unique seed that He had already planted in me, but I never put the two together. It was so simple! I will reiterate the dream where the Lord revealed this to me.

### **Dream, December 12, 2013**

I remember I was in a big room with high ceilings and there was a lot of space, and it was very open. I saw rows of chairs in this room that went back, but I never saw the end of them, or how far they actually went back. I remember seeing different people filling up these chairs, and Roy was in there. All of a sudden I noticed a big golden colored earth that was probably 6 ft in diameter and it was solid all the way through. I knew it was in the form of the earth because I could see the land masses on the surface of this big globe. This golden colored earth was flying around this room and would go up to different people and hover around them. I knew this golden colored earth was going to choose somebody. I knew this thing was checking people out when it came up close to them. Then this earth came up close to me on my left side, and it was close right up next to me. Then it moved and started to hover right over my head, just above it in a stationary position. I knew it had chosen me. I then had to take the earth and hold it in my left hand while I drank this clear liquid out of a clear glass. I knew this drink had a pill that was also clear looking (translucent) inside the glass. While drinking the liquid from the glass, it was hard for me to do this and hold the earth in my hand at the same time. But I seemed to manage to do so. I knew after I drank this drink I would never be the same. I didn't know this till afterwards. After I had done this, a dark headed man was explaining to me what would happen. My appearance would not be the same anymore, and that drink would change me, and I could never go back. He didn't tell me this but I just knew that it was unchangeable. My features would change from the outside, and I may lose my hair, but it would grow back. My hair would grow back darker. There were other things I can't remember, but it was serious....I just knew I would never look the same again, and I was no longer the Kyle that I used to be in the earth. I would look completely different. I knew I would no longer be recognized as the same Kyle.

The portrayal itself is written out in detail on the THH website, which all came to pass as was shown in the scene above. This was fulfilled corporately with the Lord's Bride since the Man-child is only produced through the Lord and His Bride through intimacy. This was all done at the direction and leading of the Lord because something of this magnitude had to be done legally to stand in the courts of heaven. During all of this the Lord was doing a work in me that I did not comprehend or fully grasp at that time. **The pill I drank in the dream was that unique seed of faith that was planted by the Lord Himself. It had been the whole time. It was never a pill at all. I just labeled it a pill because I did not have the understanding of what I saw so I called it what I thought it looked like.** The unique seed was planted right

then and since then the Lord has been watering that unique seed to grow it and mature it to bring into fruition His plans in the earth concerning His Man-child. By doing the Man-child portrayal, it gave way for the first watering by the Lord to start increasing this unique seed of faith to bring forth fruit in due time. This seed will ultimately yield and bring forth seed after its kind in the earth, breaking way for the Man-child to come into full fruition, however that may be. God knows! It is by this seed that the Lord will grow and increase to accomplish the covenant promises He has already shown, though the understanding of the whole picture is still in part.

Here are the words of the Lord that He has spoken to me concerning this unique seed He has already planted in me. On **September 14, 2016** I received this from the Lord in my meeting with Him.

HH- The shadow of My wing is My safety net. Continue to abide under it. Even in silence or words, continue to cast yourself under that shadow. I am merciful. I will continue to bless and grow what I have started.

**Vision** - I saw me and Person A standing outside of a hotel building at the front entrance. I saw a large group of people, a multitude, coming towards us and they were very angry and had weapons in their hands. They looked foreign in descent like they were possibly from a third world country. I pushed Person A behind me and told her to go back inside the building. Then I stood there in confidence as they were approaching me and I drew a circle around where I was standing in probably a 3ft diameter, in the spirit realm. Then as they came up to me yelling, wanting to harm me, they could not penetrate that circle at all. I was protected supernaturally by the Lord. I was never touched or harmed, and afterwards, went back inside the building to Person A.

Your faith will be presented to the multitudes and I will be glorified. It takes a special fire to grow such faith to do such things. A unique seed has been planted in you. I have planted it....

This unique seed is directly related to bringing the fruition of the Man-child forth in the earth as well as planting this seed in a world harvest to bring forth fruit unto the Lord. This all begins with the first fruit, which is holy unto the Lord. It is by this very seed the Lord has planted that is going to bring forth all that He has shown prophetically for generations to come after me.

### **Isaiah 66: 6-8**

<sup>6</sup> A voice of noise from the city, a voice from the temple, a voice of the LORD that rendereth recompence to his enemies. <sup>7</sup> Before she travailed, she brought forth; before her pain came, she was delivered of a man child. <sup>8</sup> Who hath heard such a thing? who hath seen such things? Shall the earth be made to bring forth in one day? or shall a nation be born at once? for as soon as Zion travailed, she brought forth her

*children.<sup>9</sup> Shall I bring to the birth, and not cause to bring forth? saith the LORD: shall I cause to bring forth, and shut the womb? saith thy God.<sup>10</sup> Rejoice ye with Jerusalem, and be glad with her, all ye that love her: rejoice for joy with her, all ye that mourn for her.*

It is by faith induced with hope that what God has revealed will be brought forth in the earth by believing that God is, and moving by faith in obedience. I have said it many times that if God revealed to us His full plan then we would no longer need faith to walk by, but we would then merely be walking by sight alone. We only know in part, and it is the walk of faith that pleases God. I can tell you for a fact that the Lord has already demonstrated to me and is now bringing to pass a portion of what He has already revealed unto me concerning what has been shared in this writing. The Lord has definitely watered this seed more by bringing this to pass in the physical! The Lord is continually increasing and will keep doing so in His own timing.
