1 Corinthians 2:12,13

Now we have received, not the spirit of the world, but the Spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual .

I saw the New Heaven & the New Earth!

God Reiterates His Promise of a New Heaven & a New Earth, in 1980!

God's witness is greater than ours. . .

Matthew 10:26

Jesus said ... for nothing is covered which will not be uncovered; and hidden, which will not be known. . .

God loves you and would not have you ignorant. He gives us this witness of eternal life! The following is God's vision for mankind. He is fulfilling His promise to not hide anything from us in these last days. The following scenes will only give you a glimpse, or an idea, not the spectacular details of what I saw, felt, and experienced. There are really no words to describe it, except maybe one - **Life!**

The Humbling Experience 🙏!

The earth had been destroyed, and I had been swept into space, standing on a piece of the old earth. My eyes became focused on a speck of light in the distance.

This speck seemed to be coming closer, and as I looked, I was beginning to realize that I was traveling over a great distance at a very high rate of speed toward the speck. Soon, the single white dot turned into two dots that were becoming bigger as I neared their position in space.

There was a sound of groaning all around me. It seemed to fill the universe. It was getting louder as I approached what seemed to be two lights. There came a time when I thought I was looking at two moons, like our full moon appears on a clear night, only brighter.

Then blue color started to appear as I came closer, revealing that these were two spheres, more like the earth than our moon. One sphere was very close to the other and following it through space.

They were identical, except one was rotating faster than the other. The axis of rotation (of both spheres) was not like the earth's, as you can see.

What an awesome sight. There was a tremendous radiation of light, or glow, from within that I finally determined to be coming through a cloud cover. Since the cloud

cover and blue atmosphere were so alive with purity there is no way to really begin to describe them. I remember seeing my right hand in front of me as I pointed at this magnificent sight. As I closed in, there was enough light emitting from within the spheres that it illuminated space. I had now entered into that light.

The glow or radiation that was permeating through my body was so invigorating, clean, and alive. "My God, what is this?" The sound in my ears was as of a million Niagara Falls. My chunk of dirt and I weren't slowing down and we were nose diving straight into the first sphere. Then I lost sight of the second sphere, as it was no longer in my peripheral vision. **"My Lord, I'm going to die!"**

I was preparing to shut my eyes as I burst through the clouds to my death, but things were now happening so fast I didn't get the chance.

Instead of bursting through the clouds, I suddenly found myself gliding at a high rate of speed over the top of the most beautiful sight I've ever seen. I was gliding along on top of the clouds of the first sphere.

Light (depicted in yellow) and whatever it was permeating my body, was coming up from beneath the clouds. I was moving with a great deal of speed across the planet. I soon saw, on the horizon, the other planet. I departed the first to pass by the second, in the same way, cruising above the clouds. "Lord,

what is this I feel permeating my body?" All the while came this same tremendously loud roar, a groaning sound which I know now to be travail. I could just see a sliver of the last planet in my peripheral vision as I was leaving it, heading out into space again.

I was again looking into darkness. "Lord, I don't want to leave t - h - i - s . . . !"

Then an incredible voice (all that the universe is, **was in this voice**), a voice with **"all authority"** said,

"It was God's voice, not the Holy Spirit's, not Jesus'!"

I can't tell you whether I was in or out of my body. Paul said the same thing about his visit to heaven. But I do know I could see, hear, feel, smell, and touch. I must say this experience is more real to me than the earth we stand on. The Lord melted it into my spirit. We have a loving God and He wants us to understand His plans for mankind! He does not want us ignorant. In these last days, He is simply in the process of fulfilling His promise in Matthew 10:26

Jesus said . . . for nothing is covered which will not be uncovered; and hidden, which will not be known . . .

1 John 5: 8-11

And there are three who bear witness in earth, the spirit, and the water, and the blood: and these three agree in one. If we receive the witness of men, the witness of God is greater: for this is the witness of God which he hath testified of his Son. He that believeth on the Son of God has the witness in himself: he that believeth not God has made him a liar; because he believeth not the record (witness) that God gave of his Son. And this is the record (witness), that God hath given us everlasting life, and this life is in his Son.

Let's talk about 1 John 5:8-11:

What you have just read about the New Heaven and the New Earth is the witness of the Spirit of God that eternal life exists! **(And there are three who bear witness in earth, the spirit, and the water, and the blood: and these three agree in one.)** Then the scripture reveals that the witness of God is greater than the witness of man. **(If we receive the witness of men, the witness of God is greater:)** One witness of God is through a believer. **(...for this is the witness of God which he hath testified of his Son. He that believeth on the Son of God has the witness in himself:)** Then the scripture says that the non believer has made God a liar. **(...he that believeth not God has made him a liar;)** The reason? **(...because he believeth not the record (witness) that God gave of his Son. And this is the record (witness),)** What is another record (witness) of God concerning His Son besides the witness of the inner man of a believer? Answer: **(...that God hath given us ever lasting life,)** God's testimony, by His Spirit, of the new heaven and new earth, presented on this page, is actually testimony of eternal life! What we have just read says that God's testimony of eternal life is testimony of His Son. How do we obtain eternal life, where is it? **(...and this life is in his Son.)**

God's Voice

ALL THAT THIS UNIVERSE IS WAS IN THE VOICE I HEARD.

I thank God for the voice of the Holy Spirit! I'm sharing about God's voice because this seems the proper place to do it. He told me to be a witness of it. If reading this experience doesn't humble you, hearing His voice would have. I found that what I saw and experienced is 100% biblical, even down to God's voice. For about 15 years I told people that I knew I heard the same voice Moses had heard. I also stated that I didn't think we could "live" if we heard that voice all the time. I know that hearing it not only changed my life but it put a reverence and a godly fear in me, to say the least.

After the experience the Lord started giving me understanding of why I felt we couldn't hear God's voice all the time and live. I found myself meditating, asking the Lord why I knew such a thing but was unable to identify the reason. Finally it hit me that it would consume you. God is a consuming fire. I soon found that scripture paints a picture of what I'd been saying. The people of Israel had heard the voice of God, Himself, just as Moses had.

Deuteronomy 5:23-29

23 And it came to pass, when ye heard the voice out of the midst of the darkness, (for the mountain did burn with fire,) that ye came near unto me, even all the heads of your tribes, and your elders; 24 And ye said, Behold, the Lord our God hath showed us his glory and his greatness, and we have heard his voice out of the midst of the fire: we have seen this day that God doth talk with man, and he liveth. 25 Now therefore why should we die? for this great fire will consume us: if we hear the voice of the Lord our God any more, then we shall die. 26 For who is there of all flesh, that hath heard the voice of the living God speaking out of the midst of the fire, as we have, and lived? 27 Go thou near, and hear all that the Lord our God shall say: and speak thou unto us all that the Lord our God shall speak unto thee; and we will hear it, and do it. 28 And the Lord heard the voice of your words, when ye spake unto me; and the Lord said unto me, I have heard the voice of the words of this people, which they have spoken unto thee: they have well said all that they have spoken. 29 O that

there were such a heart in them, that they would fear me, and keep all my commandments always, that it might be well with them, and with their children for ever!

In verse 25 we see that these people who had heard the voice Moses heard said the same thing I've said about it. Of course, I was elated when I found this in the Bible.

In verse 29 we see that God, Himself, says we should fear Him and He wants us to keep His commandments for our own sakes. In general, people, even Christians, don't fear God and our lives show it. Even the New Testament says that we should reverence and fear Him.

Hebrews 12:27-29

. . . Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear:

For our God is a consuming fire.

I hope God's witness of eternal life and God's voice stirs you. I know when I think of it, I am blessed, but also humbled. I think, "Why me, Lord?"

Scriptures concerning the New Heaven & the New Earth:

Old Testament

Isaiah 65:17

For, behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind.

Isaiah 66:22

For as the new heavens and the new earth, which I will make, shall remain before me, saith the Lord, so shall your seed and your name remain.

New Testament

2 Peter 3:13

Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness.

The radiation and light from within the New Heaven and New Earth is "**Life,**" caused by righteousness.

Revelation 21:1

And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

In the beginning was the Word, and the Word was with God. . . .or "The Fourth Dimension!"

Jesus said, . . . for nothing is covered which will not be uncovered; and hidden, which will not be known. . . Matthew 10:26. The Bible says in the "Last Days" knowledge will increase dramatically. We see this happening all around us and some Christians even talk about it, but what they don't emphasize is the fact that this message includes knowledge about God/the Bible, the things of God, and God Himself. When God says something, it is all inclusive. **"All knowledge will increase!"**

Some people say they have believed by faith and don't need further understanding of, **In the beginning was the Word, and the Word was with God. . .** In the parable of the sower it is revealed that "the lack of understanding" **is the reason** for no fruit being produced, **failure**. Everyone is portrayed in this parable, somewhere.

Matthew 13:19,23

When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the way side. But he that received the seed into stony places, the same is he that heareth the word, and anon with joy receiveth it; Yet hath he not root in himself, but dureth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended. He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful. But he that received seed into the good ground is he that heareth the word,

and understandeth it; which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, some thirty.

With the onslaught of Satan in these last days it is important that we become **grounded** in our faith, with all the understanding we can get. According to the parable, if we don't understand we can lose, because of various reasons, what was given to us in the first place. There is a difference in believing and knowing; they are separated in the Bible. You can believe without understanding but you can't really "know" without understanding.

To be a prepared active worker for the Lord in these last days you will need some, if not all, of the understanding that is revealed in this article.

"The Fourth Dimension!"

It was prophesied to me  at a prayer meeting that the Lord was going to give me a revelation. I asked the Lord what the revelation was and before the meeting was over I knew it had to do with the spirit realm. That night I had a vision . In the vision I was putting this picture on a page of a book. I didn't understand what I saw other than I knew it had something to do with four dimensions. Three days passed and I finally quit trying to figure it out and asked the Lord what this thing was. He said it was the universe. I went to my atlas and there it was, a picture of the universe, only without the tubes. The oval part of the picture was like the universe displayed in my atlas! The four tube-like objects coming out of the universe were dimensional. Symbolically, the picture reveals that the universe contains four dimensions. We say we live in a three-dimensional world and we do see only three dimensions at a time. Does the Bible say there are four dimensions?

Ephesians 3: 17,18

That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, May be able to comprehend with all saints what is the breadth, and length, and depth, and height;

We see four dimensions in this scripture: width, length, depth, and height. Then God reminded me of some information from a very old Bible dictionary about church growth. In my words, here is the formula. **Scripture will produce witness to this formula.**

“In the fourth dimension (spirit realm), the bulk or weight of a mass, by the separation of the particles, can gain magnitude (multiply itself) without diminishing the weight or bulk of the original mass.”

Let me paint a picture here of this formula as related to church growth. The body of Christ is a spiritual body that exists in the earth. As people are converted, that spiritual body increases without depleting the spirit that is on/in the original body.

Let's look in the Bible for evidence of this principle working. The first thing I remembered as this precept was brought back to my memory was in the story of Moses, where the spirit of prophecy was being given to the seventy elders.

Numbers 11:25

And the Lord came down in a cloud, and spake unto him, and took of the spirit that was upon him, and gave it to the seventy elders; and it came to pass, that, when the spirit rested upon them, they prophesied, and did not cease.

It says the Lord . . . **.took of the spirit that was upon him . . . and gave it to the elders.** God didn't bring more of the spirit of prophecy with Him when He came down. He took **of the spirit** that was on Moses.

Let's look at this again. Going back further in scripture to where God tells Moses what He is going to do. The Lord had just instructed Moses to gather the elders in the tabernacle.

Numbers 11:17

And I will come down and talk with thee there: and I will take of the spirit which is upon thee, and I will put it upon them . . .

The Lord said I will take **of** the spirit (the separation of the particles) **and I will put it upon them.** The spirit that was upon Moses was not diminished. This all happened in the spirit realm. Now let's move to this formula working in the spirit

realm and manifesting in the three-dimensional realm in a real physical way.

This formula was working when Jesus fed the multitude with the loaves and the fishes. They were reproduced without the depletion of the original loaves and fishes.

Matthew 15:33-38

And his disciples say unto him, Whence should we have so much bread in the wilderness, as to fill so great a multitude? And Jesus saith unto them, How many loaves have ye? And they said, Seven, and a few little fishes. And he commanded the multitude to sit down on the ground. And he took the seven loaves and the fishes, and gave thanks, and brake them, and gave to his disciples, and the disciples to the multitude. And they did all eat, and were filled: and they took up of the broken meat that was left seven baskets full. And they that did eat were four thousand men, beside women and children.

Understand here that the people all took various quantities of bread and fish and in different portions but there was always enough for the next person to take the portion that he wanted of each item. Why? because the original portions were not, could not be, depleted. It was more than enough!

This principle happened earlier when Elisha the prophet told the woman to gather jugs and instructed her to fill all the other jugs from the one jug containing the oil. By the separation of the particles, the other jugs were filled and the original jug **was not depleted**. It is obvious that this principle that exists in the fourth dimension (spiritual realm) is triggered by faith.

Scientists say the universe is growing. It is being created in this same way by God's faith (action). It is presently expanding and growing without the part that is presently here being diminished. **Something from nothing**, as far as this three dimensional world sees.

Now we come to the title of this article which comes from John 1. The Lord took me to these particular scriptures after I had realized all of the things you have read about up to this point. I know He did it in this order so I could understand what He was about to reveal to me. Here I share what the Lord taught me.

John 1:1,2

1. *In the beginning was the Word, and the Word was with God, and the Word was God.* 2. *The same was in the beginning with God.*

First, let me make it clear that God is talking about "the beginning," the first thing that happened. This is not at the creation of the world, or the universe. It was before that. This is about God having a Son! **When God says beginning, He means the "absolute beginning."**

There is a progression in the following. Something happened between "In the beginning was the Word" and "the Word was with God." God is a spirit. **(In the beginning was the Word)** God was alone. He was not a manifested Father although it was in Him. Then He had a Son **(the Word was with God)**. A son cannot come into existence without a father. You're not a father until you have a child. God, by the separation of the particles of Himself, reproduced Himself in a Son, and God was not diminished in any way. Then it says **"and the word was God."** Jesus is God, an exact reproduction of God, Himself. How? By the separation of particles, an exact reproduction (not a new creation) took place, without diminishing the original.

Is this true, **Jesus is identical to God? Yes!** Look at the next verse.

John 1:2

The same was in the beginning with God.

The **same** is Jesus. He is the same as God! The same was with God in the beginning! The only difference between God and Jesus is the fact that one is the Father and one is the Son. This is why we can say that Jesus is God, and not be lying. He is not God the Father but God the Son. He is simply God in a different position. This explains how Jesus could conceive of thinking what Paul states in

Philippians 2: 5,6.

Let this mind be in you, which was also in Christ Jesus: Who being in the form of God, thought it not robbery to be equal with God:

Paul said that the mind of Jesus **thought it not robbery to be equal with God**. It wasn't robbery because Jesus never took anything from God. God was not diminished. Jesus is an exact reproduction of God, Himself. He is God (equal with God) only He is in the position of a Son! There is absolutely no jealousy between the two. God the Father did everything for and through His Son!

1. In the beginning was the Word (God was alone), and (then) the Word (Jesus) was with God, and the Word (Jesus) was God. 2. The same (Jesus) was in the beginning with God.

What's in a Name? or, The Yellow Pages!

Because of the possibility that this article may upset some people, I will say this first. We, in the body of Christ, need to become very aware of the fact that **anything** we do as a **corporate body that detracts or subtracts from the cause of Christ** (in the earth) is wrong for us to do! As I was thinking about putting this article on the Web, I remembered how strong the anointing of the Lord was when I wrote it. The thoughts about the yellow pages came while I was writing, and then, as I was finishing I actually typed, "**I don't know about you, but I'm convinced.**" I sat for a moment, realizing the Lord had a big hand in writing it. With that, all I can do is ask you to read this writing with the cause of Christ in your heart and soul.

We as Christians, the corporate body of Christ, need to understand what is in a name and what a name is. It is important that names are right, especially in a move of God. Names describe and affect the outcome. That's why God changed names in the Bible, so things would come to pass.

Genesis 17:5

Neither shall thy name any more be called Abram, but thy name shall be Abraham; for a father of many nations have I made thee.

God changed Abraham's name from Abram, meaning "high father," to Abraham, meaning "father of a multitude." God did this to bring his name into agreement with what He had made Abraham. Every time people spoke his name they were establishing what it meant. In other words, God brought the men of the earth into agreement with Himself, by changing Abram's name to Abraham. When men spoke it, they were not only agreeing with God, but also **decreeing what Abraham's name meant.**

Jesus said His words were both spirit and life. Words produce. You can build up a person with words, or tear down a person with words. The world was framed and became manifested by God's words. When you speak a name you are calling forth, declaring what it means, or establishing what it is!

What does God call His church? The Bible refers to the church as the "church" and never divides it up into individual names like man has.

**The church at Corinth,
The church at Philippi . . . Etc.**

In the book of Revelation, where Jesus is correcting the various churches, it says,

And to the angel of the church of Smyrna, write; . . .

And to the angel of the church in Pergamose, write; . . .

And to the angel of the church in Thyatira, write; . . .

Here we see the Lord refer to the church as the "church" in/of a certain place. In all of the correction that came from the Lord to the churches in Revelation, there is nothing about changing or taking on a name. It is easy to see that the name is the same (church), **just descriptive of where the group was located.** The location was only given so specific information would reach particular groups.

To further explain, let's insert a common church name into what was written in Revelation.

And to the angel of the church of Methodism, write; . . .

or

And to the angel of the Methodist church, write; . . .

The reason this is not like what's in the book of Revelation is that Methodist or Methodism is representative of a **type** of belief, not a place. In the Bible, the "church" was representative of "one's belief" or "who they were" and the rest had to do with location. The name, the "church" - **encompasses all that God says it is**. The word Methodist, Baptist, etc., indicates sects, types of beliefs, and eliminates and/or restricts portions of what God says the "**church**" is to be.

The yellow pages?

If you've been praying for unity to come into the body of Christ, the church, and you really mean it, let me show you something that will stir your spirit and your soul. Suppose we rename all the churches in Oxford, Kansas, with what God calls them. The Methodist church would be, "the Church at 117 N Kansas, Oxford." The First Baptist Church would be, "the Church at 113 E Myrtle, Oxford." The Oxford Christian Church would be, "the Church at 120 W Clark, Oxford." The telephone book's yellow pages would look something like this!

| | |
|--|----------|
| the Church at 117 N Kansas, Oxford..... | 455-2547 |
| the Church at 113 E Myrtle, Oxford..... | 455-2527 |
| the Church at 120 W Clark, Oxford..... | 455-3659 |
| the Church at 415 W Maple St., Oxford..... | 455-3561 |
| Etc. | |

I hope you can see the resounding effect this would have on the public: **to open the phone books of the world**, and see all churches, all over the world, "in unity" about who they are! **Can you see the power of a simple united front?** **Someone just might think we have something the world doesn't, namely Jesus!** But now they open the phone book and all they see is division, a divided body of Christ! You see, **God always knows best.**

Does this division of names affect the public? Yes, it sure does! I've had more than one person ask me, "Who's right and why do we have all these denominations?" Some have

experienced the Lord only to disappointedly find His body divided. I know one person who has rejected Jesus, at least for now, **because of this very thing**.

If we refer to the church as God does, we would say "the Church at Oxford, KS." Could we reverse this and say, "the Oxford Church", "the Wellington Church", "the Wichita Church," etc.? The reason the reverse is **not right** is because of emphasis being placed on the name of the town instead of "the Church." Where do you think the emphasis should be? So we must return to the format revealed in the Bible, "the Church at Oxford, etc." It really comes down to **do we love**

Jesus and His cause or do we love a particular group (sect) of people and/or their specific cause?

Names, other than the one given by God, **have only brought confusion and division** into the Lord's church and into the world. The Lord's church is called the "church" in Heaven and if it was called the "church" on earth, it would eliminate a lot of confusion. We pray, "Thy will be done on earth as it is in Heaven!" There is confusion on earth, not in Heaven. Who's the author of confusion? It is the devil, who comes in while men sleep.

God speaks in the Bible of His people playing the harlot, both the nation of Israel and His church. Harlots stand on street corners and are of similar type to each other. They are in competition for clients and sometimes each other's clients. They dress differently to show or suggest they have something the others don't. The dress that the church in the world has on, **what the world sees**, is a building and a name. The people (the church) go into the building and a name every time they attend. You can go in and not take on the name but if you keep attending, you take on that name and everything it implies. What a shame! It doesn't make sense to call the church something other than what God does. It's like calling an apple, an orange. God calls it the "church" but man labels it something else, for man's purpose, for purposes of competition. "Look at me, I'm different." We are the body of Christ **but the world sees a divided body of Christ because of names**.

One needs to stop and really look at what the yellow pages would look like for more than a moment, so I have reinserted that image.

the Church at 117 N Kansas, Oxford.....455-2547
the Church at 113 E Myrtle, Oxford.....455-2527
the Church at 120 W Clark, Oxford.....455-3659
the Church at 415 W Maple St., Oxford.....455-3561
Etc.

Think about it! The leadership of the churches would have a **major attitude adjustment!** Sermons would change! The cause of Christ would most certainly be enhanced!

Let's look again at what God said to Abraham.

Genesis 17:5

Neither shall thy name any more be called Abram, but thy name shall be Abraham; for a father of many nations have I made thee.

Could God, being **absolute truth**, absolutely flawless, legally have done with Abraham what He did if He had left Abraham's name, Abram, meaning "high father," instead of Abraham, meaning "father of multitudes?" **NO!** Could Abraham become who God had ordained him to become had he kept the name Abram? **NO!** Has the church become what God called it to be? **NO!** Are all these names that men have labeled the church having a dividing, hindering effect on what God wants? **YES!** I've heard a lot of Christians go on about the fact that we, the body of Christ, need to come into unity. **If we'll come into unity with God we'll find ourselves in unity.**

Remember, it's the acts as a corporate body that determine whether a woman is a harlot, or a Bride. A true bride brings attention to her husband, not herself. When God's own people do not agree with Him about their corporate name, it is an act of harlotry! Whenever you say the Baptist Church, or Methodist Church, or **any other name**, you are **calling forth** something less than God intended. God wants a lot more for His people than they are enjoying. Let's glorify God and not our denominations, nondenominational names, etc. Do the names in the phone book matter? It does to the Lord or He wouldn't have brought this to our attention!

God Spoke to Me Directly about Judging!

I would not be writing about the subject of judging if God had not spoken directly to me about it. It is something that men don't really understand. Especially with respect to God's word and the knowledge of the positions God sets in the church. The five-fold offices are functions in the church. God had to make me understand that what He showed me was His judgement and not mine in order for me to function in the office He set me in. If you read about the prophets you will see that God's true prophets were not blind nor ignorant of the situations they were in. They were fully aware of them because of God's counseling.

Jeremiah 23:18

For who hath stood in the counsel of the Lord, and hath perceived and heard his word? who hath marked his word and heard it?

God is talking about standing in His counsel, which is the key element required to make sound judgements and be successful. It's the best way to get understanding. The more you stand in God's counsel the more you learn of God's ways and thoughts. You are then more able to make judgements based on God's will, not man's. **I stood in God's counsel when He took me to heaven and the Lord's counsel on Judging is what I'm sharing here.** Yes, as Christians we are to make judgements, but we should be aware of how and on what we base our judgement.

Jesus said,

John 7:24

Judge not according to the appearance, but judge righteous judgement.

Jesus also said,

Matthew 7: 1,2

Judge not that ye be not judged. For with what judgement ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

Put these two together and you can see that Jesus is saying to judge a righteous judgement but do not judge from the appearance because the way you judge is the way you will be judged. We should be careful in our judgements. The truth is we make judgements all the time, not really realizing it. **We should be aware of this:**

Jeremiah 9:23,24

Thus saith the Lord, Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches: But let him that glorieth glory in this, that he that understandeth and knoweth me, that I am the Lord which exercise loving kindness, judgement, and righteousness, in the earth: for in these things I delight, saith the Lord.

God is saying anyone **who really understands and knows, realizes this fact**, "That it is God who exercises loving kindness, judgement, and righteousness, in the earth." We as Christians are supposed to do the same, but we must remember it is God and only God who is able to do this perfectly. **It is God who reveals true loving kindness for a situation. It is God who reveals the truth and is the perfect and true judge in a situation.** Actually, without His input we just don't know the pure truth. God says we are not to glory in our own wisdom. Boy, does man do that! So here I share what The Lord said to me about judging. It should broaden your understanding.

The event starts in a meeting of a committee that's purpose was to choose or recommend a new pastor to the congregation. There were a few of us in the meeting who wanted to make sure we were getting a Bible believing pastor. I don't remember the exact words, but there was something said that triggered me to suggest that maybe there were some people who were not saved in our congregation. After all, the Lord had shown me my wife wasn't. **Immediately I was accused of judging!** I kind of slid down in my seat, thinking they were right, asking the Lord to forgive me for judging. You can guess right, I was quiet the rest of the meeting.

The next morning I was doing my chores and talking to the Lord. I was genuinely concerned about the **outcome of the meeting** and whether we were getting the right pastor.

I had already accepted the fact that I had judged other people. **But there was something stirring me about the meeting that wouldn't let go.**

Suddenly I stopped, stood still, and asked the Lord about the meeting. I asked if there was something said that shouldn't have been said, or was there something not said that should have been said. Here is the Lord's answer 🙏.

If a man receives by the spirit of God, a word of knowledge and a word of wisdom, and it is revealed that there is a problem with another person, is that the judgement of the man or the judgement of God?

God had been dealing with me about Ezekiel and so my thoughts were this, "When Ezekiel spoke judgements to the people it wasn't his judgement but God's judgement thru him." I understood this fact. The Lord knew my thoughts, He went on 🙏.

If this same man starts to see the same problem in those around him, is that the judgement of the man or the judgement of God?

The answer was obvious and a little later I asked the Lord, "Then, what is judging?"

His answer 🙏,

If a judge sitting on a bench does not have all the evidence and makes a judgement, he has "judged." If a judge sitting on a bench has all of the evidence and makes a judgement, he has made a sound decision and not a judgement.

What the Lord had told me made perfect sense and was simple. If you have all of the evidence you are not judging but **making sound decisions. To have all the evidence we need** God's input. This is a truth! When we have God's evidence we are not judging but making sound decisions based on His judgement. When God shows something to a prophet it is not the prophet's judgement, it's God's.

God is the "Supreme Judge." **He knows everything**, even the thoughts and intents of the heart. He is the revealer of the truth. So if we glory, **let us glory in Him** and in the fact of what He said . . . *that I am the Lord which exercise loving*

kindness, judgement, and righteousness, in the earth: for in these things I delight, saith the Lord. Jeremiah 9:23,24

Returning to my situation at the church meeting, I came to understand that I wasn't judging the people, but the situation. God had previously given me His evidence, and therefore His judgement of the situation. I was not judging when I suggested that others might be in the same position as my wife, because the evidence was already there. Actually, those who accused me were judging according to appearance, not according to any legal evidence. They didn't have all the facts because they didn't have God's input on the matter, nor did they know all the scripture on the subject.

This experience has broadened my understanding of judging. It also made me aware of the fact that one must gather all the evidence and all the scriptures on a subject to begin to see the true picture. After the Lord showed me the mechanics of salvation I then understood how any scripture pertaining to salvation fit into the true picture **without contradictions**. To make a righteous judgement one must have and use all the evidence or get the answer directly from God. Not having all of the evidence produces a judgement. What God reveals in the judgement is always a righteous judgement, whether we understand it or not. We can see now why the church needs the functions of an apostle and a prophet. These two offices, or functions, produce the revealing of God's judgement. Mercy comes after a judgement, not before.

How Long is Eternal Life?

Eternal life is not something we as Christians should want anyone to miss, no matter who they are or what they have done! It's what the gospel is really all about. **Do you really have any idea of how long eternal is?** The following scripture had always intrigued me as a young man because I understood that you could never find west going east and you could never find east going west. I also knew I still had no inkling of how far that really was.

Psalms 103:12

As far as the east is from the west, so far hath he removed our transgressions from us.

I had understood that physical life can be represented as a distance. So during my experience with God in 1980, this curiosity came to the surface. At one point I had seen myself speaking to a rather large church in a vision. I found this hard to believe, especially because this is not something I enjoyed doing, by any means. The Lord had been showing me things concerning salvation. So one day I asked, "Lord, if I am to speak to the people about salvation, will You give me something to tell them about eternal life? I can't even comprehend in my mind how far the East is from the West."

The Lord said 📖, *"Take the surface of the Earth. Let that represent eternal life. Now take a pin and prick the ground. That pin prick represents your present life."*

The Lord asked, *"How many pin pricks does it take to cover the Earth?"*

I was astonished, because I knew that it would take zillions upon zillions of pin pricks to cover the earth! That would be zillions upon zillions of our present life spans! To top that, He then asked, *"What happens when you start the pin into the earth next to the prick you just made?"* I saw this,

I could see that when the pin started into the earth next to the prick just made, it started to fill the original hole. As more pricks were made around it, the hole becomes completely filled in. If you were to try to cover the Earth with pin pricks, you wouldn't ever get outside a square inch, because the pin pricks **would be continually filled back in. And the Lord said to cover the earth.**

What an analogy! I was very impressed with the idea that **this life actually ceases to exist**, when it is compared to eternal life. No wonder He can erase (not just forgive) our sins!

Weather Forecast for the world!

El Nino is said to be over, why does it continue?

 Vision given Feb. 28, 1996:

I saw the Lord standing in space with the earth turning slowly at His feet. Suddenly He dropped to where the earth was at His waist. I saw Him take His finger, and place it close to the top of the earth like one spins a globe, causing the earth to spin faster. I saw the normal flow of clouds over the earth become disrupted.

(Time passed)

2. Again, I saw the Lord use His finger, causing the earth to spin faster yet, and the flow of clouds became more and more disrupted.

(Time passed)

3. For the third time the Lord took His finger and caused the earth to spin even faster, the clouds began "tumbling" instead of flowing.

(Time passed)

4. Then suddenly He placed both hands on the sides of the earth, stopping it instantly.

What has happened since the vision was given?

On 8-26-97, the Lord showed me that I was to make a separate picture of each cloud scene, depicting three different times, and three distinct levels of disturbed weather. (Note: The scenes below do not depict enough cloud cover

in each one)

Scene 1 One night a weather man on TV said we could see something not often seen. If I understood the weather man correctly, you could see the upper jet stream clouds. I was a little shocked to see what seemed to be the

same flow of clouds the Lord had shown me in the first scene of the disruption of the normal flow of clouds across the earth.

Scene 2 I will fill this in when the Lord reveals that we have entered this stage. We will know somehow and some people will probably be hollering, "I told you to pay attention to Global warming!"

Scene 3

This scene is prophetic to the Lord's day, the day of clouds, and the day of the Lord's ships in the Bible!

Be sure and read about the day of the clouds in the article, "The Lord's Ships" on the main page of this site.

Scene 4, the Final Scene.

What about the end of the vision, the earth being stopped by the Lord?

Symbolically, speeding up the spin of the earth would mean time speeding up (shorting the days, as the Bible says). In the vision, it also causes the weather to be disrupted, producing extremes in the weather which cause stronger winds and updrafts. **Stopping the earth, as symbolically seen in the vision, would mean no updrafts and no winds which is also scriptural!**

Revelation 7:1

And after these things I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.

To speak about the vision a little, the Lord has revealed that the weather is going to have more extremes as we move through time because of the clouds being more violent. The weather will break records in every aspect, and more and more as we go. Dry will be drier and wet will be more wet. As time goes on all of this will become more apparent. There is one thing for

sure, the common person on the street is noticing Weird Weather!

But God would not have His people ignorant. He does nothing without a purpose and scripture says He will warn people through His prophets! Before we get into His purpose, let's explore the effects of stronger winds and updrafts. It is only logical that the tumbling clouds in the vision would contain stronger winds and huge updrafts (extremes).

Are strong winds, updrafts, and their effects consistent with scripture?

One thing that happens when the wind becomes more violent in a thunderstorm is that it produces larger hail and more of it, because of stronger updrafts.

If you read a dictionary definition of hail, you will find that it is generally stated that hail is produced during thunderstorms, caused by water being held aloft by strong updrafts. It is logical that the stronger the updraft the larger the hail becomes, because small hail, once formed, is held up longer and therefore becomes larger.

Below are scriptures containing reference to hail:

Revelation 16:21 KJV

And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.

Psalms 148:8 KJV :

Fire, and hail; snow, and vapours; stormy wind fulfilling his word:

Haggai 2:17 KJV

I smote you with blasting and with mildew and with hail in all the labours of your hands; yet ye turned not to me, saith the Lord.

Revelation 11:19 KJV

And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were

lightnings, and voices, and thunderings, and an earthquake, and great hail.

This presents quite a picture, doesn't it! More of the picture is presented in the day of the clouds in the article "The Lord's Ships." I have learned (since being in the ministry and learning God's ways) that it takes a calamity for people to turn to God in a real way, laying down false doctrines. Some, through tribulation, become teachable! The Bible says we learn obedience through tribulation; even the Lord did. God will also deal with His rebellious church in the world, through tribulation, and some will learn obedience.

Scriptural reason for tribulations or judgments.

Isaiah 26:9

With my soul have I desired thee in the night; yea, with my spirit within me will I seek thee early: for when thy judgments are in the earth, the inhabitants of the world will learn righteousness.

Righteousness is a "learned" ACT!

1 John 3:7

Little children, let no man deceive you; he that doeth (practices) righteousness is righteous even as he is righteous.

The Gnashing of Teeth

In the night on Jan. 2, 1999, the Lord showed me that there is someone who has read part or all of this material and is saying, "It costs too much!" This is a person, or persons, who is in a position to deliver this information to others. The point is that this person believes at least some part of what the Lord has revealed in these writings but is saying it is too costly to themselves to deliver it to other people or implement it in their own lives. Because the Lord showed me this, I must share a bigger picture. There is no condemnation in this article from me, or the Lord. He simply wants you to know! He does not condemn but simply reveals truth. **I am sharing the truth of what will happen to you** in the hereafter if you are in this position.

The Bible does say to count the cost of what we are about to do. To count the cost correctly one must have the whole picture, not just what we see from our viewpoint in the natural!

Luke 14:27-28

And whosoever doth not bear his cross, and come after me, cannot be my disciple. For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it?

When I told the Lord back in 1980 that I would do whatever He wanted me to do, I had no idea what that would entail. There was no way to know where the Lord would bring me to, or what types of things would be expected of me by Him. I have come to believe the only cost we can count when we say "Yes" to the Lord is that decision to bear our own cross, no matter how heavy it gets. If we quit when it gets too heavy, then we stagnate. It may not look that way to the world but believe me the truth is still written in heaven. The real culprit is Satan. He is the one making many suggestions to our minds, "It costs too much," and, "Look at what all will happen!"

Satan uses the natural for his purposes and doesn't reveal the truth of what will happen to you in the hereafter!

Gnashing of Teeth

Jesus used these words many times. I experienced the gnashing of teeth when I finally admitted how salvation occurs. Because I finally admitted the truth, I also saw the truth about all the false doctrines of men concerning the subject. When I saw both the truth and the false doctrines, I gnashed my teeth! It just happened! It wasn't something caused by God but was the result of seeing pure truth. Let's look at a picture presented by the Lord of the wedding feast.

Matthew 22:11-13

And when the king came in to see the guests, he saw there a man which had not on a wedding garment: And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless. Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness; there shall be weeping and gnashing of teeth.

This man knew of the wedding and knew what it was. He wanted to be there but he wasn't dressed properly, in the wedding garment. This man was speechless (stunned) because he believed he was supposed to be there but was removed **because of his previous acts**. (The Lord didn't ask his name but went by what he was wearing!) Then it says, "*there shall be weeping and gnashing of teeth.*" Because of my experiences of being in heaven and my experience of gnashing my teeth, I know that everyone at the wedding will gnash their teeth when anyone is thrown out, not just the person being thrown out. The sad thing is that those who had on the wedding garments could not do for the man being thrown out what had to be done. He had to have already done those things (symbolized by the wedding garment) himself. No exceptions. (You get dressed before the wedding!)

This same picture is presented in the parable of the ten virgins, where the five could not give their oil to the other five that had been asleep or they wouldn't have enough to get to

their destination either. Are you asleep to what God is really doing, preparing a Bride for His Son? Are you getting dressed, by your acts, for the occasion?

Run and don't look back.

Hear Me now, says the Lord, I am He who is a God of covenants and in those covenants there is no variableness. I am chastening My servants whom I love. It is time for My Bride spotless. Purging is in my church, purging, purging. Untruth must go. You are in the fire. Who is it that can hear? Who is it that can see? Who is it that will receive? I say to you, "Be as Paul." Do not dwell on past failures, but be renewed in your minds and run toward My high calling for you. Don't look back. Paul did not look back at those lives he slew. I have faith in you that you won't look back at all those souls you missed. Look forward to the harvest with understanding. Be as Paul and change. Be as Paul and run the race filled with grace, truth, and simplicity. Take My heart, learn My heart and take it to the people. Learn My ways, follow my ways - not my acts; for I am the Lord who leads, teaches, and instructs. I am the One who has already won the battle. So run and don't look back.

Stiff-necked - Who Me?

 *"No! It took me three years to convince you of what I showed you in the beginning."* Shocked as I was to hear this reply from the Lord, I talked about it with my wife as we went to the parking lot after church. I thought back and knew the Lord was right. It had taken three years for me to admit that He was right. Back in 1980 He had shown me a truth, in a vision in the beginning, but I had hung on to my beliefs until one day, three years later it happened. My stiff-necked-ness broke. All that He had spoken and shown me finally cut me to the marrow of my bones. I gnashed my teeth because of the truth I saw, just because I had admitted He was right and what I wanted to believe was wrong. I cried before the Lord for mankind, especially His church. The strength had gone from my body and I could hardly stand. **I had hung onto what I wanted to believe for three years.** Now it was gone forever. God had taken it from me. What I wanted to believe was sinking sand and wouldn't hold water. What He showed me was based on the rock, on what Jesus said.

I wouldn't have considered myself stiff-necked when the Lord was dealing with me but as I look back now, I know better. Christians think they are pliable in the Lord's hands but the Lord has gently shown me they aren't. Ironically, He had told me He was sending me to a stiff-necked people, and later He told me He was sending me to His church. Yes, one in the same, and I am a part of it, a part of being stiff-necked. I just had never put the two together. **Are you hanging onto what you want to believe?**

Read the *Death of a Pet* book. God reveals a picture of the power of the will of man to believe what he wants to believe!.

God Deals with Me About Pride!

God says we are a peculiar people. He is bringing us out of darkness into His light (of His Word and His Kingdom). He tells us we do not think like Him. He has to change our thinking, our pattern of thought, before we Christians can accomplish what we are to do in these last days.

For example, God had to deal with me about saying I had been to heaven. Actually, I thought it would be prideful to include it in my writings. I was obedient to the Lord but there was protest on my part. He kept telling me to speak the truth. I finally bowed to His command.

I know the following vision is mostly for me, but the Bible says all of the gifts are given to profit all of the body of Christ.

1 Cor 12:7

7 But the manifestation of the Spirit is given to each one for the profit of all: (NKJ)

(The Holy Bible, New King James Version Copyright 1982 by Thomas Nelson Inc.)

The devil, either directly or through other people, likes to keep Christians from speaking the truth and sharing the “things of the Spirit,” what God has taught us, and done for us in our lives. He implies that to do so shows pride in some way. This comes from the haughty spirit, embedded behind such thoughts such as, “Who do you think you are?” Much of the reason for the church not recognizing the true Apostles and Prophets of God is actually a haughty spirit, “Who do you think you are?”

In the following night vision, I hope you can grasp what God is saying about pride (which is directly related to haughtiness). God wants you to become educated so you can

be effective for His cause. Most of the time we don't see things as God sees them. (If we understand how God sees the situation, this can sometimes give us the strength to push forward.)

Here, God is revealing how He sees people in the church who hang onto their own ideas and doctrines, not having been taught by Him. **It was much more than a Sunday School lesson for me!**

On January 29, 1998, The Lord was dealing with me about my pride, or what I thought was pride. I believe the vision speaks for itself and will speak to you in your situation. You may be on either side of the picture it presents.

 The scene was over my head in my bed. I was in an argument or debate, with another man. This man (of position) was hanging on to what he believed. I finally got angry and said, "I've been to Heaven, you haven't. I know what I'm talking about." Immediately, I woke up, sat up in my bed, and spoke to God saying, "I won't do that, that's pride!" God spoke back to me out of the vision, **"It is pride for them to think they could know anything, not getting it from me!"**

I almost put this article in the Holy Spirit section of this web site because it is the lack of understanding of how the Holy Spirit teaches that is the root of the problem.

**Are We Living in the Last Days?
God convinced me!**

Jesus said:
"But as in the days of Noah, so shall also the coming of the Son of man be."

God says we won't know the day or the hour and Noah didn't either when it came to the flood! BUT!
"God told Noah when to get into the Ark!"

Vision fulfilled: Nov. - Dec., 1991, as the USSR was being dissolved, I walked into my living room to see the exact picture on the TV screen that I had seen of RUSSIA in the vision of 1980.

The Word of the Lord came 🙌:

"I am setting the 'End Time Stage' for end time events."

I realized Russia was now in its right form for **Biblical end time events!** I hadn't realized that Russia's position in the scheme of things had not been biblically correct for end time events prior to this particular event in history. God's word comes to pass exactly.

The visions were given in April of 1980. The vision of Russia came to pass sometime in Nov. - Dec. of 1991, almost 12 years after it was originally given, following the pattern of

Habakkuk 2:3

For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.

What is "the sign" from God, to me and you? - We have entered into end time events! -

This means all the end time scriptures are in effect. This includes: (unknown to man) doctrines of devils in the church, leaders and teachers (having itching ears) who need to be taught themselves, forms of godliness, spots to spotlessness must come to pass in the church, etc. It's just as real as God delivering Israel from Egypt. It's just as real as Jesus going to the cross.

China and India - Kings of the East

Revelation 16: 12

And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.

My House

The Bible talks about "my house, or a house" many times. It presents another picture that we can understand of God's Kingdom, God's church. The Lord sometimes calls His church a house.

2 Timothy 2:19-21

Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, Let every one that nameth the name of Christ depart from iniquity. 20 But in a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. 21 If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every good work.

Here we see that every one that nameth the name of Christ is in a great house. Naming the name is your declaration of faith (establishment) to another person that Jesus is who He is. Paul also says that anyone doing this is to depart from lawlessness, but He goes on to say there are those who won't do this. Therefore, there are those in the Lord's (House, Church, Kingdom) who do not honor Him but never-the-less they are still saved (still in the Lord's house). So in this great house there are some who honour, and some who dishonour.

This same picture is presented in a Kingdom setting. Jesus said,

Matthew 5:17-19

Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled. Whosoever therefore shall break one of these least commandments, and shall teach men so, he shall be called the least in the kingdom of heaven: but whosoever shall do and teach them, the same shall be called great in the kingdom of heaven.

We see the same picture of people who don't obey God's laws still being in the Kingdom of God just like the picture that the Lord's house presented. Here we also see that even those who teach wrong things are still there but called the Least in the Kingdom, (House, Church). The reason for this is because Jesus' blood covered our sin on both sides of our moment of salvation. You can lose your salvation by denying Jesus but to sin is not to deny Him. It is the lack of control over your flesh, and the lack of knowledge. I have departed a little from the subject, but this needed to be said here. I have presented this so we can see that God paints many pictures of things in the Bible so we can get a better understanding of what He's saying.

It is important to have your house in order.

2 Kings 20:1

In those days was Hezekiah sick unto death. And the prophet Isaiah the son of Amoz came to him, and said unto him, Thus saith the Lord, Set thine house in order; for thou shalt die, and not live.

I believe the picture presented by Christ is probably the most important to understand. Jesus' covenant promises are sayings (and heareth my sayings, and doeth them). We must enact our part of those promises to be in covenant with Him. Something out of God's mouth or the Lord's mouth must be at the foundation of our teachings and acts, as a person and as a church. Here He refers to you as a person building a house but this also can translate into building a kingdom or a church.

Luke 6:47-49

47 Whosoever cometh to me, and heareth my sayings, and doeth them, I will show you to whom he is like: 48 He is like a man which built an house, and digged deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock. 49 But he that heareth, and doeth not, is like a man that without a foundation built an house upon

the earth; against which the stream did beat vehemently, and immediately it fell; and the ruin of that house was great.

You build your spiritual house on what you have ingested, or picked out of the sky to believe as the truth, right or wrong. If you are having dreams and visions concerning your house, God is dealing with you either about what you believe, or what you are doing. We are living in the last days and He said He would give dreams and visions to all flesh during this time. He will continue to do it whether people understand or not, because He said He would. He wants your house (beliefs) in order when He comes or when you meet Him after death. God always has a purpose in everything He does. When the Lord started to show me that I needed to change my belief on tithing, He gave me a dream 📖. In this dream I was to change the print on the wallpaper I had in the living room of my house. I was to get the new print from Texas. Later a friend of mine went to a place in Texas where they study and translate Hebrew. She came back with the information about how the early church handled the tithe. This changed the print on the wallpaper of my living room. I not only believe differently, but I live what I believe. I act out what God taught me from Texas. That's why it was the paper in my "living room." Another time the Lord dealt with me through a dream about my house. My wife and the same friend had told me that I needed to go to Tulsa. I kind of felt that I needed to go but I wanted to know why before I left. It seemed stupid to me to drive that far not knowing what we were to do there. The Lord gave me a dream of my house. 📖 There was an old man living there and I couldn't move in until the old man moved out! I knew what the dream meant. I was not walking in faith. I was walking as I had always walked, in the flesh. I knew faith had to do with things unseen. We went to Tulsa and, without giving details, I can tell you I was supposed to Go! Another time God showed me the house of a different person. 📖 She wouldn't let anyone into their main closet, the one where everyone hung their coats when they came in from outside. She kept it under lock and key. God was saying she won't let Him deal with what that family has hidden. This doesn't allow healing of the past, or correction in their lives. One time the Lord showed me a church

as a house. It was a Word Church in a particular town. It had no foundation. The same symbolic meanings apply, whether it's a personal house, a church house, or a kingdom (nation) house. If God shows you your house and there is no foundation, or there is a problem with that foundation, then you should realize that you are missing something and have "wrong thinking, wrong beliefs" about something foundational in God's word. Wrong thinking produces wrong actions. It is very serious. Wrong actions will let your house fall and be destroyed, if not changed. Wrong thinking, wrong beliefs, traditions of men, and false doctrines "that are foundational" always let a house fall, in time. It will show up in Heaven, if not here on earth. In contrast, the things God reveals that have to do with rooms and decor are quite honestly not as serious as foundational problems but still should be corrected. God is on your side and knows what you need or a church needs. He is coming to a spotless church, a house that's in order! I have shared this so you can gain understanding about the Holy Spirit dealing with an individual "as a house" or the church "as a house."

It's a very serious thing,

GOD'S SHIPS - THE DAY OF THE CLOUDS

This article should help show you that God is preparing for end time events. It also shows us that the Bride will still be here during those events. This is not hard to accept when you understand the spotless - married - Bride will be under God's protection. As I said, God had planned at the elders meeting for me to spend time with a prophet with a very vital commission that is revealed in God's word. Again, we are not here to bring attention to men but what God is doing through them!

James Banfield has been commissioned by the Lord to build two ships, Revelation and Revelation II. They are for the Lord's end time purpose.

Since the last gathering of the apostles, I have had some e-mail correspondence with this man. Because of this correspondence and my finding his site, I began having a much better concept of God's end time plan and our involvement in end time events. I am convinced that the structure God is bringing about among His true apostles and prophets will remain until His coming. Their purpose is to perform various tasks for Him, the King of Kings! And yet, I know we are catching only a glimpse of what the Lord really has planned.

I have seen some sketches of these ships and have already met the caliber of men, yielded to the Lord, who could speak with God's authority from these ships. Are the ships biblical? Yes, they are; although we know in part, just as Moses only knew in part as to all that would happen when he set out to be used of God to set Israel free.

Ezekiel 30:1-9

The word of the Lord came again unto me, saying, Son of man, prophesy and say, Thus saith the Lord God; Howl ye, Woe worth the day! For the day is near, even the day of the Lord is near, a cloudy day; it shall be the time of the heathen (NKJV - the time of the Gentiles; IB - it shall be the time of the nations). And the sword shall come upon Egypt, and great pain shall be in Ethiopia, when the slain shall fall in Egypt, and they shall take

away her multitude, and her foundations shall be broken down. Ethiopia, and Libya, and Lydia, and all the mingled people, and Chub, and the men of the land that is in league, shall fall with them by the sword. Thus saith the Lord; They also that uphold Egypt shall fall; and the pride of her power shall come down: from the tower of Syene shall they fall in it by the sword, saith the Lord God. And they shall be desolate in the midst of the countries that are desolate, and her cities shall be in the midst of the cities that are wasted. And they shall know that I am the Lord, when I have set a fire in Egypt, and when all her helpers *shall be destroyed. In that day shall messengers go forth from me in ships* to make the careless Ethiopians afraid, and great pain shall come upon them, as in the day of Egypt: for, lo, it cometh.

In the Bible God's messengers are His true apostles and prophets and they have a message from God! God says, ". . .messengers go forth from me *in ships*." James has much more information on his site. If you read all of his testimony you will gain more understanding of the purpose of these ships. But to give you a little insight here, I include his testimony of:

"Feb 9, 1992(Hoag Hospital, North Newport Beach) the Lord again spoke to me and said, 'James, take my church to the people.' This time I answered and said, 'Yes, Lord, I want to take your church to the people but you are going to have to show me how you want me to do it....' Then HE spoke these words that shook me in the spirit from head to foot... 'James, build my ships ... to show you that it is I the Lord thy God that speaks this thing to you, I will give you 7 confirmations. Here is the first ... LUKE 5:2.'"

And this:

"In the 6th year of the waiting upon the Lord He brought me to Dan 11:30 and asked me this question...'What nation would send their ships of war against one who comes against the Holy Covenant?' I answered, 'None, Lord, for no country would send their ships against another just for their religious beliefs.' Then He said, 'Then who's ships are these that defend the Holy

Covenant?’ I knew the answer...‘They are your ships, Lord, your ships that are sent to defend the Holy Covenant!’”

James has progress reports on his site and I picked one for you to see:

“2/2/2000!! Exactly 8 years to the day (Feb 2, 1992) when the Lord said, ‘Take my church to the people.’ ... I saw the concept plans, sketches for the Revelation and the Revelation II. WOW!!!!”

With all this, it is apparent that God is rapidly preparing the stage for end time events. Here I remind you that in 1980 God gave me a vision of RUSSIA and told me it would be a sign unto me. Then in 1991 when the USSR was breaking up, I walked into my living room to see the news on TV. There was the exact scene of Russia on the screen that I had seen in 1980. **The Word of the Lord came saying, “I am setting the end time stage for end time events!”** I then realized Russia was now clearly in the right form for it’s end time role and no longer a part of the Soviet Union. God has not told me but it appears we are very close to end times. Some have figured that man’s 6000 year lease on the earth is up towards the end of this year. You may not think this to be significant, but what happens when the lease on your house or apartment runs out? Things are up in the air, aren’t they? Interesting, isn’t it?

Another God appointed subject that is so interesting to me is in the portion of scripture (concerning the ships) I put in blue print. **For the day is near, even the day of the Lord is near, a cloudy day...** (IB & NKJV- a day of clouds);. When the Lord gave me the vision of the weather that is to come, in the third scene (third one down), the earth was completely covered (enveloped) with various types clouds (more than pictured). I remember when I made the scene I knew I didn’t have enough clouds, as you couldn’t see the earth through the clouds in the vision. With the computer programs I had at the time I didn’t know how to depict flow, with all the earth completely covered.

(You can see the scenes and the full description of the vision on the web site at: <http://www.takehisheart.com/weather.htm> or ask for the free booklet INSIGHTS!) There are three distinctive scenes or time periods concerning the weather, with increasing clouds and turmoil in the weather and then a final scene where the wind does not blow across the earth, which is scriptural. It is not hard to see that the apostles and prophets on these ships, Revelation and Revelation II, will be fulfilling scripture during the time of clouds as revealed by the Lord in the vision concerning the coming weather. He does not want us ignorant.

I had completed this writing to here and on 5/30/00 I attended a ministry meeting. There was much prayer and I kept trying to focus on the meeting but the Lord kept showing me the third scene. I kept pushing it aside, thinking it was my imagination and my mind was not on the meeting. Finally I realized He was bringing me into a much closer look at the clouds in the third scene. The Holy Spirit was reminding me of what He had shown me in the vision, but now was giving me a closer look. The clouds were very thick, more like what I know to be cumulus type clouds, very tall. The sun was shining brightly or intensely on these clouds. This was made apparent every time the Lord showed me this. I finally realized the sun was not shining brightly on the earth anywhere because of these thick clouds. Having realized this is when I quit having the scene come to me in the Spirit. I realized the “day of the clouds” are the same days the Bible talks about when the sun is darkened. Realizing this helped me understand why the Lord told me years ago, “The book of Revelation is simpler than you think.”

The day of the clouds:

Isaiah 13:10,11

For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine. And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay low the haughtiness of the terrible.

Joel 3:13-15

Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the vats overflow; for their wickedness is great. Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision. The sun and the moon shall be darkened, and the stars shall withdraw their shining.

? Who is going to bring forth the truth for people to be able to get into that valley of decision? These people have to hear something that brings them to a decision. The day of the Lord in this scripture is the same day of the Lord in Ezekiel 30. Ezekiel 30:1-9 *The word of the Lord came again unto me, saying, Son of man, prophesy and say, Thus saith the Lord God; Howl ye, Woe worth the day! For the day is near, even the day of the Lord is near, a cloudy day; it shall be the time of the heathen (NKJV - the time of the Gentiles; IB - it shall be the time of the nations). This is the day God sends His messengers out in ships. (This does not mean there won't be messengers by land also.) It is a day when the Lord has a group of people who are stronger than any other group that has ever existed on the earth. They are His Bride, His spotless army, **a protected, in-covenant people.** Look:*

Joel 2:1

Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the Lord cometh, for it is nigh at hand; 2 A day of darkness and of gloomi-ness, a day of clouds and of thick darkness, as the morning spread upon the mountains: a great people and a strong; there hath not been ever the like, neither shall be any more after it, (God's strongest group of people ever on the earth.) even to the years of many generations. 3 A fire devoureth before them;. . . 7 . . . and they shall not break their ranks: 8 . . . and when they fall upon the sword, they shall not be wounded (a protected people). . . . 10 The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark, and the stars shall withdraw their shining: 11 And the Lord shall utter his voice before his army: for his camp is very great: for he is strong that executeth

his word: for the day of the Lord is great and very terrible; and who can abide it?

Russia, the gathering of the Lord's apostles to carry out His commands, and the actual building of the ships for use in the day of the Lord (the day of clouds) as predicted in Ezekiel, lay a pretty good picture in front of us (as Christians) to help us to realize we will be used in end time events. One man, already having the plans for the building of the ships, reveals how close the day of clouds really is. It is easy to see that God is bringing things together, setting the stage right now, for His end time **move**. I must do as the Lord has instructed me and say, "Set your eyes on Bride-ship." I now know it is because the Lord will protect His Covenant Bride, who has become His wife. (I must make it clear, a spotted church is not in covenant with the Lord!)

God Deals with the Rapture Doctrines of Men

Some Background:

Through the years people have asked us here at *Take His Heart* about our doctrine on what some people call *Rapture*. I usually told them that God is dealing with me about the spotless bride and has not given me anything about rapture so I will not put any teaching out about it.

Lately this subject kept coming up with more intensity, even from inside this ministry. In general, people were saying that we needed to know what to tell people when they ask us our doctrine on rapture. Then one day I was reviewing some pages on the web site and saw that God had given something through me back in 1988 concerning meeting the Lord in the air. I realized I could no longer say the Lord had never revealed anything to me concerning what some people call rapture. Realizing this I knew something was up, that God was probably going to deal with this issue.

Then with the increased pressure from people, I decided to hear what the people in this ministry believe and announced

through e-mails that the next Sunday we were going to talk about rapture (to bring your stuff, etc.). I told them God would have to reveal in the *Flow Chart* what we needed to know as we went through this process. God did reveal, but not what or how I thought! After I sent the e-mail God immediately started to deal with me in the night. I had scene after scene, some dealing with me personally, the situation in this ministry, that I needed to make things plain, and one in particular that revealed I was going to need to re-say some things that I have already said on this site.

October 25, 2003 The first scene we need to understand:

I was looking at two containers moving down the Interstate (turnpike), side by side (suspended in the air, with no vehicle carrying them). They were about 6-8 feet tall and about that wide, maybe a little wider than tall. These containers were liquid tanks and reminded me of the sealed containers used to ship large parts across the country. The containers were made of chat particles of different colors, mainly gold -yellow -red. I don't remember seeing any green or blue and I know there was no white or black. As I watched the containers move down the pike, I was shown that the left container was radio active and people who got around it would get sick and eventually die. It was the container that was radioactive, not what was in it. It was revealed to me that no one knows what is in the containers, they are sealed. Both containers were identical, only the one on the left was radioactive and the one on the right was not. I was told that I was to make the radioactive container non-radioactive so people would not get sick and die from being around it. I came away from the scene knowing that the two tanks had to do with the end time doctrines of men and that the "radio active tank" had to do with the rapture doctrines of men that exist.

I will spend some time on this scene because we all need to understand the symbolism of the chat of different colors, the sealed tanks and the radiation. When I emerged from the scene I knew that the information was sealed, that no man

knows. **I knew that this included me not knowing** but my problem was that I had been told to make the radioactive tank non-radioactive. How could I make the radiation go away when I wasn't sure what was causing it?

The Tanks

It was revealed in the scene that no one knows what is in the tanks; that the end time information inside the tanks, represented by the tanks containing a liquid (the water of the Holy Spirit), is sealed. No man knows nor can man ever know until the seal is broken. The chat tanks going down the interstate reveals that the chat is out there in the world and on the move. These chat tanks or man's "think tanks" are about end time events like the Rapture, meeting the Lord in the air, the events concerning Russia and/or Armageddon. This is not good when you know what the chat represents. This chat on the Rapture issue is emitting radiation and its effect on Christians brings sickness and death.

Years ago in our Flow Chart the Holy Spirit taught me the symbolism of "Chat." Basically, it has to do with coming up with a teaching from the Bible without the input of the Holy Spirit giving a "thing of the Spirit" for understanding. (See two examples of chat.) Because we are talking about end time events I will use end time events as an example. The Bible is full of end time events and there are men who have studied these events, trying to get some order to them. They are teaching the people without the input of "a word of knowledge or wisdom" of some sort from the Holy Spirit. The Bible says to study it to show ourselves an approved worker, so we are to read and study the Bible. The point is that God says **our thoughts are not his thoughts** so we must have the Holy Spirit (who is our teacher) give us insight. **YOU DO NOT HAVE ANY INSIGHT FROM THE HOLY SPIRIT UNLESS HE GIVES YOU A WORD OF WISDOM OR A WORD OF KNOWLEDGE** in some way. What He gives you is something you can share - something you can point you finger to; like a dream, a vision, a word, etc. So when it comes to the end time events, **no one** can know the order of events or even understand the events without a "thing of the Spirit" through someone. The reason is

simply because our thoughts are not God's thoughts. We have many people putting out things of the future without the Holy Spirit showing them something.

Ezekiel 13: 3 KJV

Thus saith the Lord God; Woe unto the foolish prophets, that follow their own spirit, and have seen nothing!

In the scene the chat was colored with the predominate colors being gold, red, and yellow. The gold is good and the red is good but the yellow represents a lie. The colors were all evenly mixed, meaning the lies are mixed throughout all the chat into the truths of God represented by the gold and red.

When God was teaching me about the meaning of chat He showed me a grain bin sitting on a foundation of chat. It was in a flood zone and the grain inside would be ruined when the enemy of mankind brought in a flood. Chat represents the formation of ideas in Bible studies, preaching from pulpits, and anything man tries to come up with to explain scripture in the Bible without the input of the Holy Spirit.

Aren't you tired of mankind -

telling you something was going to happen, only to live through the date proving they were wrong? This is because they do not have the concept of how the Holy Spirit teaches and leads, comparing Spiritual with Spiritual. This has to do with the bottom spot on the Body of Christ being the root of the lack of knowledge (God's thought) on any subject.

This same grain bin, in real life, was finally put on a foundation of concrete, raising it up out of the flood waters. The picture:

chat lets the enemy in but something built on a concrete foundation does not allow him in when he sends his flood. That solid foundation is something that Jesus Christ has built through the Holy Spirit, revealing information or God's thought on any subject. The two tanks made of chat in this scene reveal two "think tanks," meaning there has been much study and thought put into the teachings concerning end times by some men. These ideas are known widely in the world (books, TV, etc.), symbolized by the chat tanks going down an interstate. So, we now have a picture that reveals the "think tanks" made of truth (with lies mixed in) are on the move; while the real truth of the matter is sealed inside until the Holy Spirit reveals those truths, or they are just walked out by humanity.

Wrong Focus is Toxic

Why is the radiation from the rapture doctrine tank making people sick and the doctrine of the other tank is not making people sick, even though both containers have lies in their structure? Basically because these rapture doctrines unknowingly cause people's focus to be on man (good or bad) leaving/getting out of here at some point. You may say, "What's wrong with that?" This is where the next scene the Lord gave me comes in. I am so thankful to Him for giving it as it gives specific insight into what exactly the Lord is saying concerning the "death" surrounding rapture doctrines. This scene was given to enhance what the first scene is revealing. Everything in this scene is to give understanding of the intended message in the first scene of the "Chat Tanks."

November 9, 2003

The scene was made of particles - connecting it directly to the scene with the tanks made of chat particles. I was looking at a man, dressed in a suit, suspended in the air on his back. There was a wall of particles, to my right, at his feet and his feet were disappearing as if he was being shoved into that wall. It was like shoving a dead body into the wall of drawers at a coroner's work place like we see on TV sometimes. I watched as he was disappearing, his feet first and on up to his knees. The thing about this was he didn't seem that close to the wall but it was

happening anyway. It was like he was disappearing before he was supposed to. I was told, "Some things don't matter!"

The Lord knew I would know what this scene meant. Years ago I heard a pastor talk about all the ministries in the graveyards that never manifested when the person was alive. Some people didn't know they had a ministry and some people probably did know but didn't pursue their calling. (These are God given ministries.) In the scene above, the man with a ministry was disappearing before he was supposed to. Relating this to rapture doctrines emitting radiation that eventually kill people, it is not hard to see that rapture doctrines and "all the chat" about them are causing people to miss their ministries. This is because they are focused on getting out of here and what might happen; they are not preparing for their God given job in the days to come.

At the end of the scene about the premature death of ministries I was told, "Some things don't matter!" Because this scene is tied directly to the emission of radiation from the chat tanks we must relate what God said to that scene also. God is not saying it doesn't matter whether there are premature deaths of ministries but He is referring to the fact that it doesn't matter if we understand rapture or the catching away. What if everyone understood every detail and the time it was to happen! IT DOES NOT MATTER! What difference does it make? There are people out there, preachers who say, "I've got my bags packed!" People are just hoping to make it through to the time of the rapture so they can get out of here. These people are focused on the wrong thing and wasting time that cannot be recovered. This brings us to the next scene given right after this last scene.

Second scene November 9, 2003,

I was looking at a clock on a wall, the type made of a wooden framed glass box with the workings and clock face inside. Anyway, there was a pivot point at the bottom right of the glass

case on the front. There was a very weighty meat cleaver-type knife that had a wooden handle and a slightly curved cutting edge mounted to that point. It was moving back and forth across the face of this clock, as if keeping time, never missing a stroke. I saw substance of time coming out of the clock and the cleaver was cutting it off as it came out. The cut off time fell to the floor

and disappeared in the process. The point in the scene was that every moment of time was being lost, gone forever. (I woke up to words of a part of a song given to this ministry - "Your will and not my own.")

So far we have a picture, given by the Holy Spirit, of the fact that we need to learn God's will for our lives, that all this concentration on rapture is just a waste of time. It doesn't matter if we know the time or how! We cannot get time back, as presented in this last scene. As it passes it is gone and I am so reminded of when God asked me, "What about the person, who had not been confronted to repent, who died during the disobedience of Johah! " Says something, doesn't it?

Another picture contributing to this waste of time is the people who think they have the ministry of studying the Bible and telling people what is to come. There is some good that comes from this but not the good that would come if they got the right perspective on God's kingdom and the functions of various gifts. Finding those gifts in people and learning to let them function in their God given place brings peace and confidence. The thing is, **Jesus said the Holy Spirit would show us what is to come.** Understanding how this is accomplished brings peace even in the midst of turmoil, even war.

At this point I want you to know that I struggled with writing this article mainly because I didn't want to start another doctrine on rapture, which seems impossible not to do. This was keeping me from writing but I finally came to the understanding that all I could do was to be obedient to write about the "things of the

Spirit" specifically given for me to write about concerning this matter. This brings us to the next scene God gave me concerning what I was to write about in this article. Remember, **the Holy Spirit shows us things to come!**

The next scene in the night concerns *The Day of the Clouds*, the *Lord's Day*. God had already dealt with me concerning the *Day of the Clouds* as you can read on this site in the writings. This new scene, specifically given for this writing, most certainly is a wake up call to everyone, including me. Here is a portion of the scene:

November 10, 2003

I was in an area of a flood with other people and their vehicles. All of our cars and pickups were sitting in moving flood waters but there was a deeper area between two vehicles where the water was swifter. I looked up and began to warn the people of

what is coming but they could not see or didn't want to see what I saw clearly. To the East of us and high in the sky were some dark clouds, as if they were left over from the thunderstorms that probably had produced the floodwaters that were still around us. These clouds seemed to be the only thing the people could see or all they wanted to see. I told them to look beyond them but no one did. To the east of these clouds was a small clear area in the sky and then an enormous wall of clouds that was as high as I have ever seen and that wall seemed to go clear to the ground. (Being a pilot at one time let me say that they ran from at least 10,000 feet down to 800 feet off the ground) The clouds had a gold-ish tinge and I saw

*lightenings and thunderings reaching from the top of them to the bottom. The clouds were intimidatingly massive, covering my view as wide as I could see north and south. They were covering the earth and coming from the east. They were moving toward us at a good pace and I told the people loudly to **LOOK!** (This wall of solid clouds was not on the horizon but only about 50-60 miles away, if that far.) I saw that the people were not paying any attention to me and I told them, "I'm going to higher ground." I ran to my pickup... and I was leaving the area where the vehicles were parked when the scene ended.*

This was certainly a wake up call for me and I hope anyone. The main (somewhat shocking) thing I got personally out of this scene was that the *Day of the Clouds -The Lord's Day* is much closer than I thought. In the past I have seen things on the horizon and it took years to come to pass, some have not yet happened. This wall of clouds was only about 50 miles away; I cannot deny that. The Lord also revealed in this scene that people are not taking me seriously and were totally unaware how close *The Lords' Day, the Day of the Clouds* really is. One could also say that the people were unaware of the "Day of Clouds" period, which is true for the most part. The gold-ish tinge, thunderings and lightenings, in the clouds has to do with the purging and refinement of men and most importantly the Glory of Jesus appearing in the clouds. The scene sends a clear message pretty much on it's own, like Habbock 2:2-3: NKJ says:

2. Write the vision And make it plain on tablets, That he may run who reads it. 3. For the vision is for an appointed time; But at the end it will speak, and it will not lie. Though it tarries, wait for it; Because it will surly come, It will not tarry.

Those clouds coming towards me were not tarrying. So we see that the refinement of men and the appearing of the Lord in the clouds are not too far in the future. Simply, *The Day of the Clouds* is not far in the future. There is only one window of time in the history of mankind for the *Lord's Day, The Day of the Clouds* and as revealed by the Holy Spirit, it is not far away. Now we come to the word the Lord gave through me in 1988.

I saw the earth burning in orbit and the Word of the Lord came:

" And so My word that came from My mouth shall not return void. For I am the Creator of all things, the First and the Last, the I AM, the Beginning and the End. You are a chosen generation. I say to you, I will have a church without spot or wrinkle. The same power that resurrected My Son will resurrect that church. I say to you, choose life, not death, and those who yield their lives to Me will be in that church, for I will release that power in them. For I am God, and you will be like My Son when you meet Him in the air. CHOOSE LIFE, I say again. The earth is destined, and so is My church. For I am He... who is... who is... who is ..

." (From page on site:

<http://www.takehisheart.com/prophecy.htm>)

"and you will be like My Son when you meet Him in the air."

Gives insight and actually the whole word given in 1988 gives more insight into:

1 Thessalonians 4:17,

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

The word (in 1988) is a "thing of the Spirit" to illuminate and give us some understanding of the above scripture, 1 Thessalonians 4:17, which reveals the "meeting in the air" is during The Day of the Clouds. Here it is again with some thoughts.

" And so My word that came from My mouth shall not return void. (God has the plan, not man.) For I am the Creator of all things, the First and the Last, the I AM, the Beginning and the End. You are a chosen generation. (We didn't choose ourselves, God did. You may not like it but something is expected of you that was not expected of others before you!) I say to you, I will have a church without spot or wrinkle. (We

have to have changes in our lives to get rid of the spots. It is **expected of us!**) **The same power that resurrected My Son will** resurrect that church. I say to you, choose life, not death (He said this before in His Word. We have a choice and riding the fence does not count at all here. Making no decision to start **changing is a choice not to.**), **and those who yield their lives to Me** will be in that church (Prerequisite to being in that church is to yield your life to God. This is not working the way people **have in the past for a church or the people.**), **for I will release that power in them.** (This so much reminds me of what the Bible says will be manifested during the Day of the Clouds. It reveals that there will be a people, on the earth, more powerful than **any peoples who have ever existed before or ever will be.**) **For I am God, and you will be like My Son when you meet Him in the air.** (God is speaking only to those who meet the Lord in the air! What does it mean to be like Jesus? Jesus was obedient to God and gave His whole life to God. This coincides with God saying, in this word, that we have to yield our lives to Him to be in the Spotless Church.) Choose life (Pretty important to be **repeated.**) **I say again. The earth is destined, and so is My church. (It is going to happen. Are we willing to learn?), For I am He... who is... who is... who is.... "** (Let me explain the who is... with the extra dots. I heard who is over and over with less volume each time, as if these words went right on out into eternity. This is saying God is God never ending, which is what He said about Himself in the beginning of this Word.)

We can put this Word given in 1988 together with 1 Thessalonians 4:17, because they both refer to "meeting the Lord in the air." Doing this we see that it is the Spotless Church that meets the Lord in the air during the *Day of the Clouds*, not the spotted one!

When God first started dealing with me concerning the Spotless Bride He told me I might not make it! My retort was, "You mean I have to do something?" This was a shock because I figured everyone who was saved would be in that church; that it would just kind of automatically happen when the time came. This is not true; we must rid ourselves of the three major spots God has revealed by His Spirit. This takes an effort on our part. God says in this word that the choice is ours!

So the church needs to prepare itself for **Marriage to the Lamb** and it's **God given job** during the *Day of the Clouds*. Does the church have a job during the *Day of the Clouds*? Is the church glorious during *The Day of the Clouds*? Let's look at some scriptures I've used before in other writings:

Joel 2:1

Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the Lord cometh, for it is nigh at hand; 2 A day of darkness and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountains: a great people and a strong; there hath not been ever the like, neither shall be any more after it, (God's strongest group of people ever on the earth.) even to the years of many generations. 3 A fire devoureth before them;. . . 7 . . . and they shall not break their ranks: 8 . . . and when they fall upon the sword, they shall not be wounded (a protected people). . . 10 The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark, and the stars shall withdraw their shining: 11 And the Lord shall utter his voice before his army: for his camp is very great: for he is strong that executeth his word: for the day of the Lord is great and very terrible; and who can abide it? (The strong people, the ones who cannot be hurt! An incovenant spotless church!)

You can see a pretty good picture above. God's army (the church) is at war during the *Day of the Clouds* - *the Day of the Lord*. Where? Here on earth! They are a trained people, a strong people. This must be the time period where Jesus said His church would do greater things than He did. This must be true because God cannot lie and He has revealed that during the *Day of the Clouds* there lives the strongest (protected) people who ever live, before or after! A fire goes before them! God would give this power only to His Son's covenant wife, none other. **He is a Jealous God.**

I had a man tell me that I was staying on earth because of my calling but he was out of here, referring to the catching away. I don't believe this because God says in His Word that every

part of the body is important. The Bible spends a lot of time explaining that each joint supplies and God has been trying to get the church to function correctly since the cross. So does it make sense, we get rid of our spots as a body but then God suddenly just cuts His wife in two by catching away everyone but the prophets and apostles? In scripture God says to the harlot, "Let us reason together!" This splitting does not sound reasonable to me. Look at no. 7 above, 7 . . . and they shall not break their ranks: revealing the whole army of God is not breaking ranks (from the high ranking to the low ranking). God is simply not going to cut His Army into two different bodies during the Day of the Clouds.

These scriptures come to pass during

The Day of the Clouds -The Lord's Day:

Isaiah 13:10,11

For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine. And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay low the haughtiness of the terrible.

Joel 3:13-15

Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the vats overflow; for their wickedness is great. Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision. The sun and the moon shall be darkened, and the stars shall withdraw their shining.

Who is going to bring forth the truth (Put ye in the sickle.) for people to be able to be brought to that valley of decision? People have to hear something that brings them to a decision. They are going to hear it from the cleansed spotless *Bride of Christ* or a church in the process of being cleansed! It appears to me that in the above scripture it is revealed that the decision time is before *The Day of the Clouds*.

You can read about what the Lord showed me about The Day of the Clouds on this site. ([Link](#)) The sequence gives us a little insight into those days. What will cause the clouds to form? No one knows and it is not really important to know. We can speculate all we want but it is sealed. This brings us back to all the speculation of men causing sickness and death to ministries God wants to bring forth for His purposes. These are all learned things and it takes time to learn and experience those things the Lord wants us to experience in preparation for what is coming. Without a word of wisdom or a word of knowledge from the Holy Spirit you do not have the understanding of the truth on any subject. The vision says no one knows, so until the seal is broken, at God's will, we as Christians should leave these things alone and tend to the business of becoming spotless before the Lord God almighty.

God has a **JOB** for His people to perform in the earth **for Him**. So people who stay focused on rapture type things cannot be focused on what God has for them to do for His purposes. God told me to tell people to focus on Brideship; the first step is to focus on getting rid of the three spots already revealed by the Holy Spirit. This must happen before anyone can go on to the next step of Brideship. No one can truly be focused on two things at the same time, that being Rapture and Brideship!

Rapture doctrines are bringing division and strife (a type of sickness/death) into the body of Christ. Let me give a very simple example: About 16 years ago the doctrine of rapture where the bad people are taken out and the good people stay was presented to the pastor of the Word church I was attending. He invited me along to hear it. The person with this doctrine told the pastor that if he would not preach rapture, his family would support the pastor's ministry. The pastor agreed and upheld his word for about a year; then one day he preached rapture and those people were out of there. **(Rapture ideas cause division in one way or the other; therefore defeating the purposes of the Lord!)** You may say this was control, which it was, but rapture ideas were behind the control! Rapture ideas caused the division and control.

It seems to me that the church wants out of the world. My question to you is WHY? **The church's job/commission is here on the earth, not in heaven.** The church as a functional body does not exist in heaven, as there is no reason/purpose. You are not married to Jesus there, as Jesus revealed, there are no marriages in heaven. The marriage takes place here on the earth and it is only logical it will be fully manifest during *The Day of the Clouds - The Lord's Day!*

I had written this article up to here and asked the Lord to help me finish, as I believed it was time to do so because the group here had the word "complete" given to us. I meant for Him to anoint me to finish but it appears He gave a finishing scene. I'll let you read it as recorded in my Flow Chart.

December 23, 2003

Scene, *I was looking at a friend of mine who had passed on before his time. He was trying to sweep this article, and maybe some other articles I have written, under the rug as I watched. Then the scene changed and I was in a church setting. There were pews with isles between them as church sanctuaries usually have. I was walking, working towards an area in the room where band members were gathering with their instruments. It seemed to be a contest of some type. As I walked, I looked to the front of the room and instead of there being a pulpit as usual there was simply a banister. It was not like a church banister or altar; it was a banister or a divider like a courtroom has. I looked up on the stage and there was a place where judges could sit. It was a place of legalities; a place where judgments are made and the people with instruments were practicing and warming up. I was carrying my trumpet and I had not played a note for years. As I walked I placed the trumpet to my mouth and began blowing notes, trying to warm up. I was now close to those gathered here and there, who were playing and warming up. They saw me and did not like the sound I was beginning to play. It was an uncertain sound and I knew it, but there was nothing to do but continue. I did this kind of quietly and was now looking at two well dressed girls playing saxophones. They were playing the part*

of a song they knew and it was very soothing and sounded really good to the ears. They were looking at me and listening as I was playing and I tried, without success, to play up the scale. I could not do this because the valves on the horn were sticky from not being played for so long. The girls became visibly upset at me as they were playing their soothing music and listening to me. I moved my trumpet to the left side of my mouth (representing the physical) and surprisingly I began to play a steady certain sound, not an uncertain one - just one note. Now they really wanted me to leave but they knew they needed a trumpet in their band and I was the only trumpeter around. The sound I was playing was growing stronger and it was not a pleasant sound. It was one people had not heard before! I kept sounding it over and over and realized as I was doing this that I needed to teach them a song that I had known in the marching band I had played in early in my life. (We as a band marched to this song, doing special steps [somewhat radical as marching goes] to it as we marched. We were known inside and outside of this state for doing this as we marched.) As I emerged from this scene I was reminded of the song called, "*Come and Join the Marching Band*" the Lord had given this group years ago. Understanding all of this, I have realized that the song the saxophones were/are playing in the church, that was/is so pleasant to the ears, would never pass judgment in the courts of the kingdom of God.

The two saxophones playing soothing music have to do with the two tanks concerning end time doctrines at the beginning of this article. They have to do with soothing and nothing is wrong. Basically it is soothing and a "God is Love" structure of thought, to think we as Christians will not be here in the end time events.

In this scene I had not played my trumpet for years. The last time I really blew my trumpet was when I recorded *Uncharted Waters* on **January 25, 2000**. Fits doesn't it? (I will place a link to that writing at the end of this one.) The trumpet I'm playing is sounding an alarm that something is about to happen and something is wrong. Both are true in this case.

Years ago I saw balance scales with the word LOVE on one side and the word JUDGMENT on the other. **The two were equal in weight.** The church in the world has taught "God is Love" way out of balance with the fact that God is a God of Judgment, when both are equal. **God is a God of JUDGMENT just as much as He is a God of LOVE!**

I was sounding the alarm in the scene above. The sound was uncertain in the beginning of writing this article but God gave me more scenes as He lead me to finish this article. This made the sound more certain, as simply as the picture God wants us to get in this writing is more illuminated and clear. The sound is really not pleasant to us. God has revealed to me that I could say, "Thus saith the Lord" but why should I? The scenes basically speak for themselves.

There is a wonderful thing about this sound God wants me to sound; it is saying there is something wrong, but God has revealed the information of how to fix what is wrong. It is rather radical to begin to get ride of the spots on the Body of Christ, the Holy Spirit has revealed on this site. You will be taking what seems to be radical steps to the music of the Holy Sprit when you really start to follow the Lord out side of the structured church. The time for you to come out is now, in preparation for *The Day of the Clouds*. It takes time to prepare and learn. I trumpet these next words **The spotted church will not be caught up into the air** to meet the Lord during the *Day of the Clouds* **but the "spotless one" will be.**

How many are going to sweep what is presented under the rug, like the man was doing in the scene above? God is not Mocked! The Spirit and the spotless Bride say, **"Come!"**

DIRTY MONEY? OR MONIES ACCEPTABLE TO GOD

Lately in the news was the report that the Salvation Army would not receive monies because of how it was obtained. I used to believe along those same lines but through all God has taught and spoken to me about money, tithing correctly, and simply looking at what really happened in the Bible, I have a wonderful new attitude towards money from any source. I gained this understanding when God was teaching me to be a deacon. My question to you is this. How can the following scripture ever be fulfilled if we as Christians won't handle or receive so called 'tainted' or 'ill gotten' money?

Proverbs 13:22b . . . But the wealth of the sinner is stored up for the righteous.

The Apostle Paul referred to money as 'filthy lucre,' but he did this basically in connection with money being our focal point rather than our duties as Christians. Below is just one example of this.

1 Peter 5:2 Feed the flock of God which is among you, taking the oversight thereof, not by constraint, but willingly; not for filthy lucre, but of a ready mind;

For the sake of a picture, let's venture down the road of believing we as Christians should not receive or handle monies that come from gambling; in other words, monies that came through or from an evil source, which leaves the monies tainted in some way. We have had the impression that we should not take it or handle it because it is like we are condoning the method or the source by which it was obtained. We can get into big trouble both biblically and in the natural if we take this way of thinking seriously. For one thing, there is not much money circulating that has not been used for an evil purpose. This leaves us going to banks to get new bills to use monies that have not been used for an evil purpose. But if we really squeeze this picture we see we cannot use new monies either

because there is corruption in our government. By taking this thought pattern to the extreme we see that this is the wrong way to think.

To form a correct picture here, as I was walking as a deacon I began seeing that money used for righteous purposes was sweet smelling savor when delivered for God's purposes. After all, when it was delivered for the Lord properly it did something for both the Lord and the person receiving it. Money used this way is most certainly not filthy lucre. I began referring to money as sweet smelling savor or filthy lucre *depending on what it was used for*, not where it came from. I could take you through scripture

and present a picture that it is sweet smelling savor when used for the Lord but that is not the purpose or point of this writing. We just have to think logically. The best example of this is the bag of money Jesus and His disciples had that no doubt contained money, some of which -probably all of it- had been used for evil purposes at one time. But Jesus still used it for righteous purposes. Money is simply a tool and we are to use it for righteous purposes. That makes it sweet smelling savor. If we use it for evil purposes it is filthy lucre. I've been around Christians who if you handed them money from a slot machine out of Vegas they would probably drop it on the floor with the idea it had an evil connotation to it. It's not the money that is evil but the act surrounding it at the time. That same money could be used for a righteous purpose after it came out of the slot machine. Why would we turn down a chance to use it for a righteous purpose because of where it has been; God didn't. He built the temple with the wealth of Egypt. It came from an evil source, from a place where people used it for evil purposes. But God turned it into sweet smelling savor when He used it for His purposes. Can't you just see the people responsible for building the temple telling God He could not use it because it came from an evil source? "God, this doesn't look good!" Can't you just see Jesus telling those rich women who had evil husbands that He could not take their money because of how it would look to some people who would see it as coming from

an evil source? This is most certainly the same picture as the picture of the Salvation Army refusing funds because of how it might look to some. (I'm only using the Salvation Army as an example but the earth is full of people who think this way!) This brings us back to how will the following scripture ever be fulfilled if Christians can not take the wealth of the wicked?

Proverbs 13:22b . . . But the wealth of the sinner is stored up for the righteous.

The wealth of Egypt being used to help build the temple is an example of this scripture. We see that the wealth from an evil source, the wicked, is stored up for those who will do righteous acts with it. We as Christians must get rid of this idea that we cannot take monies because it appears that we are condoning what the monies are from or the evil hands it came through. If we do not change this mindset, Proverbs 13:22 b will never come to pass. God used evil monies for righteous purposes and we should too. Money is a tool and it is the act -how we use it- that determines whether it is a sweet-smelling savor or filthy lucre.

A Train, a Symbol in the Spirit Realm!

This is an updated article I wrote years ago about different scenes and things the Holy Spirit has shown people about trains. Understanding is important so I am sharing some of the symbolisms I have learned relating to this. The Holy Spirit gives interesting pictures concerning the Spotless Bride in the familiar analogy of the train. I will start with this poem He gave me during the time I first worked on this writing.

There is a train coming, and will pass by.

A time appointed, for you and I.

It's sounding its whistle, will you hear?

The whistle, an alarm, telling you it's near.

Will you get on? Will you realize it's here?

The train from Heaven, suddenly manifest and dear.

Here a while, opposed by many.

The traditions of man, it won't have any.

It's a train different, but of the same form.

A different set of tracks, not the norm.

A definite direction, a purpose in mind.

To serve Him, and Him only, what a find!

Will you see this train, will you hear the alarm?

Sadness and joy, not a toy, nor a charm.

As suddenly it came, only suddenly depart,

The question is, will you be a part?

I'm going to share some train scenes shown to others and myself. I will explain some of the scenes and some of the symbols later; it's the pictures we are after. For your information I counted over 50 scenes having something to do with trains in the corporate Flow Chart since 1997.

I was standing in a park by a beautiful lake when I saw a train coming down out of the sky. It was massive, long, and every part was clean cut. It came down and circled within 4 feet of my head. At first I thought it was going to run into me, but it landed perfectly on its tracks. These tracks were bigger (higher and thicker) in size than those we are familiar with. This train was from heaven and represents the Spotless Bride.

Scene, I saw a train and a track, stronger and larger than man's. Man had built a barricade across this larger track to stop this train. The barricade was built in a wood trestle of man's train tracks. The trestle crossed at a 90-degree angle to these new and bigger tracks. I knew that when this big train came through it would tear up the barricade, taking with it the trestle and man's train tracks. (This will happen only because the church in the world tried to stop the train from heaven. I am seeing evidence of this now, even with some well-known names.)

Scene, Another person was shown a train circling. People would put things on it as it came around. People were working together in pairs putting things on the train, so the work was evenly distributed. The train kept widening its circle and increasing its speed. The train was growing as the people worked faster and faster and finally the people were able to put train cars on top of train cars.

Scene, I saw a train going down the tracks. Hidden under one of the cars was a package containing wealth. It stopped and I went under the train car to retrieve the package.

Another person told me the cars of a train were ministries being hooked together and that ministries would hook onto this train as it passed.

Scene, I saw a train circling a hilltop. It circled repeatedly then suddenly left the hill going straight across the country on a single track. There were no sidetracks. It was headed around the world.

Scene, I saw a depot with a train sitting along its side. The depot was lit with glorious colors inside. There was much going on (activity) and the train was preparing to leave. As I looked, I knew I had to be there when it left. It was like a command!

Years ago the Lord showed me a lot of different kinds of train engines and trains, both old ones and new ones. He has shown me trains derailed, train wrecks, and trains doing the impossible. Looking back it is easy for me to understand the meaning of a derailed train. When God brought people together here, for His purposes, we started to build a church because that's what we thought God wanted. (Why else would He bring us together?) Having a scene of a derailed train simply said, "You are off track!" I must say that what we have functioning here now is completely different than anything we would have dreamed of at that time and is different than anything we had experienced before. So it's easy to see that a picture of a train being derailed simply means, "off track."

Trains are generally symbolic of ministry. From a distance they look alike but up close they look very different. The larger train from heaven represents the spotless church while a natural train represents the church in the world that is spotted. A train represents collective power, which is the corporate church. Theoretically, because it can be added to, it has the potential to become the most powerful moving thing on the earth; with more power than the space shuttle, any sea going ship, or any other man made object. It can start out in one place and be added to or subtracted from. It can carry different forms of almost anything. I might add, however, it's not much good unless it's moving! The reason God does not use things such as the

power of a volcano to symbolize the church is because that's nature and man isn't involved with those kinds of power.

The church is a corporate body made up of men and women; the people are "the church." Men of the past, such as Steven and Philip, had power to be able to perform miracles, as even some today have. This is not the power God is talking about when He refers to trains. A train is made up of different parts all working together for one purpose. Even if they are different types of cars or engines they present a picture of unity in purpose (there is power in this kind of unity), just as the different giftings and ministries that make up God's functional church. Each train car has its specific job but is also designed to be correctly hooked together with other cars that have their specific job. These different cars cannot carry the same material. This represents the fact that everyone in the church has different functions (ministries) and when someone tries to carry out a function that is not theirs, problems arise. It won't work and creates an open door for the enemy. I once knew of an evangelist who took on the "office of a prophet's" job and that brought great trouble to his life and ministry. God had not equipped him to do what he was doing!

I want to make it clear that when I talk about the train from Heaven being bigger than the train (church) in the world, I am not talking about length in particular but rather its more massive scale. This seemed to be mainly, though not exclusively, in the engines and probably signifies all of the five fold ministries being there functioning God's way, not man's way; although I would not limit the symbolism of train engines to represent only the five fold ministries.

The most notable difference regarding the train from heaven is in the stronger, thicker tracks and the way they are laid out across the country. There were no spurs (side tracks) from

the main line. There was only one main line. There is a specific path for the spotless church and there are no side rails to take her from her purpose! God has that path, not man. These straight tracks for the church are laid out by following a written record--a corporate Flow Chart-- of all the

"things of the Spirit" God gives through words, visions, dreams, revelation, etc. It is this corporate record of His words that keeps the church on track! It is the way we walk in the Spirit. The wrong way of *walking in the Spirit* is one of the three spots on the Body of Christ that needs to be cleansed to be a part of the Spotless Church. (I will be writing to make this concept more clear in a coming article called, "I Saw a Dysfunctional House," or some similar title.)

As to the tracks themselves, the railroad ties represent God's *tithe*. The steel rails represent the *law*. The reason the rails of the Bride train are more massive than the rails of the church in the world is because the law carries more weight (is more important) with the Spotless Bride. **The Spotless Bride will fulfill the righteous requirements of the laws of God.** The church in the world has not, and generally does not, want anything to do with the law.

Scene, I was looking at a person I know who has, in real life, a serious liver disease that could take her life at any time. In this scene there were train rails standing upright 4 to 6 inches in front of her. These rails were taller than she is and were being added one at a time. They were placed close together but I could still see her through the spaces between the rails. The rails were soaked with gasoline and all it would take would be a spark to engulf her in flames. Obviously, death would occur. The rails represent "*the law*" and according to God's Word we are already judged by God's law, His Word. The thing that was missing in this scene were the railroad *ties* representing the fact that in real life she was not tithing correctly. This scene reveals that if she were to tithe correctly she would not be in this

predicament; she would have the protection God affords from disease (in her case the liver disease) when we see to it that His funds get to the correct place as revealed in His law.

Scene, I was in a depot dressed in a conductor's uniform. I was the ticket taker, the one checking to see who was eligible to board the train. The tickets were not the regular tickets you would buy to get on a train. They were like credit cards, but actually licenses. A license is different than a ticket in that you have to take a test to prove you have learned what is required to have the license. I was the one doing the checking because I knew what the license requirements were to be able to get on the train. I was checking the tickets to see what they had done.

Scene, In another scene I was walking through two train cars that had wrecked or derailed. The two cars had come unhitched from the cars in front that were not derailed. They were laying on their side at about a 45% angle. I was dressed as a conductor and was walking through to see who was hurt and who was not. I was also checking whether or not these people were going to get in the train cars in front to go on. It was sitting, waiting.

The train scenes are simple to understand when we understand what the trains symbolize in the spirit realm. God uses the train symbol because it is something we are familiar with. I believe the word "train" also symbolizes "being trained" but God has not confirmed this to me. Training people is one of the church's responsibilities, but not training in the ways of man. The Spotless Bride trains people to do things God's way. The difference between the ways of man and the ways of God are in **what we do**--faith is an act. In the natural the difference between a harlot and a bride is in the "acts" of the individual woman. In the spirit realm it is the "acts" of a church that determine whether she is a harlot or a spotless bride, not the name she is known by.

There is a train circling that will soon be leaving to run throughout the earth. It will be going a predetermined direction with a predetermined purpose that cannot be changed. **This (Spotless Bride) train, what it is to be, was set in heaven by**

God from the beginning. It is sounding its whistle, an alarm, saying, "Come on, get on." I believe it will sound its whistle many times before and after it leaves on its journey around the earth. It will sound its whistle of warning all around the earth. It's like the *Bride Spotless* saying, "Come!" The train representing the churches in the earth today will have to change to be able to hook up, to get on track with the Spotless Bride train. It is the spotless church that will have a more effective ministry for the Lord because it is His church, built by Him!

There is a train coming, and will pass by.

A time appointed, for you and I.

It's sounding its whistle, will you hear?

The whistle, an alarm, telling you it's near.

Will you get on? Will you realize it's here?

The train from Heaven, suddenly manifest and dear.

Here a while, opposed by many.

The traditions of man, it won't have any.

It's a train different, but of the same form.

A different set of tracks, not the norm.

A definite direction, a purpose in mind.

To serve Him, and Him only, what a find!

Will you see this train, will you hear the alarm?

Sadness and joy, not a toy, nor a charm.

As suddenly it came, only suddenly depart,

The question is, will you be a part?

Prophetic Word - Uncharted Waters

I attended The Apostles Gathering in Anaheim California, in September, 1999. On 9-29-99, I was given some Words from the Lord through those men. My wife was keeping notes as fast as she could. Here is a part of what she managed to record, concerning me, during the foot washing.

"You are called to be an apostle to the church and a prophet to the nations." "There is a prophetic touch to his feet and to his pen."

I wrote *Uncharted Waters* on Jan 25, 2000, and published it on the web. Then on February 19, 2000, in a night vision, I saw a gold piece of paper floating through the air. The Lord told me to put *Uncharted Waters* in red and place it on gold parchment. There was also a white paper floating, following the gold parchment. It was about a fourth full of words in black. I have written some information following the prophecy. Here is the Word, as the Lord has instructed me to present it. I awoke on January 25, 2000, and the Lord spoke,

Uncharted Waters

"Take the fountain of a pen and write." "I am the everlasting. Warn the people that I am coming. Warn them that I am coming with My reward and I will not reward that which looks to be good but is not of Me. I am calling you unto Myself, from the fountain of a pen. I am calling you. I am wooing you to become My spotless Bride. Can the fountain speak? Oh yes, for I have ordained it to speak plainly, not in riddles. Many have yearned for such a time, yet you are the called. I am calling you to be pioneers, as the Bride without spots has never existed in the earth. Rejoice with anticipation for the Marriage of the Lamb is nigh upon you. I am calling it forth. It is granted that you should be clothed in a bride's gown of fine linen. Now is the time. Do not let it slip away. The enemy would have it slip away. Set your eyes on being My Bride, on becoming that which I have ordained. Who can hear from the waters of the fountain of a pen? I am calling you to be pioneers, yet I have sent pioneers ahead of you to mark the way. You will feel lost (for a moment

of time) - for your ways must die in order for My ways to live. Know that I am still there. You must have understanding to walk hand in hand as My Bride. Seek it, be open to it and know, change is here. Take this not as something light. You know My existence. Oh that the peoples of the earth should know the glory of My existence. I am calling you out to become one with Me. Did I not ordain it from the beginning? Have I not made it possible? Do not think this is not so! Did not the Father say in marriage that two become one? I and My Father are One, yet My Father remains My Father and I remain the Son. We are one in covenant. We are one in truth. We are one in desire and plan. We are one in purpose. I desire for you to come into covenant with Me. I desire you to come into one truth. I am that truth. I am God and I change not. Understand this beyond what you have understood. You must allow Me to change you. You must allow Me to change your ways and plans, for I am unchangeable. I am calling you to be My hands and feet. I am calling you to bear My Name in the earth according to My plan, My ways, My pattern of doing things. My ways are not your ways. Come out of your mother, who swears by her name that she has paid her dues yet she has robbed Me and you. She has her ways and plans. She is a harlot and produces the fruit of harlotry. She can do nothing else. Let that which is dead be dead. Do not give her your energy, but rather come against her ways. Have I not said in My Word that if you are joined with her, you are one. How can I reward you if you are one with her. Until now I have given you gifts, not rewards. I have given her gifts, yet she sees not beyond them. I have loved her but not her ways, for they bring silent death to those I have fore-ordained to walk in life. Oh that you would hear My voice, from the waters of the fountain of a pen. Oh that you could hear the sound of that fountain. Can you hear? Am I not God? I say, 'Come.' I call you to My ways and My calendar of events. The church in the world has its calendar and I have Mine. Some have made their calendar from My Word, yet they err. Even those whom I have gifted have their own calendar but I am the Lord and I have Mine. I reveal My calendar step by step. Those who learn My ways, and find My calendar, shall ride the wings of a bird in flight into victory with Me. I have designed the Way. It is Me, it

is Truth, it is Love, it is My pattern, it has My purpose. Know, My calendar stands. Time is short. 'Come forth, Bride!' Those who truly love and fear Me shall come; those who fear Me not, shall remain. Lean not to your own understanding and rest in this knowledge that I will legally protect My Bride, according to My eternal plan. Is not marriage a legal matter? Why do you trip and stumble at this fact? Who is it that will hear? Who will truly seek understanding by My Spirit? Will you marry Me and become a vessel I can truly use in the earth? I am calling you out, now. There is much to befall the earth and its inhabitants. Can you hear the rolling waters of the fountain of the pen? I am calling you into uncharted waters. Moses walked in uncharted waters, step by step. He let go of his preconceived ideas of how I was going to deliver Israel. Be as Moses. Can you feel the excitement of walking with Me in uncharted waters? I am the Head; I have the plan. Will you come? Have you felt the waves of the waters of the fountains of the pen? Will you lay down your life? I laid my life down for you. Will you be My wife? I have much for you to do! I have much for you to do! The harlot has much for you to do. Which fruit do you want to bear? I have come out of the closet and stand waiting for you to stand in covenant beside Me. You must cleanse yourself of spots to stand there with Me. It is required. I have opened the way. I have already prepared it. Look for it. The time is nigh upon you. Choose wisely. Choose to walk with Me in uncharted waters," saith the Lord, through the fountain of a pen.

The Lord dealt with me through other scenes in the night concerning this word. First of all the parchment means it is a legal document. The red lettering simply means it is the Lord speaking and all of this together means He is bound to the promises in this Word.

Another thing He dealt with me about is the fact that I did not reveal what I saw. When I was writing about uncharted waters (towards the end) I saw a very large, clean, good looking passenger ship moving towards shore. It was coming into a shore line that had never been mapped by man, although it has always been there. (The ship is symbolic of the church.)

The Enemy's Voice

Years ago (possibly 1999) the Lord gave *Take His Heart Ministries* the following word. It was corrective yet so enlightening.

I was shown a particular person and the Word of the LORD came saying, *"Tell them (all) they have not discerned the voice of the enemy. You have learned MY voice, some better than others. This is well and good, but you have not learned to discern the voice of the enemy. Know he is more subtle than any. I have spoken through all of you, in some way, that you might know that I am GOD. You do not understand, 'My sheep hear MY voice.' A Shepard has to gather the strays. Today I am gathering.*

"I have called you and prepared a very large table before you. Will you eat of it? Is this smorgasbord and you eat only to your liking? I charge you to take of everything I have served, lest you fall into condemnation.

"I am looking for a people who will follow ME; who will separate themselves unto ME. I am looking for a people who have faith in MY ways and what I have said to them. It is a much greater faith than your doing things your way and calling on ME to rescue you! I am alive, yet most put more stock in tainted words than direct words from ME. Moses was humble before ME and moved on direct words from ME. MY disciples moved on direct words from ME. I am moving in the earth to bring forth MY Bride; so shall it be!

"I speak plainly to you, not in parables. I set a standard for all to see. Did you look? Have I not told you that what you do is directly related to what happens to your children? Did I not reveal this to others before you were born? It's not about love; it's about open doors to the enemy! Have I not said, 'Get real.' MY word is real and is already set in the universe; what I have said to you is set in the universe, walk in it.

I hear cries of, 'I don't see; I don't understand; I can't find my place.' I have heard you like I heard the Children of Israel. I am sending deliverance and MY grace is in this place. There can be no grace until there is judgement. Will you receive MY grace?"

(To receive His grace, we must act on His revealed judgments!)

Blessings to all!
